Hay-Fi'ver Sufferers

Should read our 112 pages here for treatment and cure of Hay-Fi'ver and Asthma.

Department of Agriculture

A NEW BUSH

When constituted a boundless capital the land is placed in the hands "money-men"—profits; the agriculturalists, then, in reality, a poor disposition of the ground, except for the food they produce. The land is thus an important factor in agriculture, and the low water would throw into the balance the advantage of a better food. But, if you are willing to pay for the fifteen bushels of wheat per acre, the land will pay for the fifteen bushels of wheat per acre, and the corn would have been lost.

Hay Fever and Asthma

One of the best treatments for hay fever and asthma is to use a special hay fever and asthma medication. This medication is designed to help reduce symptoms and improve breathing. It is important to follow the instructions on the label and to consult with a healthcare professional before starting any new medication.

We recommend that you consult with a professional to ensure the best care and treatment for your specific symptoms.

Our facilities for executing JOB WORK are such as to enable us to do strictly first-class work promptly and at reasonable prices.

The job work done at the Independent Office favorably compares with that done anywhere in the county. Favor us with your orders and we will make our best to serve you well.

If you have anything to sell and want to sell it—and want to sell it—it must be in ADVERTISEMENT in the same style and tone as the advertisement. The best advertising medium in the middle section of Montgomery Co. on the one hand and the Independent Office on the other, can easily be reached by interested readers. It is read by at least 3500 people every week and its circulation is steadily increasing.

Subscribe for the PROVINCE INDEPENDENT, 94 cts per annum, in advance. You will get the worth of your money and more or less happiness into the bargain by subscribing and paying for the INDEPENDENT; the paper that has opinions of its own and says what it has to say without fear or favor.
