## VARSITY WINS FROM ALLENTOWN

### Ursinus Swamps the Tri-State Players, 8--1.

On Tuesday the Varsity traveled to Allentown to play against the Tri-State team of that city. Our boys were successful in defeating their opponents to the tune of 8-1.

Bedenk pitched an excellent game and he was well supported by the rest of the players. Only one error was recorded for our side and that was a minor one with no evil results.

Kennedy was the star in fielding and made several excellent stops, one being a running catch of Stutz's drive which looked good for at least two bags.

Mitterling lived up to his reputation for hard hitting when he sent three men in with a three bagger.

Although Allentown secured seven hits from Bedenk they were well scattered and the excellent team work of Ursinus prevented scoring after the third inning.

The boys stayed in Allentown over night and left the next morning for Bethlehem as they were to play Lehigh on Wednesday afternoon. Rain prevented the game. The box score follows:

## SCRUBS WIN FROM PHOENIXVILLE

### A Ninth Inning Batting Rally Puts Our Boys in the Lead.

The Ursinus Reserves won from the Phoenixville High School on Saturday by the score of 12 to 8.

The game was a close contest until the ninth inning, when the local boys began to show their ability with the stick and drove eight runs across for Ursinus. Phoenixville also scored three runs in the final inning.

Bible and Cable featured with the bat for Phoenixville.

There will be three baseball games this week. On Wednesday, Ursinus will meet her rival at Swarthmore. It is hoped that a number of rooters will accompany the team. On Friday morning the team will leave for the south, playing two games on the trip, one with Baltimore City College and the other with the strong Catholic University team at Washington. This is the first time that an Ursinus team has gone south and arrangements have been made through President Wilson's private secretary to have "the boys" entertained at the White House on Saturday morning.

The Student Senate passed the following amendment to the constitution to be voted upon by the various groups: "No student shall hold the office of senator who does not reside in the college dormitories."

## SOCIETY NOTES.

### Zwinglian.

A very interesting debate was held in Zwinglian Hall on Friday evening. The question, "Resolved, That the Monroe Doctrine Should be Abandoned," was debated affirmatively by Messrs. Kerr, Stugart and M. Yost. The negative was ably upheld by Messrs. Minich, Heller and Derr. The judges, Messrs. Pritchard and Davidheiser, and Miss Ebricht, decided in favor of the affirmative.

The following numbers succeeded the debate: Piano solo, Miss Rogers; vocal solo, Mr. Hain; oration, Mr. Robinson, read by Mr. Glendenning; Zwinglian review, Mr. Grove; critic's remarks, Miss Ebricht.

### Schaff.

A pleasing program of a miscellaneous nature was rendered in Schaff Society on Friday evening. The numbers were as follows: Recitation, Miss Detwiler; essay, "The Economic Preservation of Birds," Miss Schlichter; reading from Mark Twain, Mr. Myers; vocal solo, Miss Seiz; reading, Miss Hyde; character sketch of John R. Roth, Mr. Gebhardt; Pennsylvania German reading, Mr. Strasbaugh; vocal duet, Messrs. Small and Kilmer; book review on "The Inside of the Cup," Mr. Singley; mock senate session, Mr. Rutledge, leader; oration, Miss Ferree; Gazette, Miss Seiz.

## F. & M. LOSES TO VARSITY, 9--2

### Red, Old Gold and Black Defeat Blue and White in a Well-Fought Contest.

The Varsity defeated the Franklin & Marshall baseball team Saturday, May 18, by a score of 9 to 2. Ideal weather conditions brought out a large number of students and baseball enthusiasts.

Weller, a former student at Ursinus, was on the mound for the visitors, while Johnson pitched for the home team. Both pitchers performed well, but Johnson had the advantage in steadiness and effectiveness.

F. & M. secured their two hits in the fourth inning on two hits and an error. In the same inning Mitterling singled and Bedenk and Boyer followed with two three-base hits, scoring two runs, and tying the score. In the sixth inning Ursinus scored three runs on four successive hits, and in the eighth inning, three hits, a base on balls and an error sent over four runs.

For the visitors E. Mylin and D. Mylin played best. The entire Ursinus team played well, Boyer, Johnson and Reiff excelling at bat, closely followed by Kennedy and Bedenk.

The game was void of any haggling over decisions and clean throughout. Both teams played to win and the result was one of the best games seen on Patterson Field.

The next event which should be of interest to every student is the inter-class field day meet. This is to be held in May. This is one event of the year which can be made a spirited contest if members of all classes participate.

The Student Senate has appointed a committee to make arrangements for the day. No doubt the faculty will suspend classes for the afternoon to allow ample time for the events.

It would be an excellent plan to have a committee appointed by each class to secure contestants for all of the events as there are many students who would hesitate to come out on their own initiative.

There is one point of which the committee would do well to be mindful, and that is the securing of permission to use the athletic field for the meet. It is almost impossible to hold a successful meet on our cinder path, formally christened "the track," as those who witnessed last year's meet are aware. Instead of waiting until a day or so before the meet to ask permission from the coach, as was done last year, we think it would be better to present a request to the Athletic Committee as soon as possible so as to assure certainty.

However, the success of the meet does not depend entirely on a satisfactory field. Much depends on the preparation of the contestants. Every student should feel himself obliged to do what he can to win honor for his class. There is a place for those who will not or can not compete; this applies to

the ladies as well; let them come out and cheer the contestants that we may have some real spirit shown.

There is a silver cup on exhibition in the library on which the numerals of the present Senior class are engraved as winners of last year's meet. The cup is again to be competed for and the winning class shall have its numerals engraved thereon.

What are you going to do for your class.

\*\*\*

In a short time elections will be held for senators. Now is the time to think of candidates. Are you satisfied with the present personnel of the Senate? If not, did you help to put them in office? Instead of electing a fellow into office and then kicking about him, try the experiment of putting a fellow in office who you believe will think as you do.

The next time your group meets for election, be there. Make it your business to know who will be the best fellow before nominations are called for and then try to elect him. But if you absent yourself and the fellow is elected whom you do not like, cease from complaining and take your medicine. No doubt the Senate would do better work if you were a member.

"The Message of Spring" was the subject for discussion on Wednesday evening. Harry, '15, who led the meeting, read as a scripture lesson, the 19th Psalm.

He said, "Spring brings a message to us all. It has its special significance to people of almost any occupation. Joy is uppermost in our hearts at this time of the year and God is manifested in beautiful glory through Nature, He being omnipotent, omniscient and omnipresent. Let us lead lives in accordance with His will and by so doing influence the lives of others."

The meeting was then thrown open for discussion. Singley, Deininger and Strasbaugh spoke. The main thoughts expressed were:

Spring is a triumph of nature over winter. The Eastertide reminds us that we shall triumph over death, if we but follow Him who died for us.

We would not appreciate the springtide, as we do, were it not for the winter. Spring should mean to us a new resolve, with the aid of God, to make our lives blossom out into stalwart characters.

At a meeting of the student body of W. and J., it was unanimously decided that smoking be prohibited on the college campus during school hours.

**Wharton Hall Needs a Recre-  
 ation Room.**

An interesting and well written  
 editorial appears in the Phoenix, a  
 paper published by the students of  
 Swarthmore, under date of March  
 10th. Excerpts are printed here-  
 to show our readers that other  
 colleges are trying to meet the  
 needs of the students:

There is a deep need for some sort of  
 a common loafing room here in Old  
 Wharton \*\*\* Whenever a fellow has  
 a little time off, he has no place to go un-  
 less it be to drop in on some other fellow  
 who may be studying and monopolize  
 that student's precious time along with  
 the loafer's worthless. Then, too, the  
 dear callers from the Smokeless Wharton  
 have a peculiar habit of dropping in to  
 take their regular smoke at that very  
 time when you are busiest, burning up  
 along with their tobacco all your chances  
 of getting a B on that report. \*\*\* There  
 is a good argument against a loafing  
 room in that it would tend to encourage  
 loafing among the students, but it seems  
 that it would be better to have loafing  
 done by those who want to do it rather  
 than by the community at large.

**An Item Worth While Reading.**

There has been considerable complaining among the students regarding the cutting of the campus by their fellow students. Some have suggested action by the Student Senate to ask students to refrain from walking on our east campus.

For the benefit of those students who do not have enough spirit to set a good example of their own volition we print the following article from the laws of the senate which have been in force for nearly three years.

**ARTICLE II**—All students shall refrain from walking on the campus east of the Main avenue, except during Commencement Week.

Cut this article out and paste it on the inside of your cap, but do not lose the cap!

Please remember that the divine right of upper-classmen does not include cutting the campus. The curve is far more beautiful than the straight line and that is the reason why our walks are laid out in the present positions.

Let us all work together for a democratic spirit among ourselves where every fellow has the same privilege as his neighbor.

Work has been begun on the new concrete stadium at Princeton. The stadium and enclosed field, which will have a seating capacity of 41,000, are to be used for football and track athletics, and to be known as the Palmer Memorial Stadium. It is planned to have it completed in time for the Yale-Princeton football game next fall.

One of the features of the recent commencement exercises at the Carlisle Indian school was the preaching of the baccalaureate sermon by Rev. Henry Roe-Cloud, a full-blooded Indian clergyman of Hartford, Conn.

Penn State will probably require one year's residence as a prerequisite to participation in varsity athletics in the future. This rule has been established by the larger colleges and universities as a final proof of the squareness of their athletes.

The track team of the Louisiana State University is on strike. Lack of suitable equipment is the cause assigned, and the men say they will resume practice only when they receive their share of athletic expenditures.

Ten students of the University of Chicago were recently expelled for dishonesty in the quarterly examinations. They were tried by "the students' honor court," this being the first action by the court.
