Sen. Davis Says New Deal Exaggerates Foreign Affairs

By Elwood Holler '43

The Administration has allowed wide discretion to the diplomats in their negotiations, instead of concentrating on unemployment, it has uncurled Deal's carpet on the world. The critics charge that the New Deal is the program of the Allies.

The Foreign Affairs Committee recently approved the resolution of Representative Fred C. Van Nuys (D-Calif), calling for the United States to join the International Labor Organization. The resolution was passed by a vote of 248 to 11, with 35 abstentions.

The resolution would make it easier for labor organizations to join the ILO, and would extend the coverage of the ILO to include all members of the United Nations. The resolution also calls for the United States to contribute $1 million to the ILO's operating expenses.

The resolution was introduced by Representative Van Nuys, a strong supporter of the New Deal. He is a member of the ILO Committee, and has been closely involved in the negotiations between the United States and the ILO.

The resolution has been endorsed by the AFL-CIO, the National Association of Manufacturers, and the National Farmers Union. However, it has been opposed by the American Legion, the National Association of Independent Business, and the National Taxpayers Union.

The resolution is expected to be debated in the House of Representatives this week.

RESULTSHOW THATURSINUSIS ARE STRONG ISOLATIONISTS, REPUBLICANS, AND CRITICS OF FIRST LADY

By Ethel Reiman '41

Every Ursinusian has a chance to vote for his choice for the next president of the United States, and the election last Wednesday in Bomberger was a turning point. In addition, the majority of the students and faculty would like to see victorious in the national elections, it provided those under twenty-one an opportunity to more than just talk about the election.

A number of persons seemed surprised, and even a trifle dismayed, to discover that they couldn't get out of the polling place by merely placing an x on a sheet of paper; but they were requested to answer a series of questions in the bargain. There were quite a few others, however, who seemed to enjoy answering the questions, judging by the content that was put into it.

This election put a climax to the period of political activity on campus, and students were called to rally their forces for the election by holding meetings last Wednesday.

Anonynous Philanthropist Gives Books to Senior Classmen

Copies of Mr. Charles Steedman

MacFarland's autobiography, "A Life," have been awarded to all members of the Senior Classmen. This book is non-political andphilanthropist and liberal. President Norman E. McClure announced today that each member of the Senior Class may obtain a copy at Mrs. H. Finkbein's office in the Science Building.

The donor selected the book "because it is a source of inspira-

tion for young men" and "because Dr. MacFarland is an outstanding person." The Senior Classmen were not asked to make the book available for others.

Wendell Willkie, the Republican candidate, came from anti-third-termers. The strong support for the Willkie came from personally admiring him.

Most voters felt that a wide choice was given them, and Roosevelt in their political think-

ing. The vote seemed to be between Willkie and Roosevelt as to whether both candidates are acceptable.

Probably the most unusual an-

swers came in comments on the election result.

Panel Talks on Conscription Held before Women Debaters

Selective service was the subject of a panel discussion held at the last meeting of the Women's Debating Club on Monday at Shreiner Hall. The meeting was well attended.

Dorothy Durat '42, who had a short account of the conscription has played in the world's history from Napoleon's time until the present day, spoke first. She explained the machinery used in the present conscription. She also mentioned the fact that Roosevelt had taken up the question of extending the conscription to women.

Dr. Elizabeth White, sponsor of women's debates at Grinnell, attended the meeting and made some queries concerning possible effects of the conscription. She asked Dr. White what she thought that because of present conditions men should not be allowed to vote in the elections.

"The topic for the next meeting is a debate on the question of 'Are men fit for the war?'. Members will consider the problem of what can be done during peace as well as during actual war."

Activities Meeting Postponed

Dr. J. Harold Brownback to
talk on "The function of the Council on Student Activity." The meeting was to have been held at 7:30 p.m. in Room 5, Monday, November 11, at the same time and place.

The postponement was made at the suggestion of students' plans for the election holiday.
On the Special! (Continued from page 1)
many the program he offered suggested a mere perfecting of the loose ends of the New Deal by 1939.

The Willkie special took to the rails, whistling the cry of the “American Crusade”. And then Wendell Willkie lost his voice, as well as his head, unfortunately retrieving to date only his voice. To re-
place the courage and horse sense which characterized his pre-campaign life, the challenger added to the Willkie trainload the strong can be

Intramurals

By James Zieler '43

Because of bad weather, the tennis tournament has not progressed much further. However, Mr. Bailey defeated Harry Bernhart 6-4, 6-3, and Lenny Earl beat Mr. Miller 6-4, 6-2. To enter the quarter-finals, Earl meets "Rure" Huckle, and Mr. Bailey's next opponent is John Bishop.

Freeland is still "tops" in the intramural football league with Redstock close on its heels. Both teams have maintained unbeaten records.

Last week's Curtis-Derr game which Derr protested was brought before the Intramural council and it was decided that the game was to be replayed, providing it will determine a play-off berth for the other team.

The leading scorer of the season is Bob McFarland of Day study. His total for the season is 204 turns. Of Bob McFarland, and John Rorer, of Freeeland, each have 18.

Tuesday Curtis-Day game will probably be postponed to give the "Democratic Curtis gang" a chance to listen to the election returns.

Coach Henry Bream

Looking for their second conference win of the season, the Gettysburg "Bullets" under the tutelage of Coach Henry Bream will invade Patterson Field this Saturday to struggle with the rapidly improving Grizzlies of Coach Don Kellett.

The game will be the main feature of the annual Old Timers' Day celebration. In the morning, the G-burg boosters, sporting one of their best teams in years, will tangle with the Bear soccer team on Price Field to round out the day's events.

CUBS PROVE 14 POINTS TOO MUCH FOR DREXEL

With a hard-hitting, fast-stopping offense, the Jayvee team outdistanced the Drexel Understudies defense almost at will to take an easy 14-0 victory on Patterson Field last Thursday.

Coach Donald G. Baker's sophomore finally received the victory they have been waiting for in recent soccer games. They defeated Swarthmore at home by a score of 2-1 on Saturday.

In the first half of the game, John Cornely scored at the end of a well-coordinated Bear drive. Early in the second half "Spark Plug" Adams connected after some clever Ursinus cross-passing which left the Garnets helpless.

Swarthmore threatened the Bears several times but a score came to them only once. Despite a late a chance in Bear defense territory.

Wednesday the Bears meet West Chester, while Saturday the Old Timers' game with G-burg will complete the home games schedule.

Hockey Team Fails To Break Swarthmore Record; Bowls 2-0

Despite Goalie Mary Robbins of the Ursinus hockey squad, who refused to play last week, a highly rated Swarthmore team, Coach Snell's hockey tries fell, 2-0, in the game last Wednesday at Swarthmore.

Not until the last minute of play in the first half did Molly Bielecki, Garnet right inside, lead the entire Swarthmore team in a coordinated rush on the Ursinus goal.

Again in the third quarter Ann Price, center forward on the Bears defeated the Cane by a score of 4-1.

In recent laboratory tests, CAMELS burned 25% slower than the average of the 13 other of the largest brands tested - slower than any of them. That means, on the average, a smoking plus equal to 5 EXTRA SMOKES PER PACK!

The vacation season is coming in small snatches. Saturday the grid- ders had a chance to pay their way into a football game. Tuesday everybody but the voters will get a chance to see how the game Monday looks like a football holiday.

Maybe it's a bit early to say, but one can't blame us for being optimistic. Look at Willkie, F.D.R., and the Greeks.

One of our three feminine readers almost tore out what hair we have left for calling Perry Beck, the big punk from Muhlenberg, a punk. Okay, girls, we take it all back.

Even if the football team was enjoying a brief vacation the school enjoyed a profitable week with the Bakermen, and Sibb's gang.

If the Bear jump on the victory trail, the Old Timers' Dance should be a stamping success. If not, John will be handing out those consolation prizes.

Best Bets of the Week:

Crimson over Gettysburg
Minnesota to knock off Michigan
Swarthmore over Drexel

F. and M. to top N. Y. U.

Average: Right-4; Wrong-2; PC-590.

Swarthmore team scored. In the fourth period the Garnets made several threats against the Swarthmore line, but were finally forced to bow to their more powerful opponents who have lost only one game in the last five years.

The Ursinus second team bowed to Swarthmore 4-1. "Mid" Hal- bronge '44, scored the Garnets goal and, with Judy Ludwig, player a brilliant game.

The women of Lynnewood Hall entertained the students at an informal party on Wednesday evening, October 31. The committee who attended were: Miss Camilla B. Stahl, Miss Eleanor Beall, Miss Eugene E. Shelley, Miss Lynn- ald Reber, Mrs. O. Sherie Fran- cooss, Miss Mary Clark, Mr. and Mrs. Franklin J. Scudder, Dr. J. Lyon Barnard, Dr. Jesse R. Heiser, Dr. Reynold A. Sabbad, and Dr. Calvin D. Yost, Jr.

Ferrero held a Hallowe'en party on Monday evening, October 28. Hazel Jean Drumheller '43, and Peggy Brown '43, were guests at the party.

On the same evening, South Hall gave its annual Hallowe'en party. Marion Grov '44, was a guest for the evening's fun.

The Perkerson Branch of the American Association of University Women will meet in Bomberger Hall on Wednesday evening, November 4. The subject: "How can the A.A.U.W. serve today?" will be discussed by Mrs. L. A. Jones, director of North Atlantic section.

The Ursinus Circle will hold its monthly meeting in Rec Center on Thursday evening, November 7. Miss N. B. Smith and Helen M. Moll will be the hostesses.

The securities on campus are making plans for their Old Timer's Day luncheons on Saturday, November 9. Kappa Delta Rho Sorority will hold its luncheon at

BOX-HOCKEY TOURNAMENT FOR REC CENTER

Have you ever played box-hockey? If you have, you’ll remember how much fun it was. If not, it’s time to start playing in the tournament to be played in Rec Center.

Anyone and everyone may enter. You don’t need to be a skilled player. In fact you may never have held a hockey stick before, but you’re still eligible.

The prize is something every college student will always want. It’s on display now in the trophy case in the Science Building. If you wish to sign up for the tournament, you must register either Wednesday or Thursday at the Rec Center.

Founder’s Daughter Gives

Bushes for Bomberger Site

The two boxwood bushes which were recently planted near the main entrance to Bomberger Hall, have been pre- sented to the college by Mrs. Francis C. Yost, of Philadelphia, in memory of the Class of 1876, of which her husband, the late Rev. Francis C. Yost, D.D., was a member. Mrs. Yost is the only living child of the founder and first president of Ursinus, Rev. J. H. Bohrer, D.D., LL.D.

1876 was the fourth class to be graduated from Ursinus and consisted of nine men. Six became ministers, two were teachers, and one, the late F. D. Clark, became a prominent lawyer and banker and served as treasurer of the Col- lege. Rev. A. B. Maltby, Ph.D., retired Lutheran minister, of Collegeville, is the only sur- viving member of this class and he is also the oldest living gradu­ ate of the College in point of graduation.
