DENTIST in Norristown,
The Workingmen of the United States," has been prepared, giving a
realistic picture of the conditions and experiences of workingmen, the
dangers of political changes, and the history of labor legislation. It is
published in part by the American Federation of Labor, and is
available at all bookstores.

Of our two foreign columns, the London correspondent reports that
England is experiencing a severe coal strike, and that the government
is prepared to intervene if necessary. The Paris correspondent says
that France is continuing to suffer from the worst drought in many
years, and that the government is taking steps to alleviate the
situation.

The Daily News, now in its twenty-fifth year, has just celebrated its
anniversary with a special edition. The paper, which is published in
both English and French, is known for its thorough reporting and
accurate information. It is read by people all over the world and is
available in many languages.

The Providence Independent, a daily newspaper in Rhode Island,
reports that the state is experiencing a severe drought, and that the
government is taking steps to alleviate the situation. The paper is
published in both English and French, and is available in many
languages.

The Providence Independent also reports that the city of Providence
is experiencing a severe drought, and that the government is taking
steps to alleviate the situation. The paper is published in both
English and French, and is available in many languages.

The Department of Religion and Civic Education will begin on September 12, 1892, and will continue until November 15.

JOURNEY TO NIAGARA FALLS AND CANADA.

We left Spring City August 25th at 2:50 p.m. The steamship was crowded, and the trip was in the nature of a circus. The Colonel, gaudily dressed in black, with a beard, and a cap, and in coming down shook the crowd in his hat. His voice was in a musical key, and he monopolized the attention of the passengers. We arrived in Buffalo the same day, and spent the night in the hotel.

On the 26th we took the Canadian train and proceeded to Niagara Falls. We arrived at the hotel at 4:30 p.m., and spent the night there.

On the 27th we took the train for Toronto, and arrived at the hotel at 12 o'clock. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 28th we took the train for Hamilton, and arrived at the hotel at 3:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 29th we took the train for Oakville, and arrived at the hotel at 5:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 30th we took the train for Toronto, and arrived at the hotel at 4:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 31st we took the train for Montreal, and arrived at the hotel at 4:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 1st we took the train for Ottawa, and arrived at the hotel at 4:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 2nd we took the train for Toronto, and arrived at the hotel at 4:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 3rd we took the train for Hamilton, and arrived at the hotel at 3:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 4th we took the train for Buffalo, and arrived at the hotel at 4:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

On the 5th we took the train for Spring City, and arrived at the hotel at 4:30 p.m. We spent the day in the city, and took a ride on the ferry boat to the island.

The trip was a success, and we hope to make another trip next year.
Hay-Fever Sufferers

Should read our next page book on the treatment and cure of Hay-Fever and Asthma. And see what has been done.

Department of Agriculture

Look out! A fly now!

It is interesting to notice the advanc
e made in the science of entomology as demonstrated by the reports thus year of the United States Department of Agriculture.

The Exhibition of Entomology is on display in the Hall of Science, 10th, in College Park, Md., until the 10th instant.

Our facilities for executing job work are such as to enable us to do strictly
first-class work promptly and at reasonable prices.

The work has been done at the Independent Office favorably compared with that done anywhere in the county.

Our prices are lower, and we will do our best to serve you well.

If you have anything to sell and want it well done, you will find us friendly and the rest of mankind to sell it and want to sell it—so matter what it is.

—ADVERTISEMENT in the columns of the Independent.
The best advertising medium in the middle section of Pennsylvania.

Wherever the Independent circulates it is eagerly read by interested partyers.

It is read by at least 3500 people every week, and its circulation is steadily increasing.

Subscription for the PROVING INDEPENDENT costs 25 cents per year.

We show you the trousers when you call, and then take them away.

No other firm ever did or ever will sell perfect goods at so low prices as Weitznernora.

MORE TROUSERS
