Board Announces Faculty Revisions; New Plans Adopted

At the Board of Directors' meeting on Saturday afternoon Dr. Ernie L. Wiser, chairman, announced that the board had met and revisited the college philosophy for the future. New faculty members were also named, and new plans for the college were adopted.

Charles W. Steckleman, former instructor in German, will return to the college following his resignation from the Navy as Assistant Professor of German. Robert E. Pohio, also a member of the German faculty, will return to the college following his discharge from the Navy.

Among the new faculty members are: Professor Joseph Smeltzer, who has been appointed to Associate Professor in Political Science; and Helen C. Brown, who has been appointed to Assistant Professor in English.

The new plans adopted by the board include the establishment of a new department of Chemistry, which will be headed by Dr. John E. Brown.

Graduates Obtain Positions Through Placement Bureau

The Ursinus Placement Bureau has announced that it has obtained positions for many of the graduates in the graduating class. The names of those who have obtained positions are:

- John Shimer, who will teach physics at Juniata College.
- Margaret Schmoller, who will teach English at Albright College.
- Mary Jane Hassler, who will teach English at Swarthmore College.

Other students who wish to continue their studies at Juniata College will be assisted by the Ursinus Placement Bureau. The bureau has arranged for positions in various fields, including teaching, business, and government.

Rosicrucians Entertain Fifty-two Girls at Tea

Fifty-two girls attended the Rosicrucian tea on Wednesday, June 19. The tea was held in the college dining room.

The entertainment included music, recitations, and a dance. The guests of honor were Dr. and Mrs. Robert L. Johnson, who were presented with a bouquet of flowers by the guests.

The tea was sponsored by the Rosicrucian Society, which has been active in the community for many years.

Rev. A. M. Billman

Prizes Awarded to Honor Graduates for Scholarship, Citizenship

The following prizes were awarded to honor graduates:

- The Schlaybach Scholarship of $25 was awarded to Helen Cohen, who is majoring in English.
- The Schley Scholarship of $25 was awarded to Mary Jane Hassler, who is majoring in Mathematics.
- The Schley Scholarship of $25 was awarded to Margaret Schmoller, who is majoring in English.
- The Pettibone Scholarship of $25 was awarded to Janet Estabrook, who is majoring in Chemistry.
- The Pettibone Scholarship of $25 was awarded to Janet Estabrook, who is majoring in Psychology.

Dorms Elect Officers, Senators for Next Term

Following the elections on campus for the heads of the leading dormitories and senators for the junior and senior classes, the following officers and senators were elected:

- Elinor A. Smith, junior senator, will serve as President of the Student Council.
- John E. Brown, senior senator, will serve as Secretary of the Student Council.

Elected Levi Ross, College Proxy: Name Seven Others as Members

Levi Ross has been elected to serve as the college proxy for the next term. He will also serve as a member of the Student Senate.

COUNCIL HEAD

The council head of the new board is Dr. John E. Brown, who has been appointed to the post by the college president.

T. Grish, Williams Takes Honors As Valedictorian, Salutatorian

“Americans are the offspring of people who distinguished themselves in the American Revolution. With this thought in mind Robert L. Johnson, L.L.D., president of Temple University, addressed the class at the Seventy-sixth Annual Commencement.”

Robert L. Johnson continued to discuss the two systems for getting people’s work done. These may be termed as status by achievement or status by heredity. The author of the report for the season is Carnegie.”

Dear Sir,

The first fact that America has achieved miracles in industry and government. Dr. Johnson stated that there are many who are industrialists or government workers living in America as a result. Secondly, the author mentions that America has been the home of many people who have made important contributions to their fields.

Problems of American Society

The problems of American society are discussed in the report. Among them are the need for a more effective system of education, the need for a more just system of taxation, and the need for a more equitable system of social security.

Problems of the Future

The problems of the future are discussed in the report. Among them are the need for a more effective system of peace, the need for a more just system of international law, and the need for a more equitable system of international trade.

Problems of the Past

The problems of the past are discussed in the report. Among them are the need for a more effective system of justice, the need for a more just system of education, and the need for a more equitable system of social security.

Problems of the American System

The problems of the American system are discussed in the report. Among them are the need for a more effective system of government, the need for a more just system of taxation, and the need for a more equitable system of social security.

Problems of the American People

The problems of the American people are discussed in the report. Among them are the need for a more effective system of education, the need for a more just system of international law, and the need for a more equitable system of international trade.

Problems of the American Culture

The problems of the American culture are discussed in the report. Among them are the need for a more effective system of criticism, the need for a more just system of literary criticism, and the need for a more equitable system of arts and letters.

Problems of the American Religion

The problems of the American religion are discussed in the report. Among them are the need for a more effective system of religious instruction, the need for a more just system of religious freedom, and the need for a more equitable system of religious cooperation.

Problems of the American History

The problems of the American history are discussed in the report. Among them are the need for a more effective system of historical research, the need for a more just system of historical instruction, and the need for a more equitable system of historical cooperation.
**GAFF FROM THE GRIZZLY**

**THE MAIL BOX**

July 1st, with the wonderful cycle of football games, freshmen coming, graduation, spring fever, May day and exams hanging over our heads, we are all bidding some of our best friends goodbye and letting them off in a "long, long, long, long" till next year.

Hard to realize that this year is over; guess it will be a long time before we see them back again. Many May Day baskets were turned in to the Swiss cabin this time, too. We wish the gals the best of luck in the coming year.

What will Ursinus be without:

Bobbi Geist, for team captain.

Henry and Nancy Horens in the quality of their "Wow"s.

Dorothy Fox for more "On Spence".

Jane Reifsnyder for juggling figures to Dot Richardson and Dot to Dave Wright.

Ethel Poinsett for rides with Dr. Tyson to next year.

Nicki Nachod for humor to Monty Cummings.

Tinker Harmer for her waistline to Mary Djorup.

Nancy Herron for her braids to Baumgart.

Ed Hanhausen for his natty appearance to Harlan Durfee.

Betty Cowell for her dainty ways to Trevvy.

Jane Reifsnyder's ability to juggle figures to Ethel Poinsett.

Marguerite Lytle's dignity to Em Fischer.

Nicki Nachod's humor to Monty Cummings.

Pam Coy's way with men to Miss Mc-

HOCKEY
Success once again followed the Ursinus coeds in their intercollegiate athletic competition. The girls’ hockey team was one of the shining stars in the fall season, as the swimming team was the only varsity to go unscathed. The girls, led by their outstanding performances and gave their opponents plenty of competition.

By eleve, Captain Jane Shoemaker, left back, opened the Ursinus’ season with a goal against Mary, Chestnut Hill, and Temple but were on the wrong side of the ledger in the close contest against Drexel, 3-0. The coed with her famous sticks and outstanding speed was named to the All-American team.

At the Middle Atlantic All-College hockey try-outs five Ursinus girls gained recognition. Of the five, two were named to the Middle Atlantic All-College second team. These girls were Betty jean Moyer, center forward, and Doris Greenwood, left forward.

Gracie Nebsitt, who was all-college second team, was named to the Middle Atlantic All-College third team. These five girls were also named to the all-city women’s hockey team.

BASKETBALL
Two defections in the team was the varsity basketball record. Kathleen (Deanie) Sinclair, star guard, served as captain of the team until a month ago, when Joan Mist handled the duties of the manager.

Courde Warner, Captain, and Edith Bick Editus “Bugs” Calhoun were the forwards contributed by the Ursinus girls on the all-city selection. Joan Moyer was the guard. Since Deanie and Courtenay Richardson were the only seniors named to the all-city selection, the Ursinus’ team must be given credit for their strong experienced combination next season.

In the all-state selections both Bob Bakes, 3b, and Dick Wentzel, center, were honored when all three won the honors for the singing seasons that many handicaps. Next year Ursinus will put an all-city team on the field as a sign that it will be a good team. Coach Pete Stevens, back from the service, is manager.

SWIMMING
Swims off to the swimming team for winning the Eastern Intercollegiate girls swimming title! To the Ursinus girls, winning the Eastern Intercollegiate title was a surprise to everyone (especially to the members of the team who had never heard of the competition before), except the Ursinus students. Firsts in both the 50 yard medley relay and in the 400 yard freestyle, as well as their victory in the title in their direction, should they receive special credit because of the fact that they had six entries in the ten events of the meet. Both the 50 yard and 100 yard breaststroke, and three of the girls were forced to do double duty. In the relays it was necessary for Betty Jean Moyer to swim in the 50 yard medley and swim the 56 yard medley and then go back again to the 50 yard medley. Each member for the 200 yard medley, Hallinger, and Anne Ryerson were the other members of the team named to the all-city selection.

Mules Are Victors Over Ursinus Nine
Traveling to Allentown for a game with the Mules on Friday, the Bears lost their second game in a thriller which saw Ursinus win taking the scoring honors with 18 points, but it was not enough to stop the Mules, 13-6 with two runs for Ursinus. It was a tough game of blunders for both teams and resulted in the Mules winning the game.

The bears squared for a scoreless first inning, but in the second and third innings the Mules scored four runs. They scored twice in the fourth inning and three runs in the fifth inning. The Bears scored two runs in the fifth inning, but in the sixth and seventh innings the Mules scored one run each.

Fielding mistakes were the cause of the Mules' winning margin during the game. The players were not up to scratch and the team was defeated.

The highlight of the season came as the Bears accepted an invitation to play in the Middle Atlantic Athletic Championships. The Bears, losing to Rutgers, were named to the championship team.

The highlight of the season came as the Bears accepted an invitation to play in the Middle Atlantic Athletic Championships. The Bears, losing to Rutgers, were named to the championship team.

FOOTBALL
Football this year was, for the third consecutive season, made up almost entirely of Navy veterans. The team followed the abbreviated schedule of only five games with the five Navy games.

The season opened saw Swarthmore win out Ursinus to the tune of 13-6 with two touch-downs and a field goal in the first half. The game with F & M played at home, the Bears, lost their second game in a thriller which saw Ursinus win taking the scoring honors with 18 points, but it was not enough to stop the Mules, 13-6 with two runs for Ursinus. It was a tough game of blunders for both teams and resulted in the Mules winning the game.

The final game of the season saw the Bears finally exert their strength and the home team swept away the Bears.

Only three civilians saw action this year. Bob Bakes, center, and Bob Pole were all line men. The team was co-captained by Bill Blewett, left tackle, and George D. Mincher the coach assisted by many of the Navy personnel attached here. Due to the credit is due to those who worked to put a football team on the field and congratula- tion is extended to the players for their many handicaps. Next year Ursinus will put an all-city team on the field as a sign that it will be a good team. Coach Pete Stevens, back from the service, is manager.

BASKETBALL
Hall the champion of the Middle Atlantic Conference (southern division)! In one of the closest finishes ever was the final of a decade, a team made up almost entirely of freshmen. The Ursinus team made a league record of 8 wins against 2 defeats to capture the title. Under our new coach, Emil Mazzini, the team will be considered one of the best teams in this class in the area. This season received to the tune of 13-6 with two runs for Ursinus. It was a tough game of blunders for both teams and resulted in the Mules winning the game.

The highlight of the season came as the Bears accepted an invitation to play in the Middle Atlantic Athletic Championships. The Bears, losing to Rutgers, were named to the championship team.

The following night, Ursinus met the Gaels of St. Joseph’s College in the opening round of the一体化 competition. In this contest the Bears proved no match for the highly touted Alliedowners. The final score stood at 57-30 with "Red" Geist winning the taking the scoring honors with 23 markers. George D. Miner coached the Ursinus team and has been in as many as 14 games. He has seen in years. Congratulations must be given to the splendid job that he did with almost completely new material in his first year here at Ursinus; especially in light of the fact that we may expect in the future. Coach Bob Blewett, Long and George Kennedy were honored when all three were positions on the first squad of the all-league team. The Bears were well represented in the selection. In the Philadelphia Inquirer’s selections for the all-city team, George Miner was named to the 3-1 count. In the all-state selections both Bob Pole and Bob Blewett were named to the second team.

All this is proof that Ursinus enjoyed an excellent season and were deserving of the commendation of the season. The Ursinus’ team was awarded a birth on the second team.

In the all-state selections both Bob Pole and Bob Blewett were named to the second team.
