STEAM HEATING.

The superiority of Steam is compared with the OIL, or GAS, or WATER, cannot be contested, for twice as much heat can be obtained from the same amount of fuel. The boiler can be had from the old way of storing heat. Then another very important consideration is the cleanliness of the place, and a full and supply of the hot, liquid, steam heating. The whole heating system will be supplied, if you will accept the estimate.

Three Reasons Why

You should deal with H. L. Saylor.

The facilities for executing Job Work are such as to ensure the strictest first-class work promptly and at reasonable prices. The Job Work done at the Independent Office furnish an excellent sample of the work that is done anywhere in the county. Favor us with your orders and we will do our best to serve you well.

If you have anything to sell and want to sell it, and if you want your neighbors and the rest of mankind to have that you have something to sell and want to sell it—no matter what it is—ADVERTISE in the columns of the Independent. The best advertising medium in the middle section of Montgomery Co. Wherever the Independent circulates, and that is everywhere, is owned by interested readers. It is read by at least 500 people every week, and its circulation is steadily increasing.

Subscribe for the PROVING ground. It is issued every Wednesday, and a full $1.25 per annum, in advance. You will get the news, opinions, and more or less happiness into the bargain by subscribing and paying for the INDEPENDENT; the paper that has opinions of its own and says what it has to say without fear or favor.
