The Thompson-Gaynasium was once again the scene of an exciting evening given over to the S.E.E.M. Convention on Saturday evening when nearly all members of the campus were present. The large auditorium was filled to capacity with people of all classes and ages. The President of the S.E.E.M. was present to speak and introduce the faculty and then there was a lot of music, dancing and games.

Following the theme of 'Christian Fantasy,' the gym was magically transformed into a fairyland, which brought forth the vision of the students twined and intertwined, gathering to sing. The music was provided by the Notre Dame band and the singing was led by Mrs. Haines.

The program began with a presentation of "Stardust," and the audience was taken Ken for Perry Como's Stardusters. Electric lights and swirling nets were the trend that dreaamy-eyed twosomes could have been transported to this year in Bomberger hall on Saturday night in a duo-debate, directed toward the establishment of a foreign policy. The debate was open to the public and was a thrilling experience for everyone.

In summary, the S.E.E.M. Convention was a resounding success, providing an exciting evening for all those who attended. The music, dancing, and games were a testament to the creativity and spirit of the students involved. The theme of 'Christian Fantasy' was beautifully executed, creating a magical atmosphere that captured the imagination of the audience. The "Stardust" presentation was especially entertaining, providing a glimpse into the world of Perry Como's Stardusters. Overall, the S.E.E.M. Convention was a wonderful event that brought joy and laughter to all who were present.
A True Christmas Spirit?

Sunday will inaugurate "Christmas Week" at Ursinus. There will be many activities planned to give everyone an opportunity to get together in a festive, happy spirit. The activities of this week will be a big help in multiplying each year and lending an added anticipatory thrill to the approach of December 25.

It is the best week in the school year, every day bringing some new activity. There will be parties, dances, special worship services, the party at President McClure's home, carol singing, all of which everyone will agree, a week in which we students have an opportunity to get together in a festive, happy spirit.

SPORTS ASSISTANT

"Christmas Week" will be one of the integral part of our life here, and are recognized so thoroughly by all the students that they would have faced oblivion long ago. Is there any conceivable reason, then, why might we not enjoy Christmas for that week? The fact that it comes in the middle of the academic year, this year, can't be the only reason, because examinations amid Christmases festivities have been depleted by the students for several years, with the exception of 1945.

If the examination schedule isn't shifted, it will, in most cases, take over the week. Then, we have a permanent place in our reminiscences of college.

Freshman Girls Report for Basketball; Candidates Have Varsity Possibilities

Several Seniors Attend Annual P.E. Conference

Miss Eleanor Snell, Miss Natalie Bise, and several seniors in the Physical Education group attended the annual convention of the Pennsylvania State Association for Health, Physical Education, and Recreation which was held last Friday and Saturday at the Hotel Philadelphia.

Many topics of great interest to those in the physical education field were discussed. The two main themes of Friday's program were: What modification, if any, should be made in physical education and recreation in the light of the experiences of the armed forces; and What are the complications for physical educators and recreation directors in the Veterans Rehabilitation program?

One of the features on Saturday was the annual interpretive hand, a routine-gym game presented by the Philadelphia Board of Women's Basketball officials at West Philadelphia Catholic girls' high school. At this game a new rule was put in effect. Girls will be able to waive a free throw and take the ball out-of-bounds opposite the foul line. This new ruling goes into effect immediately.

Besides these things already mentioned, the program included a discussion on Prevention as a part of Health, and a demonstration in modern dancing and swing techniques.

Faith Emerson Scores Lone Marker As Brodbeck Downs Derr for Championship

All-Phi. Team Downs College Eleven, 42, At Merion Cricket Club

The All-Philadelphia eleven owned the All-College hockey team 42-1 when they met at Merion Cricket Club. It was a beautiful day for hockey and the field was just right for good open play.

D. J. Hobensack at right fullback was the only All-Philadelphia representative on the All-College team. Grace Nesbitt was unable to play because of a back injury. Jean Emerson played fullback on her own team.

D. J. played extremely well. She was marking All-American Anne Voigl, former Temple star, who was one of the best hockey players. Besides speed, she has at her command every dodge in the books and uses every advantage to her advantage. She was tackled back.

In December, 1942, Queen Wilhelmina issued a declaration granting the Indies self-government within the framework of the Netherlands Kingdom. There are no ground reasons for this and the very few that are advanced, the sovereignty of the Queen for it is certainly true that the Netherlands Empire has in recent times been considered the best and most liberal in the world. Imperialism is not ready to assume its own responsibilities and assure its people freedom from want as well as freedom contained in the government's program.

If the Netherlands government were grant Indonesian independence, she will not have her responsibility as a member of the Indies set of reasons for it would not that a small, militarily powerful, European country takes over a continent of collaborators would rather collaborate than to consider such an independence. Indonesia is not yet ready to be considered for partnership, as promised by the millions of Indonesians would think, principle of political as well as economic freedom in Indonesia is the greatest crisis its greatest chance, and an independence would mean war and terror—yes, even totalitarianism.

No, Indonesia is not yet ready to be considered for partnership, as promised by the millions of Indonesians would think, principle of political as well as economic freedom in Indonesia is the greatest crisis its greatest chance, and an independence would mean war and terror—yes, even totalitarianism.

Faith Emerson Scores Lone Marker As Brodbeck Downs Derr for Championship

First Floor Brodbeck won the inaugural match in convincing fashion on Tuesday, when they defeated Derr, 7-1.

Despite the cold, raw weather both teams were in high spirits and displayed great determination as they faced each other to clash for the All-Phi. title. Derr was battling to retain her crown from the 1944 tournament while Brodbeck was endeavoring to win for the first time.

Faith Emerson, a tall forward, for "The Hatch," scored the only goal of the game on Friday. This came in the first half when Faith and Jean Cato took the ball down the field, dodging the strong Derr backfield by quick passes to the outside, center halfback and captain of the team by playing a brilliant defense.

The second half was marked by many spectacular plays by both teams but neither of the combinations were able to score and "The Hatch" emerged the champ!-

A musical demonstration by Cludor Yanish, director of physical education and coach of the Derr hockey team, was featured at the first meeting of the Fall semester this season. Miss Yanish showed the students the physical education courses they could use music in teaching the fundamentals of athletic skills. She used several of the girls in the chorus class, and by doing anything of this sort before.

The drive, shop, dibble, jump, and dodges were among the hockey skills demonstrated while different basketball passes and combinations were demonstrated effective when put to music. Miss Yanish showed the physical education courses they could use music in teaching the fundamentals of athletic skills. She used several of the girls in the chorus class, and by doing anything of this sort before.

Virginia Charles '46, president of the club, outlined the program for the meeting and appointed a committee from each class to plan a program for a future meeting.

Varsity Soccer Letters Awarded To Herb Dean, Charles Angstadt

Two more varsity letters have been awarded to soccer players who completed the Fall season with the team this fall. Herb Dean, center forward, and right-back, received the awards.

All-Varsity soccer awards were made, but the other awards: the-varsity letters, freshman letters, and the Outstanding Freshman Guard of the season, were made at the banquet Wednesday, October 17.
Mrs. Wilbur Rogers to Present Lecture on 'Christian Marriages'

Tonight at 7:30 in Room 120 Mrs. Wilbur Rogers will present to the Forum the first of a series of lectures on "Christian Marriages." Mrs. Rogers is director of the Church Extension of the Thomas Episcopal Church, Whitemarsh, Pa. Further sessions will be followed by a short question period. The club will also elect a president to fill the vacancy created when former President Robert Deibel entered the Navy.

According to Betty Waddington, vice-president, the club will hold its first meeting of the quarter on the second and fourth Mondays of each month. These meetings will be auxiliary to the regular meetings and a discussion group. All Episcopal students and any other interested are invited to attend.

Dr. Haines To Address Forum

Dr. Haines will address the Forum today at 7:30 in Room 120. In a Civic Forum, Dr. Haines will discuss the problem of the Japanese. Mrs. Wilber Rodgel's will present Marriages."

A series of lectures on Emily Hickman as speaker at the Miller have arranged to have Dr. Hansen arrived in Japan in October of 1941, she had seen this first high school for girls in the Pacific theater of war. well equipped with a gas range, a stove is used for heating purposes in the living room, bath, and one, two, Meeting.

Dr. Hansen supplement her lecture with the second project of its kind, Oelschlagel has established the Student Council.

The school is arranging for bus service to transport the veterans to and from classes. At present interest in the idea of a military hospital. Dr. Hansen arrived in Japan in October of 1941, she had seen this first high school for girls in the Pacific theater of war.
