The Ursinus Weekly

Entered December 19, 1902, at Collegeville, Pa., as Second Class Matter, under Act of Congress of March 3, 1879.

VOL. 12. NO. 11.

COLLEGEVILLE, PA., MONDAY, DECEMBER 8, 1913.

PRICE, 5 CENTS.

URSINUS WILL HAVE BASKETBALL

Important Action Taken By Joint Meeting of Athletic and Faculty Committees.

On Saturday evening last the Athletic Committee met with a committee appointed by the Board of Directors of the College for the purpose of discussing the general athletic activities of the school and of forming plans by which our athletics might be broadened so as to include every member of the student body, as well as use our present facilities to the best possible advantage.

As an outcome of the general discussion which took place the sentiment of the body found expression in the following resolutions:

Resolved, that it is the sense of this meeting that football should be continued as a sport in the college, but that the game should be carefully guarded and players protected to the utmost degree.

Resolved, that as soon as possible such additional games as basketball, Association football, and hockey be provided so as to furnish wider and more diversified opportunity for athletic sport in order that a larger percentage of the students might enjoy the benefits acquired therefrom.

Immediate action is to be taken in preparing the cage, so that in all probability it will be fit to be used for basket ball, boxing and kindred sports by the time the students return from their Christmas vacation.

CALENDAR.

Monday, December 8, 7.30 p. m.—Historical-Political Group meeting, Freeland Hall.

Tuesday, December 9, 6.40 p. m.—Y. W. C. A., English room. 7.00 p. m.—Men's Bible Study, History room. 8.00 p. m.—Classical Group meeting, Shreiner Hall.

Wednesday, December 10, 7.00 p. m.—Y. M. C. A., English room.

Friday, December 12, 7.30 p. m.—Schaff Anniversary, Bomberger Hall.

Saturday, December 13, 3.00 p. m.—Address by the Hon. Richmond Peirson Hobson, Bomberger Hall.

Schaff Will Observe Anniversary on Friday Night.

The anniversary program of the Schaff Literary Society will be rendered in Bomberger Hall next Friday evening, December 12.

For a number of years Schaff Society has given a play for their anniversary program and this year Shakspear's Richard III will be given. The cast, which is larger than in any previous year, has been working tirelessly to bring the production to a high degree of artistic perfection. Under the coaching of Mr. J. Edward Lane, rehearsals have been held nightly for over two weeks. Arrangements have been made whereby the scenery can be easily and quickly shifted thus eliminating one of the greatest drawbacks in previous productions. No admission will be charged but a silver offering will be asked for. The program will start promptly at 7.30 o'clock and at its conclusion light refreshments will be served to all.

Arrangements are under way to have a special car run from Pottstown in order that persons wishing to attend from points between Collegeville and Pottstown need not leave before the conclusion of the program.

Ursinus Professor Submits Thesis

The Physical Review, November 1913, contains a thesis by Professor A. M. Rapp, of our Department of Physics. This is the thesis which Professor Rapp has submitted to the faculty of the University of Chicago for his degree of Ph. D.

The subject of the thesis is "The Flow of Air through Capillary Tubes." The results of previous writers in this field of physics are summarized and criticised. The experimental difficulties are explained and the great care exercised in the selection of apparatus and in the determination of data are fully described.

THE WEEKLY congratulates Professor Rapp on the completion of this original work.

The lecture under the auspices of the Historical-Political Group, which was to be held to-morrow, has been postponed until after the holidays.

The girls of Shreiner Hall entertained a number of the students on Saturday evening.

An Explanation, Correction and Conclusion.

One week ago there appeared in the columns of the WEEKLY over the signature of our new football captain, an article headed "An Answer."

The author of the article referred to holds that only one member on the athletic committee and possibly one member of the varsity eleven, were in favor of the substitution of soccer for football. The truth of the matter is that, besides the overwhelming sentiment existing among the student body and faculty against football at the time the editorial appeared, the writer has absolute proof that five of the seven members constituting the athletic committee favored the change and four members of this year's football team expressed themselves directly opposed to the game.

The argument that from a financial standpoint Ursinus could scarcely dispense with football is of course a plausible one, but as for the others, the writer fails to see their logic.

The motive for writing the editorial of November 17 was by no means one of personal feeling. The writer merely put in words the sentiment existing at that time, hoping to arouse honest and sane discussion on both sides which would ultimately make for the welfare and advancement of our college.

Hobson to Speak in Bomberger Hall.

Hon. Richmond Peirson Hobson, member of Congress from Alabama, will address a public meeting in the auditorium of Bomberger Hall on next Saturday afternoon, December 13, at 3.00 o'clock. Mr. Hobson is one of the most able lecturers on the American platform and is brought to Montgomery county by the officers of the No-License Campaign, of which Sylvester S. Marvin of Bryn Mawr is president. The students of Ursinus and the people of the community will have a chance to hear free of charge, a speaker who on the lecture platform draws crowded houses at high admission fees. It is said that on the temperance question Mr. Hobson is at his best.

CHRISTIAN BODIES ARE ACTIVE

Delegates to Student Volunteer Convention Make Reports at Joint Meeting.

The joint meeting of the Y. M. and Y. W. C. A. on Wednesday evening was devoted to the reports of the delegates to the recent Missionary Conference at Wilson College. Mr. Deininger, who was in charge of the meeting, first gave a general account of the trip, the program and speakers, and the spirit of the conference. The inspiration derived from such association with people animated by a noble life purpose is great enough, he thinks, to warrant the Associations in sending delegates to such conferences every year.

Mr. Harry gave a resume of the speech of Dr. George Jones, on Korea, and of Dr. Headland, on China.

Dr. Jones says that Korea is living under first century conditions, and the only progress made there to-day is due to the missionaries. He predicts a great future for missionary work in Korea, for her people not only take the Gospel to heart, but work out original interpretation and principles of life from it.

Dr. Headland urged the extreme importance of missions, because (1) Christ is the source of political as well as spiritual power; (2) Christian nations alone have furthered the development of science and education; (3) Christian missions are always forerunners of trade. Christianity has inestimably improved the white race, and will inestimably advance other races, if we but work toward such an end.

Mr. Singley reported on the lectures concerning the preparation of volunteers. Dr. Capen, speaking of educational preparation, said, "God works through man alone; and while He can use anyone, he wants only the best. The volunteer needs, first, a college education, to make him adaptable and capable of facing complex problems. Then he must specialize, he must know the history and customs of the country, that he may become one with its people."

Dr. Stevenson spoke on spiritual preparation. The fruits of Christianity are good works, but they

EDITORIAL

The various groups have provided for the election or appointment of house committees to look after the conduct of students in their respective dormitories.

It has taken several years to break away from the idea that the house committee is a part of a system of espionage existing at Ursinus. However, there are still some who seem to think that this committee delights in formulating rules for the purpose of showing its authority, or finds pleasure in stopping any innocent joke or extraordinary outburst of spirit resulting in more noise than necessary. Or, as some have stated it, the efforts of the house committee tend toward converting the dormitories into monasteries. These are not the purposes of the house committees.

We are aware that often in dormitory life one event leads to another, until the entire floor or building is in turmoil. If no one is authorized to use persuasive methods to quiet the fellows and to eliminate the possibility of damage to property, we can see how difficult it would be to restore order.

One will agree that such a committee is essential. What is needed to secure the proper working of this committee is the confidence of the fellows in the sincerity of the committee.

It is true that some of the members of the committees have assisted in some enterprises in previous years which they now endeavor to prevent. It should be borne in mind that they are elected or appointed through no effort of

their own, and being entrusted with the responsibility of the position they endeavor to discharge their duties regardless of past records.

Can not all of us be more liberal in our views on house committees? This is not an apology for the office, but rather an appeal to the fellows to forget the petty prejudices they may have against individual members or actions of past committees and co-operate with the committees in their buildings to bring about the greatest good for the largest number.

If you are busily engaged in battering down your neighbor's door, expectorating on the floors, throwing water or over ripe fruit about the buildings, or making enough noise to keep most of the fellows from work, do not count it as crabbedness or personal animosity if a member of the house committee requests you to cease from your activity; he is doing what others would do if they thought you would listen to them. Rather credit him with the desire to do his duty. No doubt he enjoys a joke and noise as well as the rest, and as long as your fun does not interfere with the work of the greater part of the residents he will not meddle.

If each fellow in the dormitory could realize that the members of the house committee are students having the same propensities for fun as himself, but forced by virtue of their office to regulate the conduct of others, he would abide by their requests for less hilarity when such a request is necessary, and much of the quarrels and dislikes could be eliminated from our college life.

C. F. D., '15.

Students Vote "Yes" on Athletic Constitution Amendment.

At a mass meeting held for the purpose on Monday, the proposed provision making it possible to amend the constitution of the Athletic Association was adopted. There were only six dissenting votes.

When the constitution was framed no provision was made whereby it could be amended. This was felt to be a weakness and last year an effort was made to change it, but through a misunderstanding the provision was voted down.

At the same election on Monday, managers for next year's football season were elected. Harry, this year's first assistant manager, was elected manager. Pritchard, this year's second assistant, was chosen to be first assistant, and Zeigler was selected from the Freshmen class to be second assistant.

1914 Calendars Being Distributed.
 The calendars gotten out by the Junior class made their appearance during the past week. They contain twelve cuts, among them being cuts of the new dormitories, and of the inaugural procession which took place when Dr. Omwake was inaugurated as President. The cover is red with the seal of the college and the name, Ursinus, in Old-gold and Black. The whole is bound together at the top with Red, Old-gold and Black cord. The calendar throughout is of very attractive design.

can emanate only from one who, having Christ in his heart, has trained himself in spiritual discipline. Christianity is life-giving. Does it mean enough to us to make us wish to share it?

Bible Study.

The men's Bible study class met on Tuesday evening and discussed the subject: "Christ and the Sabbath." Messrs. Derr and Thena were the leaders. The best discussion of the course thus far, followed the outline talks of the leaders.

The class will meet this week on Monday evening at the usual time and place. The subject: "The Character of Christ as an Incentive to Right Living" will be discussed.

State Basketball League Has Been Formed.

In order to develop basketball among the colleges of this state a league has been formed. The colleges represented in the league are W. and J., State, Pittsburgh, Bucknell, Susquehanna, Gettysburg, Albright, Swarthmore, Lehigh and Franklin and Marshall. In order to reduce the traveling expense of the teams three divisions have been organized: the western, composed of State, W. and J., and Pittsburgh; the central, composed of Susquehanna, Albright and Gettysburg; the eastern, composed of Swarthmore, Lehigh, and F. and M. Each team in each section will play two games with each other team of their representative sections and the championship teams of each section will play an inter-sectional tournament for the state championship. The whole arrangement will foster a keener spirit among the teams of this state and at the same time will tend to keep the players in amateur standing.

An object in the organization is to develop a spirit for basket-ball playing in all colleges of good standing in the state. In the future a college may join the league by applying to the secretary of the section in which he would logically play.

The officers of the state league are J. LeRoy Roth, Swarthmore, Chairman, and H. Rayton Smith, of State College, Secretary. The entire league is controlled by Ralph Morgan, U. of P., the inter-collegiate representative.

Rev. Howe, pastor of the Church of the Saviour at Philadelphia, visited Vogel, '15, on Saturday.

Rev. E. V. Loucks, Dean of the Allentown College for Women, was the guest of Dr. Omwake on Sunday.

SOCIETY NOTES.

Zwinglian.

On Friday a well-rendered miscellaneous program was given in Zwinglian which was much enjoyed by all present.

The following numbers were rendered: Vocal Solo, Mr. Derr; Vocal Solo, Miss Furman; Selected Reading, Mr. Schnatz; Current Events, Mr. Sturgat; Vocal Duet, Miss Snyder and Mr. Pritchard; Parliamentary Drill, Messrs. Mulford and Boyer, leaders; Essay, "English Poets and the Sea," Miss Pearson; Vocal Solo, Mr. Thena; Oration, Mr. Davidheiser; Review, Mr. Adams. Quotations were given at last roll call.

Messrs. Kaltreider, Ziegler and H. Miller were welcomed into active membership by the society.

Schaff.

A popular and current question, "Resolved, that a Policy of Intervention by the United States in the Mexican Situation is Justifiable," was debated in Schaff on Friday evening in spirited manner. Good arguments were ably brought out by the speakers. Messrs. Rutledge and Yeatts and Miss Sigafos argued for the affirmative side and won the decision of the judges. The house also favored the policy of intervention. The negative side was defended by Messrs. Kehm and Johnson and Miss Ferree.

The remainder of the program was composed of a musical trio by Misses Paul, Peters and Seiz; Cornet Solo by Mr. Hoover and an excellent Gazette by Mr. Light.

Miss Rachael Shaner, '17, and Edward Strasbaugh, '17, were welcomed by the society into active membership.

The next program will be given January 9, 1914, and will be of a miscellaneous nature.

"Keeping in Front"

You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.

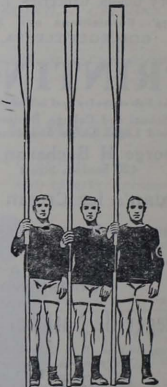

Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.

No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.

Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to their good quality—right up to where you first found them, and will always find them.

Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.
