Johnson, Pancato, Address Assembley Of Men Students

At the first meeting of the Men's Student Assembly, held last month, President Heflerich, president of the Student Association of Properties, and Or- pher Torbert, dean of men for the second floor dormitories. Dr. Pfahler, the head of the Science Department, gave the address and spoke of the importance of the department's contributions to the college.

Pfahler Hall of Science To Be Named At Founders' Day Exercises Tomorrow

Dr. Coolidge of General Electric To Deliver Main Address

Tomorrow afternoon at 3:00 p.m., the University will hold the annual Founders' Day exercises in honor of the late President, Dr. Coolidge. Dr. Coolidge, who served as president of the University from 1916 to 1942, will address the students and faculty. The exercises will begin with a family meal, followed by an address from the headmaster, Dr. Pfahler, and will conclude with a reception for visitors in the foyer of the Founders' Hall.

Committee To Pick Curtain Club Play

The Curtain Club held its first meeting last Wednesday evening in the home of Mr. and Mrs. Pfahler, 912 N. 8th Street. The club, which was founded in 1916, has been active in the community for over 100 years. The first meeting of the club this year will be held on Thursday evening at the home of Mr. and Mrs. Pfahler.

Carter Represents Ursinus Debaters At 20th Convocation

Professor Harvey L. Carter, who was elected to the University of Pennsylvania and more prominent men to be named at the 1917 Founders' Day exercises, has been named as the new president of the club. The association chose only one delegate from each group, but the membership has increased to over 500 members.

Dr. Pfahler Holds Coveted Positions In Field of X-ray

George Edward Pfahler, world-renowned authority and pioneer in the field of radium and X-ray, was elected president of the Pennsylvania Association for 1917. Dr. Pfahler, who attended the University of Pennsylvania, was the first president of the American Association for Radiology and Electrotherapy. His ability, achievement, and merit have won him numerous honors and awards.

Prominent Men To Be Present

Harvey Clayton Bentley, director of research in the lamp division of the Westinghouse Electric and Manufacturing Company, will be present at the Founders' Day exercises. He will deliver the address of the evening, and the Rev. Rex Stowers, pastor of the Presbyterian Church, will be the host for the ceremonies.

Member of Intercollegiate Newspaper of the
service of mankind - service through science.

Through the efforts of science that man has pushed the walls of ignorance and superstition to create the comfort in which we live it. It has been through the efforts of science that man has waraged war with disease, from the merest disservice of man and scien-
tists have always been in the first line of offense for us.

Postwar economic and social planning is
more than an object of the differers or the
nations of the world—
and the part of science—its continued service.
That's the dedication which will really be made
in the future.

Girls Hockey Team Will Open Season At Chestnut Hill

On October 23, the girls hockey team meets Chestnut Hill for the season opener. Chestnut Hill is a tough team to beat, but the Bears are confident they can pull it off.

F and M. on the rebound from a game against Juniata, will give Ursinus three periods to get over.

If student support doesn't come through, neither will the team!

Anyone who doesn't have the decency and the respect to help the Bear football team honor Bob Tredinnick on Friday night, ought to be ashamed to have his face on campus.

It brings back the old faith in college fellows, when they get together, you know why a guy football sweater after a bad game, knowing they blew away him.

Both touchdowns against the Bruins came on the identical pass play, downed by a pass interference.

Freshmen Bain, Fuller and Schmitt delivered the goods against Swarthmore.

Joe Michaels, triple-threat Drexel, had eight of nine points against Juniata.

Bitossi, another classy Drexel back, received a possible neck fracture.

It was Car DeLong's initial victory as new coach at Swarthmore.

Muhlenberg has proved it has plenty on the ball when it knocked off a veteran Gettysburg squad 14 to 14. Both will be tough to beat.

Paced by Bud Basick and Pete Gouley, the Bears are getting along in a hurry.

The Mules passed and ran their way to the surprise victory.

Albright moved out F. and M. to 6 to 0.

Juniata took the measure of Drexel 13 to 9.

The girls have decided to hire binary bugs, so fluffy, it doesn't alert the diners.

Their spirit makes the fellows look feeble.

D'ya know how the football team dropped a close 13-9 decision to Albright nosed out F. and M. 6.

Inspiring the team to get revenge be shifted to that position from Albright.

The Bear blocking, faulty Ursinus pass defensiveness, plus some other factors will be the deciding factor in the success of the game.

Having already started the season with one defeat, the Bears are anxious to win.

The Ursinus Bears will travel to Temple, away.

The coeds are so anxious to play the game.

Fall Tennis Tournament To Start This Week

The popular game room in Bom- bett celebrates its 30th birthday this week.

Mr. Bailey, faculty supervisor, along with other faculty and staff, will be present.

The hallways and classrooms will be decorated with games and activities.

The games will continue until early December.

Rules of practices and schedules will be posted on the bulletin board. Activities will get under way shortly.

Ursinus to Meet F. and M., Juniata

The Ursinus Bears will travel to Lancaster Saturday to meet the Diplomats of Franklin and Mar- shall in the opening regular season game of the 1942 season.

The Bears are 6-0-0 on the season.

=?-Bears Lose to Swarthmore In Opening Practice Game

Andy Bain Runs Intercepted Pass for only Ursinus Touchdown As Spiritless Bruins Bow 13-6 to Little Quakers

It was the same Ursinus story on Saturday when the Bears came with Swarthmore on the disadvantage end of a 13-6 count. The Bruins just had too much speed, too much skill, and the old do-or-die contest our boys the win.

Playing with a distinct weight disadvantage, the Swarts- more backs took the opening kick-off and drove 70 yards to pay dirt but were stopped just short of the goal line.

From there on, the Bears were masterful in the pass end in the nose netted the score. Scoring in the half on the same pass play, the white-clad Swartsmores led 13-6 at the midway point.

Bears Come To Life After a seven tongue-lashing by Coach Pete Stevens, the Bears did a little life during the last Ursinus still holds over a period on a pass interception by Andy Bain, Athletics director, scoring the Little Quaker attack.

Stewards' passing and kicking, poor Bear blocking, faulty Ursinus pass defensiveness, plus some other factors will be the deciding factor in the success of the game.

Having already started the season with one defeat, the Bears are anxious to win.

The Ursinus Bears will travel to Temple, away.

The coeds are so anxious to play the game.

Swartley sets October 23 as final lantern deadline

Carol Swartley, editor of The Lantern, set October 23 as the final deadline for articles and cartoons. Freshmen and sophomores, as well as members of The Lantern staff, will give their creative writing abilities a final polish.

All articles submitted, which may include short stories, original articles, and reviews, will be given careful consideration by the members of The Lantern staff before publication. Material should be typewritten or carbon copied. Carol Swartley, or to Blaine Fister '44, 612 Main St., is the proper place for sending manuscripts.

The subscription campaign for the sale of The Lantern will begin starting soon, with prices set at 50 cents per copy, 5 dollars per semester, and 10 dollars per year. Three copies of The Lantern will be mailed at this rate.

Roger Blazer '44, was elected to The Lantern staff to represent the freshmen. He is a junior history major and is planning to complete his collegiate work this summer.

Among Our Alumni

The wedding of Gracemary Greene '42, to C. Kenneth Snyder '33, was held in the First Presbyterian Church, Atlantic City, N. J.

Evelyn Dornbach '42, is teaching English at Baltimore High School, Baltimore, Md.

Elizabeth Daley '42, is also teaching English in the high school at Hartford. She is the wife of Elva Jane Cunningham '42, is teaching mathematics in the筮nal high school.

Cpl. Albert Grant ex '43, is now serving in the Technical Training Course at Camp Davis, N. C.

The engagement of Joyce Lawler '43, to Frank D. Owen, was announced on November 26, at 3:00 p.m., in the First Presbyterian Church, Atlantic City, N. J.

The marriage of Dorothy Harriet Chamberlin '43, to Frank D. Owen, took place on November 26, at 3:00 p.m., in the First Presbyterian Church, Atlantic City, N. J.

Harvey Clayton Rentchler, a member of the physics department of Ursinus, is now teaching physics at Anacostia, Washington, D. C.

Cadet Joseph W. Glass '43, is a member of the United States Coast Guard training flight unit at Anacostia, Washington, D. C.

CARTER

(Ordered from page 11)

Zelio, of Penn State, executive secretary.

d to date no definite plans for in­
tercollegiate debates have been made by either the men's or the women's clubs, but both organiza­
tions are hoping to solve the trans­
portation problem which at the present time stands as an obstacle to schedule-making.

The Women's Debating Society will meet this evening at 8 p. m., at the home of Dr. Elizabeth B. White, Ninth Avenue, to discuss this problem.

The Men's Debating Society will meet next Monday at 8 p. m., in the Freeland reception room to arrange a tentative schedule and to admit new members. Applica­
tions for admittance to the club are asked to be sent in five minutes on a subject of their own choosing. These talks will be heard by members of the club and election to it will be based on the applicant's skill in argument and delivery.
