Curtain Club Scores Triumph With Production of Hay Fever

Elaine Loughin Dominates Play But Has Wonderful Support

Accepting the invitation to capi-

tally upon the stage, we

were introduced by a

number of attractive

women, followed by the

guests of honor and

their respective guests, we

did not obtain the stage

cating their splendid performances in Hay Fever.

During the stage, the story, and the audience with her every ges-

ture. A well-chosen cast trans-

formed a liveliness of the glamorous

display of the characters of their local life in a

shower of happy moments. The

children, Lois Wilson '44, and

Donald Clapp '45, Miss Williams, an

unaffected and natural per-

formance and Mr. Clapp almost himself being so articulate and
desirable, the characters ex-

cept the part of the maid Flora

of V-15, came up to all our expec-

tations.

Then there was a group of be-

lieved-s rated to spend the weekend.

Doris Titek '45, gave an excellent performance as Myra, the beautiful 'other

woman,' and Joan Hayter '45, really surprised us--she was quite a

'little beauty.'

Despite the fact that Noel Watford '46, played the part of the

audience was the Irish maid of

THE URUSINUS WEEKLY
MID-SUMMER ISSUE

EACH IN HIS PLACE

"Students who continue to develop and to indicate desirable officer-like qualities are an advantage to the Navy as officer candidates in training on shore than as enlisted men in combat at sea;... the Navy expects all personnel serving the Navy where the Navy needs them most and has ordered them to serve to apply themselves earnestly to the task assigned." so reads a bulletin from the assistant chief of Naval personnel, made known to all agitation-seers in the navy.

It makes one think for a minute, especially on a sunny day, whether just what one is doing is right.

When we read of friends being wounded and killed on the battle fronts of the world, too, often we condemn ourselves for being safe here at home. Yes, that self-condemnation may be deserved if we are not doing our present job as well as enlisted men in combat at sea;... the yelling by the winners and still worse with the losers.

Emotionless with the winners and still worse with the losers.

For instance, we were told that in the blazing sun with the defeat burning.......

The Hot Box

by Bobby FLASH.

We've been told in this new that Patterson train... Harry James and Tommy Dorsey, a result of a baseball game.

Artie Shaw, telling people by announcing his plans for a seven-tempered orchestra with a marvelous drummer man Buddy Rich. Major just promoted Glenn Miller and his army arrived here for an indefinite stay.

Two days later we have a name, here at Ursinus. If there's one group that's been "good taste" in playing a program. They entertain us, and still worse dressing gowns don't want to be jumping like the merry men. From the other side, both Messrs. Saunders and Abe Jones, Librarian. They didn't, with our Navy, the only thing the band shouldn't exceed $600.

For war! Yes, again! It's to our red line coat; Woody Herman's Hired hands are coming in New York, and Lee Brown, ditto, at the door at "The Fill" in New York. If James C. Petrillo has his way, all New York music of the latest recordings will be released to the public. As for the "adolescents," with the WLB not appearing for hearings by August 29, all that jazz is over. Let's settle the argument... Watch Glenn Miller's new stylist ideas in swing... Harry James says, "We're not going to replace the old, but will come out only to satisfy old connoisseurs." What will it all be... you know who it is. Maybe B. Grable; yes, with all the others.

GOOD SHOW. The Boyz will be the "usu" one of the top other band.

When the fizzle-enders appear in skirts on Sunday, they're not allowed to be beautiful.

Southy: a little bit about being shoved to Hobson this summer so that some badly needed money could come to the college, the new dorm refurbishing him... Berkeley, the students and the women will go down Sixth ave....

With pinhole games and World Series a new athletics book- heir to the title of "The Book",... Sue Emery with the picture Earl Neville impersonate to Paul Mack.

In a fit of righteousness (7) Van Swearingen in his pinhole deck... Buzz brought this new pack to the nearby sessions.

Dave Wright has been visiting, Owingsburg a lot lately. That was nice blind date that of Gerry and Whitley Weatherlow.

Whitby-Hunter has less cor- responding to do now that Anne Eysenbach's back.

Some people are falling for Joe Newlin's gag that Jean Perry is his step-sister.

Lou Monaco is certainly beating a path to Patterson this term, have a look here...
