Providence Independent, V. 23, Thursday, October 28, 1897, [Whole Number: 1165]

Providence Independent
The latest issue of The Providence Independent includes an article about Maurice, a character involved in a burglary and murder. The article also features a section on music, discussing the contributions of various composers such as Beethoven, Mozart, and Tennyson.
The trial of one of a sabre schuh is called into order. The case is...
In Cheshire and Wales.

Dr. Rambo is still off duty. Dr. K. A. M. Price, of Norristown, has succeeded him as temporary assistant surgeon.

Will Quack.

C. T. Quack, who for many years past has given us some of the best and most interesting written stories, will be seen at noon today (Wednesday) at the Renwick Block, where he has his studio.

Rights of Citizenship Confirmed.

The decision of the Board of Immigration has been announced that the citizens of the United States of America have the right to vote in all elections in this country, and that persons who have been naturalized in the United States have also the right to vote in all elections in this country.

Reasons for a New Trial.

Reasons for a new trial in the case of the United States v. Henry M. Smith will be given to the court at 2 o'clock this afternoon.

A Recent Wedding.

A wedding took place in the city of Philadelphia yesterday, the bride being Miss A. L. Bell, daughter of Mr. and Mrs. A. L. Bell, of this city, and the groom being Mr. W. H. Bell, of Philadelphia.

Military Wedding.

The military wedding of Mr. and Mrs. W. H. Bell was performed on Monday last at the court of the county of Philadelphia, in the presence of many of the friends of the families. The ceremony was performed by the Rev. Mr. W. H. Bell, and the bride was accompanied by her father, Mr. W. H. Bell.

ROCKS AND RIVETS.

The sale of rocks and rivets for the construction of bridges and other public works is an interesting topic. The cost of the work is usually determined by the amount of the material required, and the price of the material is determined by the quantity of the material required.

THE TRASH.

The exhibition of threshing and farming machines at the Agricultural Society's annual fair was held on Monday last, at the fair grounds, in the presence of many of the friends of the farmers. The fair was opened by the Rev. Mr. W. H. Bell, and the proceedings were conducted by the Rev. Mr. W. H. Bell.

THE CIVIL SERVICE.

At the annual meeting of the Civil Service Commission, held on Monday last, the members of the commission were elected for the ensuing year. The meeting was conducted by the Rev. Mr. W. H. Bell, and the proceedings were attended by many of the friends of the farmers.

In the past, I hope to merit the future patronage of the business.

My past experience at the business has not only shown me the necessity of working hard, but also the importance of being courteous and attentive to customers.

Painting. Special low prices during the fall and winter seasons. Book Cases, that cannot fail to attract your attention. Oak, fancy tops and plate glasses, are the rage in the market, and are well worth inspection.

SPRING BROOK STOCK FARM, COLLEGEVILLE, PA.

Your Life

As an advertising medium for those who are interested in health and hygiene, this paper is of great importance. It often appears ludicrous to many people to be warned by such a medium, but it is a fact that many lives have been saved by its use.

WILLIAM J. ROBERTS, Proprietor.

ROBERTS MACHINE COMPANY, COLLEGEVILLE, PA.

All stock on hand, including Fine Monuments and Tombstones, will be sold at a sacrifice to make room for new work.
