Sororities Choose Officers for ‘45-’46

The five sororities on campus elected candidates for the upcoming year at a meeting held last week.

At an informal meeting in the form of a dodge game, Alpha Delta Pi, Gamma Phi Beta, Kappa Alpha, Sigma Chi, and Phi Mu were represented by three members each, with the officers of these sororities elected for the upcoming year.

Alumni to lead Baccalaureate; Doctor to Speak at Graduation

Rev. J.H.A. Bomberger ’17, to be Guest Speaker on June 24

Rev. John H. A. Bomberger, rector of the Holy Angels Church, will be the principal speaker at the baccalaureate sermon on Sunday, June 24, at 10:45 a.m. in Bomberger chapel.

A graduate of Ursinus College, class of 1917, he is the grandson of the late Father Edward T. H. Bomberger, president of the college for 34 years, and the father of Nancy G. Bomberger, class of 1946.

A member of the class of 1917, he is also a member of the Upsilon Nu chapter of the Ursinus alumni association. He will be graduated from the college in the same class as his father, and he is a graduate of the Ursinus College school of theology.

Mr. Bomberger has been associated with the Ursinus College community for many years, and he has been a member of the board of trustees and the Alumni Association. He has served as the president of the Alumni Association for several years.

Guests Bows Lead Church Discussions

That the social order should be redefined to include all human beings, men being made for the social order, was the theme of the last meeting of the Ursinus College alumni association.

Montgomery Hawke, who is president of the Ursinus College alumni association, and Dr. Edward W. Rhoads, who is a member of the Ursinus College faculty, led the discussion.

First, if men are but machines, then why not discard them when they are no longer useful? If man is defined as an animal, then it follows that he is not a social being.

Active in sports, he helped coach Franklin Football in 1931, and was one of the first to play basketball, and was later to be the head basketball coach.

Monsignor Hawkes, Catholic; Dr. Edward W. Rhoads, Protestant; Dr. Wei Tao-ming, the eminent pathologist, will attend as a group in caps and gowns.

Bond Drive Needs $105 to Reach Goal

The tinny horn blasts of the pick-up truck were heard by the Ursinus College community last week, as the bond drive reached its goal of $105,000.

The drive was conducted by the Ursinus College Student Council, and was made possible by the contributions of the students, faculty, and alumni.

Dr. E. Collins, John W. Collins, John Hayes, E. Boyer, John J. Adams, S. E. Boyer, John J. McFarland, and Kenneth K. McFarland, as their president. D. J. Smith, A. Reinhart, Jr., Edward W. Rhoads, and Huffman, were the members of the executive committee.

On Griping, the American Privilege

It has been said that it is every American’s privilege to gripe—gripe about something—anything—but gripe. Perhaps it is his privilege, and it is a fundamental part of our American way of life. It is about existing evils, they would never be changed if everyone did not keep griping about them. The fact that this can be carried to an extreme?

In the first place, better results can be obtained by concentrating on the good points of a policy than by concentrating on its bad points. In the second place, what possible benefit can be obtained by designing castes and bitter remarks against an evil, when the evil exists?

I agree that it is, undeniably not what it should be. It is a living fact. How much more profitable it would be to carefully plan how the situation can be remedied, than to go about bringing the advantage about the changes, or at least to let the people support and aid in their attempts to do so.

The annual confusion accompanying room drawings was finally settled, only to have the light fantastic with ease resettle them. So much for the sacred portals of the Academy of Music for a concert, last Tuesday night, taken over the machine-gun staring me in the eye. Hasn’t the music been nice...

The sudden announcement of the opening of Brodbeck, Sprankle and Glenwood dormitories to all students has many times been preceded by a little well-directed praise and it is obvious that the majority of housing the rapidly increasing number of American’s famed privilege.

The Communists are conscious of this fact and are flooding our country with propaganda to confuse Americans about the true situation. This propaganda is designed to be used to prepare the American public for any invasion of the country. The Russian heads of the invasion would like...

In the case of the Japs, we swallow the lies and endorse their every movement. They traded chorus for chorus, backed by some terrific Max Roche and band, currently at the Glen Terrace. The crowd went wild as the biggest cornball of the whole great big wide United States...

Coeds Trip Penn 14-0; Erma Keyes Fans 8, Allows Three Hits

Girls softball team came closer to the end of their fifth un- defeat season on their own field last Thursday shutting out the Penn ten 14-0.

Pitcher Erma Keyes had a no-hit game up until the fifth inning when she allowed Penn's catcher, Pinkelstein, a single which sent Diamond, the short fielder, who was walked, to second. Erma then in her usual fast form struck out two batters in a row while the third grounded out to Jane Bruch. Penn's other two hits came in the seventh when Diamond and Pinkelstein singled.

Although Penn held the Ursinus girls scoreless for the first two innings, the Collegette coeds came back in the second inning to score six runs on eight hits. With two outs and one on, Pyle, Farently doubled to really start the scoring. Jane Bruch, Courtnie Richardson, Ginnie Dunl and Amy Anderson all got singles and Erma Keyes accounted for a double to bring in Ursinus scoring. Ursinus continued to score in each of the innings to follow for their total of fourteen. Ursinus had eight strikeouts to her credit and allowed only four walks while Penn's pitcher, Diet McPallin, struck out only one and a total of two batters.

Freshman Reviews Pleasures and Pains Of First Year Here

Now that our verdant green has almost changed to a brownish green and we are about to attain that high and tremendous position of being Sophomores (we hope), we, the class of '48, look back and reminisce over the trials and tribulations of our Freshman year.

Let it not be said that ours is just an ordinary class for have we not the measure of war upon our shoulders? The majority of us arrived in cars with parents, uncles, aunts, and other various and sundry relations. Our first views brought thoughts of beauty, tradition, and learning. After being left by tearful parents, we settled down to the care of the green bands and soph rules. But this along with our initial jitters and shadows, our Freshman banquet went along smoothly although the lack of men at the dance damaged our spirits considerably. But we soon found this to be a thin veneer.

Turning to the brighter aspects, we remember such pleasant experiences as shooting ourselves barefoot at basketball games and getting thoroughly wallopped in snowball fights. Spring seemed to come early, and a healthy tan was gained by most before the cold, rainy, season set in.

We shall never forget such unpleasant necessities as our History 1-3 exams, term papers, long transmissions and other assignments.

Nor shall we ever forget the thrill we received from watching our final retreat or first May Day grand.

And so, as this year draws quickly to a close, we here firmly resolve that our first year at Aurora was a very wonderful one and that the three to come shall be even better.

SECOND DECK WINS TITLE

(Continued from page 3) through "K.D.'s" boys didn't get on base, it was pretty plain that they hadn't hit by a long shot. Second deck took to the field at the start of the seventh, and went to work, eliminating in short order the first three batters. Ley started off the victory's batting spree with a three-bagger; Sam Anson hit a single, and drove in Ley, bringing the score to 7-2. A close hit was a nice one, but it landed in someone's glove, and it was up to Lambie to get on base—which he did with a neat single. Tito scored Antoon and the ball game was all tied up once again. Joel Reed increased the tension by hitting a grounder only a few feet from home plate, and the game was on. It was as if the ball never stopped, and the score was tied at 7. Antoon hit a single, and drove in Ley, bringing the score to 7-3. Lemon was out at home plate, but one was down. The next batter was Antoon again, and he hit a line drive to second. Tito then drove in Antoon. The score was now 8-3. You can see the ball game was going in the second deck's favor. Our second deck's offensive swept the other side around, and the second deck had an unassailable lead. It was now 9-3, and the second deck's boys were in the home stretch. The first deck got our second deck's hopes up, but anto hit a single, and drove in Antoon. The second deck's lead was down to 9-4. We were really hotly in the battle front. The first deck's boys didn't last, and the second deck was victorious. Much hard fighting remains in subduing the Japs and bringing this great conflict to a close.
