ONCE A GREEN BAND, ALWAYS A GREEN BAND

 Tradition is still tradition, green belts are too good for the year-
ly meeting of the Student Council.

Students were asked to vote on the question of whether the freshmen girls should this year be allowed to wear green belts instead of the permanent green bandanna, the sophomore and senior male women turned in a large majority forbidding the innovation. The larger portion of the emblem of submission must be turned over to Augustus Co., the only place where every freshman coed.

The meeting was conducted on Thursday afternoon by the W. S. W. of the Methodist Episcopal Church. The group consists of 200 members. Last September, a show of the week the enrollment was completed. Further details on this year's show will be available in next week's issue of the Weekly. Indications are that the new students admitted this year, although somewhat less in number than last year's group, the goal set for the current term will be reached.

Sophomores Are Better Crop Than Ever Before, Says Stevens

On September 24th, the football squad reported to coaches McAvoy and Stevens. By today the entire squad is expected to be up to a total of thirty gridders with all of them in prime physical condition.

The Grizzlies open their campaign against Bucknell's Bison Friday evening. It is their only encounter of the week since they have been scheduled for a two-week break until October 23rd.

If several of the backfield men return, Coach McAvoy has decided to shuffle the lineup to throw a variety of problems at the opposition. As a result, the entire backfield will be made up of sophomores.

The true backfield,--Smith, Power, Vaccaro, and Gurzynski--are being intersquad affair, passing drills.

Jersey Steamroller who is generally conceded to remind us of Ray Mccord, of power, Genisler, is big, speedy, and of proven ability.

Co-Ed Tennis Ace Continues

to Gain Widener Court Renown

Madge "Bunny" Harshaw '40, Ursinus' widely known tennis ace, got back into the tennis court on the campus with a summer behind her, in which she practiced with accomplishments on the court.

Throughout the summer she has been gaining honors in the tennis world. Toward the end of the last school year she accepted an invitation to play in the elimination round of a regional cup team. She qualified and played on the Women's National championship team in Boston.

After this Bunny appeared in Midwinter Girls Title tennis team tournament. She won the tournament with the highest score ever held in the Science Building lobby. Last year Brodbeck ran away with the tournament; it captured fires in all the sports but scholastic."}

Ursinus 1st Test

For Bison Coach

Bears Battle Big Bison Friday in Sixth Meeting

Since 1987 the sixth meeting of Ursinus and Bucknell teams will take place Friday, October 24, at Lewisburg.

In previous encounters Bucknell has won four while one ended in a tie. Bucknell won 14-13 in 1938, three years later the teams tied 7-7. In 1939 Bucknell won 48 to 0. In 1938 the Bisons were victorious by a score of 6-0. But last year the Bucknell team won by a score of 15-6, again by a score of 6-0 victory when Captain Smith scored with two minutes to go in the last quarter.

"Hooks" Mylin, Bison coach of last year, is now at Lafayette and has been replaced by Al Humphreys, who will make his collegiate coaching debut against the Bears.

This year the outcome of the game will hinge upon the sophomores of both institutions. The Grizzlies are going for their first victory over a Bison squad, and Bucknell's gridders will try to make it a season in which they have yet to lose a game.
