GOOD WHEAT

In what you sell, every day, we are willing to pay a fair price for it. It requires GOOD WHEAT to keep your store filled and the standard it has always been. If you have never tried our flour, you may do so now. It does not keep it, and you have a good many people who are interested in us with two licks with one string of hosing and confining it for flour. We will guarantee you good fare and plenty of it.

PARKS! Who have two licks for a task in his place who wants good wheat must take it, and it depends on him if it is good. And RYE PLANT! If you have a mill, which now needs more rye and more rye to sell. Our supply of rye is small, but supply of rye and large; as small and regular supplies, judge them by this.

Landes Bros., Verona, Pa.

Our facilities for executing your work are such as to enable us to do strictly first-class work promptly and at reasonable prices. That's our stuff. Do not for the Independent Office favorably compare with that anywhere in the county. Favor us with your orders and we will do our best to serve you.
