**"That Government of the People
By the People for the People
Shall Not Perish"**

**SHALL THE PHILADELPHIA ORGANIZATION
RULE THIS STATE?**

The Philadelphia Vare Organization has for years been a byword for political corruption.

It has almost bankrupted Philadelphia, and for next year the tax rate in that city will be raised—according to the City Controller, more than 25 per cent.

In the absence of William S. Vare, Charles B. Hall dominates the Philadelphia Organization. They ran their own candidate for Governor in the Republican primary, announcing that the purpose of that candidacy was to procure a much larger share of the State's money for projects controlled by Hall, Vare and the Philadelphia Organization.

Defeated in the primary, they attempted to steal the Republican nomination. Defeated again by the Supreme Court, they now turn to a Democrat in their efforts to control the Government of this Commonwealth and the State Treasury, with its accumulating surplus.

Their excuse for bolting the head of the Republican ticket is that Gifford Pinchot is not a good enough Republican for them. Hence they urge their followers to vote for a Democrat.

**NO MAN WHO HAS BEEN A REPUBLICAN GOVERNOR OF THIS STATE
CAN BE SUCCESSFULLY CHALLENGED AS TO HIS REPUBLICANISM**

The Hall-Vare Organization has stepped out of the Republican Party into an alliance with John M. Hemphill. The particulars of the deal between the Hall-Vare Organization and Hemphill may not be known, but no informed citizen believes that Hall and Vare are for Hemphill unless Hemphill is for Hall and Vare.

For eight consecutive years, under Pinchot and Fisher, Pennsylvania has been administered honestly, efficiently and economically in the interest of all the citizens.

If Hall and the Vare Organization get control of the State, where is the money coming from to meet their promised raids upon the Treasury? It can only come from more State taxes.

There is only one safeguard for the citizens of this Commonwealth—

VOTE THE STRAIGHT REPUBLICAN TICKET

WOMAN MANAGER FACED GUN

A smiling, armed bandit obtained \$177 Friday night in a daring holdup of a woman manager of a hosiery shop in the Valley Forge Hotel building, Norristown. The man overlooked \$50 more in his hurry to leave the place. With the words "I want that money," the man pulled a revolver from his coat pocket. Mrs. Catherine Kimper, manager of the Penrose Hosiery Shop, was alone in the store at the time. She had removed money from the cash register and had just finished counting it.
