Alberta Man, Ken Schroeder To Sing Leads In “Sweethearts” To Be Presented April 13,14

Pre-Meols to Hold Meeting: Students to Plan Calendar

All civilian pre-medical students, regardless of class level, will meet at 7 p.m. Monday, March 14 in room 135 of the Science building to plan the spring term schedules for the following terms.

J. Harold Brownbuck has announced that the meeting is extremely important and that all students planning to be members of the American Medical association for taking medical aptitude test.

Head of students’ organizations will also be present with the Student Activities committee tomorrow at 7 p.m. to plan the calendar for this term. "Schedule and attendance" will be discussed during this week and no further schedules will be discussed. "Day schedule" will be started.

New Students Include Freshmen And Veterans

Among the new students on campus this semester are several boys who have returned to Ursinus for the second time. Our veterans have been graduated Magna Cum Laude, received the honorary degree of Doctor of Divinity.

Newcomer in high school at Hellertown, Kitty Anderson is a representative of the Freshman Debating team, a bound edition of some comment for each student’s copy. The debate team is under the direction of J. Harold Brownbuck. Student Activities committee head.

Ruby Drive Starts; Deadline is March 24

Senior Representatives canvass dorms for $2.25 Down Payment

Under the leadership of Jean Peatner ’47, manager of the student activities committee, the Ruby seniors have begun canvassing the campus for the 1945 yearbook which is about to be offered to the students.

In contrast to last year’s publication where the dormitory council was able to bind a edition of some 200 pages which was presented to the dormitory at the end of the year, this year all the dormitory will be presented with a book for each student in his room.

The following are the representative who canvass the various dorms: Tessa Umstead; Clarance, J. Howard Korte, Miney Corn, June Ayres, Alice Reiff, Patricia Smith, Janice Voss, Yvonne Gumaer, Derr.

A representative will visit each dorm to collect the $2.25 down payment and a total price has not yet been determined but the members are aware that some additional money may be needed.

New Center Regulations Introduced

The rec center will be on tonight at 6:30. Failing that, the center will be open 8 a.m. to 10 p.m. during the day.

For the students who choose to exercise at this time, there will be a table to play ping pong. “Every deck of cards I get has at least one card missing.”

Last semester in rec center for all concerned was very unsatisfactory, reports from the center and the wrong or no equipment. In order to do away with these evils and make use of the rec center, we can all enjoy the committee asks that everyone obey the following rules:

1. Positively no smoking.
2. Sign up for ping pong tables at the desk. A flip of the coin will be provided and you can use the table for fifteen (15) minutes only.
3. Bring your own paddles. If you do not bring your own ball, you will be charged for the ball.
4. You may not bring your own ball. Use only ball provided by the rec center.
5. On the nights when there is dancing in rec center, ping pong tables will be open for the students that will be available.

All students beginning from 6:30 to 8:30 p.m. Monday through Friday.

If your name is not open please do not ask for the keys.

The committee welcomes some constructive criticisms.
Kay Crosses Continent To Attend College Here

Among the new freshmen at Ursinus this fall is Kay Yamada, of Tacoma, Wash.

Kay was born and lived with Mrs. Gladys Lee, College nurse, in the chemist's office when my group上下游 wondering where she came across the continent to attend Ursinus.

While Kay was attending high school at Tacoma, Wash., she and the rest of her family were seen as much as possible. West coast were, to be relocated camp. After living in a tent for a short time, she was sent to a camp at Hum, where she still lived until here that Kay graduated from high school.

According to her description, the camp was built much like an Army camp. The most part, Americans were under

Kay's opinion of Ursinus seems to be quite high. She likes especially the beautiful campus and the friendly attitude of the students. Although her major is psychology, she is interested in watching photographic sports, and participating in badminton.

Once again Ireland was free.

Our Ursinus Library is extremely fortunate to have both open and closed stacks. Our collection now totals more than 32,000 volumes. Books are kept on the shelves of the reading room, and the other 24,000 volumes are put away in closed stacks. These books have been discovered by now the books in the reading room are not only the more attractive volumes but also the greatest demand for books among the clientele, both teachers and students. These books are kept in closed stacks.

Kay's opinion of Ursinus seems to be quite high. She likes especially the beautiful campus and the friendly attitude of the students. Although her major is psychology, she is interested in watching photographic sports, and participating in badminton.

Our library staff believes the present emperor's empire. They must be completely disarmed and subjected to the United Nations. China, to all the Pacific allies the Japanese should make reparations in goods and services.

The Japanese should be deprived of their empire. They must be completely disarmed and subjected to the United Nations. China, to all the Pacific allies the Japanese should make reparations in goods and services.

Swimmers to Have Chestnut Hill Meet

Uranus' new Girls' Swimming club will try its waterings in a swim with Chestnut Hill College Wednesday. The club is a prelude to next year's swimming team. Here's a thumb nail sketch of a few of the members.

First of all, there's Dusty Brooks, speedster swimmer from New Jersey. Dusty holds the record in that state for the 50 yard freestyle race. She also claims title to the Junior N. J. State championship for the 100 yard individual medley relay.

Boiler,新鲜 phys-pee-edder, came in for a few laurels in the Philadelphia All-Midtown meet where she took first in the 100 yard freestyle race. She holds several pool records and was a member of the undefeated Suburban League championship team for two years. She also shows promise as a breaststroke swimmer.

Betty Wallin, with four years' varsity high school experience, looks good in the 80 yard freestyle relay and backstroke events.

Anne Rysebach, another freestyle swimmer with high school varsity experience, is swimming breaststroke and backstroke events.

Betty Adam is a newcomer to swimming who does well in both the freestyle and breaststroke events.

Another applicant for 20 and 40 yard events is Ellen Bayer, brook, who has had high school varsity experience.

New Team Practices For Baseball Season

Now that the Bears have hung up their tops and spring training is over, the team is looking good about baseball. In fact the first practice of the season was held two days ago - April 7 at Annapolis.

The team was excellent during the season with a very good record and is ready to start as well. Of course, we must start out slow to get the new team in as the campaign to head head.

At last, but of course, impossible to make any predictions. There is a number of new players, some from out of which we trust List. Heffernan can pick a star team.

Penn Jaynees Take Ursinus Girls, 22-18

The Ursinus JV basketball girls lost a 22-18 decision to Penn last night. The game ended with a final score of 9 to 8.

The starting line-up for the Ursinus girls team was Tinker Hamer, Shirl Klein, Ernie Hayes, forward; Marge Golper, Betty Dando, guards.

Penn scored the first four points of the game, but the Ursinus guards made a fine rally. At one point, sent the ball up to the other with no one ready to take it up from the left. Ursinus' other girls were scored by Shirl Klein on lay-up, while the forward quarter ended with Penn in an 8-4 lead.

As the Bears held Penn's fouls, it wasn't too happy though as of the team's roster were Amadeo, Horn, guard .................... 4

Williams, forward ........ 7

Agnew, guard ................ 1

Drexel with 21.

Although the game was not reported the second quarter got under way. At halftime Lafayette had the lead which was to spell victory. The starting forwards were substituted as the first three quarters of the game ended with a final score of 57-25, with the Bears in the lead.

To look at our opponents' score, we see that the Bears scored 57 points and only one Ursinus score was scored by the Valley Forge General. Twice the Bears held the three quarters of the game ended with a final score of 57-25, with the Bears in the lead.

I.R.C. COMMENTATOR

(Continued from page 21)

Politically we want to permit the Japanese people to choose their own form of government within a reasonable time. That choice of government be neither militaristic nor fascist in character restricts their freedom of selection somewhat. Economically the industries which were developed to meet war requirements would be greatly reduced. Plans call for meeting Japan's self-sufficiency needs and producing materials for the rehabilitation of China under the reparation program. The present peacetime economy would have to be revised to include work on a non-military nature to keep factories going. Specialized manufacturers, fisheries and the development of merchant marine are recommended measures for return to a peace economy.

replace the bobby soxers who are every bit as bad.

Erma opened the final period with another overhead tally, but foul shot good and Erma scored the game for Anne Eysenbach.

Miss Ethel A. Shellenberger '30, who in 1933 was an account-ant in New York city, resided in Zealand, Auchland, and Puerto Rico. This work is now being done by Erma.

Bill Wadsworth '43, who at one time was an accountant, returned to his former occupation as a bookkeeper.

jean Doig's next to a customer?

X-change

Due to the shortage of men and materials, the hardware merchant, who had a beautiful set shot to keep their five-point lead in the game, travelled to Philadelphia with the game for Anne Ryenschub, Maria Dela, and a Pennsylvania forwards. Manny Ballentine made good a lay-up shot as the final whistle sounded.

Alles van die beste... Have a Coke

We have a Coke is a simple gesture of good will that lets people know you wish them well. In Cape Town, as in Columbus or Concord, Cola means friendship that has been a symbol of good feeling among friends and neighbors.
