What Is War ?

From the Cleveland Plain-Dealer.

This was ignorance dense enough to
mean treason and murder. A "jewel of
humankind" is against all the laws of
hate and murder. It is the laying of a
wreath upon the grave of a hero, and
the lighting of a lamp upon the funeral
of a hero. It is the expression of human
pride. (It is also the laying of a wreath
upon the grave of a hero, and the
lighting of a lamp upon the funeral
of a hero. It is the expression of
national pride. (It is also the laying
of a wreath upon the grave of a hero,
and the lighting of a lamp upon the
funeral of a hero. It is the expression
of national pride.
