The Least We Can Do

Yesterday I heard another of our fellow students shut down over Germany and later I got to thinking about the war effort?" Maybe a lot of you are in the same boat.

Opportunities for taking an active part in the war effort don't come too often here at Ursinus. However, we're not so far behind the times; we're not so much out of step as you might think. The campus, the country, the world is ready to do its bit at any time. The war isn't over yet, and our bit is only beginning.

Complete Your College Education

We're all looking forward to our education. Unfortunately, many students seem to be too preoccupied with what they're going to do in the war. They think that college is a waste of time and money in the face of the war. But that's not true. College is one of the most important things you can do to help in the war effort. It's not just a matter of getting a job after graduation, but of preparing yourself to be a productive member of society.

The Polish Question: Can it be Solved?

One of the chief issues of the war was the question of Poland. After the war, the Polish issue was re-examined, and it is now generally agreed that the Polish nation should be left in its former status, with a government of its own. This is the solution that was adopted by the Polish people, and it was accepted by the Allies.

Connell Pitches Shut-Out Against Mules; Bears Score Nine Runs on Eleven Hits

Bloomburg Whips Ball Team 10-1 Here

Ursinus lost its fourth baseball game here on Thursday to Bloomburg by a score of 10 to 1. This was sweet revenge for the teachers who were dominated by the Bears in all other sports this past year.

Scoring six runs in the second inning, Bloomburg never was extended. In the fifth inning however, Ursinus did manage to load the bases but could score only one run. This came when Bob Gray walked a fly to force the Bears.

$36,000,000 WORTH OF HAY?

Ordinarily, $36,000,000 isn't hay in any man's language. But this time, it represents the "hay" a lot of smart Americans are about to rake in while the sun was shining. Before the war. Yes, In March, 1935, these shrewd investors bought up $37,000,000 worth of U.S. Government "Baby Bonds ... the same bonds that grew up into War Bonds the day the Japs took a poke at Pearl Harbor.

And today, they're collecting $36,000,000...which is $4 for every $3 they laid on the line 10 years ago!

We mention this just to show you that when your government needs funds, it's not a matter of "saving" money. We mean exactly that.

All of which makes it mighty worthy while for you to hang onto the War Bonds you already have until they mature. And to grab as many more War Bonds as you can possibly afford to buy!

You'll be doing your fighting men a favor, to be sure. But the biggest favor is the one you'll be doing yourself in the pleasant days yet to come!
Gobs Sport Civies For Bowery Dance

In the pretzel and beer (root) atmosphere which pervaded the gym Friday night danced a large group of "civilians" and other students. The plaid shirts and dungarees which Navy men were permitted to wear for the occasion were in keeping with the "Bowery" theme.

Dorothy Dez '47, and Ray Furtle '47, V-12, were co-chairmen of the dance. Nancy J. Tolcott '47, was in charge of decorations and Roberta Blanch '47, planned the entertainment.

No place like home...Have a Coke

...a swing session at our house

A good way to put Welcome on the mat at your house is to have ice-cold Coca-Cola in the refrigerator. Have a Coke isn't naturally means Be one of our gang or You're like one of the family. Whenever young folks meet for a song fest, chin fest or swing session, ice-cold Coca-Cola is their symbol of companionship.

College Chapter Gets Red Cross Charter

Mr. William Leop, assistant manager of the southeastern Pennsylvania district of the Red Cross, presented the Ursinus College chapter to Madelyn Jankel '46, last Monday evening in Bomberger.

Mr. Leop, in his address stated that Ursinus had one of the seven campus units of the Red Cross in this district. In discussing the functions of the organization, Mr. Leop said as that a service unit, it could be divided into two parts: first, the home training branch, which will benefit the individual himself; second, the volunteer service corps which enables the individual to render service to others.

"It is your organization," stated Mr. Leop, "and you can make of it what you will."

The chairman of the Collegeville unit, Mr. J. Howard Fuentermacher, thanked the students for cooperating with the local unit in the past and extended his best wishes to the Ursinus college unit.

Madelyn Jankel '46, is assisted by Kathleen Sinclair '46, co-chairman and Sally Debler '46, secretary-treasurer.

There are many more Long Distance calls than before the war and more are in a hurry.

But service keeps on being good for most people, most of the time.

Some lines, however, are carrying an extra heavy load and sometimes all lights are lit on a switchboard. Then the operator will ask your help by saying — "Please limit your call to 5 minutes."
