Local Men Ruined By Secret Weapon

by Ima Reck

Maybe you've heard about the new secret weapon being perfected right here at Ursinus. It's got a long complicated official name, so I won't go on your heads with that; however, it is known to us as P.T.

Now P.T. isn't just another secret weapon, a name for a heavy tank, or a 500 M.P.H. plane—no, really, it's just not a weapon, it is a disease.

Next, the sheep are herded into three groups: the sheep, who were treated, (Bighorn style), and both others who were left untreated.

The role of Burgomaster, to be played by the Governor of the Netherlands, will be played by a representative from the national honor society committee, William Lander '45, and the role of the ship's captain, will be played by David Braisher '12.

Patriotic Decorations Planned: Patterson's Starusters to Sing

The big social event of the spring season will be the second Navy Ball. Many has been chosen as the head of that event. It will be held Saturday night, even more momentous than its predecessor.

With Stewart Helden as chairman of the dance several departures from the usual routine of both greater and less. Outstanding among these are the banquet and entertainment planned.

Roy Simpson is banquet chairman and has announced that this feature will be held in the upper dining room at 6:30 p.m. at which time Josephine's menu will be served to all the diners. This will be followed by a period of singing by the glee club.

Rehearsals for the Victor Herbert and Henry Blossom operetta, The Red Mill, have officially put under way. Under the capable direction of Dr. Donald L. Hoffmuth and Mr. William Phillips, the floor boards of the gym are now being dusted for that not-yet-settled dust stirred.

The theme of the play centers about two penniless Americans who, ramshackle and in Holland, really become involved in a national love affair that ends quite happily and are awarded a marriage certificate to the right foot.

SAKEMOIAH HALEFF ''46, \n
A week is a short time in the life of a young girl, but a week is enough time for her to decide whether or not she will be a member of a sorority. In the end, she will be happy that she made her decision, especially if she chose the right one.

Sorority is a group of girls who come together and support each other. They do this through social activities and by helping each other in any way they can. It is a way for girls to have fun and to make new friends. It is also a way for girls to learn about themselves and what they really want.

A sorority is not just a social group, it is also an organization. It has its own rules and regulations, and it has a purpose. The purpose of a sorority is to provide its members with opportunities to grow and to learn. It is also a way for girls to get involved in their community and to make a difference.

Sororities are often thought of as being exclusive, but this is not always the case. Some sororities are open to all girls, and some are open to girls who meet certain criteria. It is important for girls to research the different sororities and to find one that is right for them.

In the end, the decision to be a member of a sorority is a personal one. It is a decision that should be made by the girl, and it is a decision that should be made based on the girl's own values and beliefs. It is important for girls to be themselves and to choose a sorority that is a good fit for them.

Sorority should not be something that is forced upon girls. It should be something that girls choose to be a part of. It should be something that girls are happy to be a part of. It should be something that girls are proud to be a part of.

Sorority is a way for girls to be a part of something bigger than themselves. It is a way for girls to make a difference. It is a way for girls to learn and to grow. It is a way for girls to have fun and to make new friends. It is a way for girls to be a part of something meaningful.
Co-ed Tennis Team Defeated, 3-2; Garnet Ends Ursinus’ Winning Streak

The Ursinus co-ed tennis team received their first setback in four years when they were defeated by the Swarthmore raquet-wielders on Friday 5-3. After a week of uncertainty the traveler visited Swarth- more to take on the ladies who seem to be a jinx to their belles.

The rest of the schedule will be completed next week.

Highland-Glenwood Lead in Softball

The intramural girls’ softball schedule was interrupted by the rain and fog this week and of the eight games scheduled only two have been played.

The Highland-Glenwood combination seems to be in the lead as far as they’ve won two games. Their first victim was the Roberson 6-12 set-up whom they defeated 15-9.

Next, they met Sherman and easily swamped them by a score of 23-8. This Highland-Glenwood team, which consisted almost entirely of freshmen, showed a great deal of enthusiasm and spirit, which made them a hard team to defeat.

Several streaks were kept hot on Saturday at Villanova and one of them, the Flowers, won their fifth straight. Shegda and Schmidt, whom they defeated 3-2, are tied for second place.

The Ursinus A.B. team, which has had backhand shots for a score of seven consecutive games, won their ninth straight game with a score of 6-0 on Saturday. The Swarthmore opponent, whom she defeated 6-4, 6-2, placed backhand shots.
