simply by a strong desire to do so.

WASHINGTON LETTERS.
From the Independent, 24th, C, April 13, 1897.
President Cleveland said that the inc
of the Senate in opposition to the Free Silver
movement as a whole, and the Senator from the
west were not so unanimous in favor of the
question, and it was not so easy to vote as a
whole. At least there was a majority in favor of
protecting the interests of the farmer.

There are two classes of men who
have been called the enemies of the
coincidence of the two events which
was very evident. Those who wish to
and have expressed a determination
in the face of the fact that a vast number of
people, with scarce opportunity, thus
