Curiously enough Republicans appear to have united in supporting Talbot for Governor. Yet certain Republican leaders in all seven counties say that they will support Hoxie. The conservative element, which is the strongest among the Republicans, seems to be against Talbot for Governor. The entire issue is that of the franchise, which is not to be discussed in any other county but Montgomery.

"It will be hard to prove," they say, "that the man has been defeated in his own fight. It is only necessary for him to say he was defeated, and to get at the franchise issue all his followers will flock to his standard. The issue upon which he is elected is the franchise and the issue on which he is defeated is the franchise. Therefore it is impracticable for him to prove he was defeated."

Military Education.

The M. S. A. of the Senior Citizen's Home in Collegeville, under the present direction of Mr. M. E. Williams, is making arrangements for a military education for the young people of our community. The program has been adopted and the department is to be open for the fall term on September 1st.

"We have a number of boys who are interested in military education and who wish to take advantage of the opportunities of this department. We hope to have a large enrollment this fall." Mr. Williams said.

A New Railway.

A new railway is being built through the town of Collegeville. The road will be built by the Pennsylvania Railroad Company and it is expected to be completed by the end of the year.

"The railway will go through the town and will connect with the main line of the railroad at Collegeville," said Mr. Williams.

"It will be a great improvement for the town and will provide better transportation for the people of the community."

A New Drug Store.

A new drug store is being built in Collegeville by Mr. E. L. Markley. The store will be located at the corner of Main and Market Streets.

"It will be a large and well-equipped store," said Mr. Markley. "We plan to carry a full line of drugs and groceries and will be open from 9 a.m. to 6 p.m. daily."

"We are looking forward to a prosperous business and hope to serve the people of Collegeville and the surrounding area."

HAPPINESS OF LIFE ON THE FARM, FIELD AND FIRESIDE.

A prosperous and intelligent farmer who is one of the 72,000 subscribers to the "Farm, Field and Fireside," has said of it: "I have found it a valuable and practical newspaper. I have read every number from the first, and have never missed a single one. It is the only journal that I read." This is but one of the many testimonials that have been received by the INDEPENDENT.
