## ZWINGLIAN ANNIVERSARY

### Annual Affairs Attracts and Pleases Large Audience

The forty-second anniversary of  
the Zwinglian Literary Society was  
held in Bomberger Memorial Hall  
Friday evening, March 29. In  
spite of the threatening weather,  
students, townspeople and alumni  
turned out in large numbers and  
filled the auditorium. The pro-  
gram began with Schubert's Mil-  
itary March, played by Miss Hain,  
'13. The invocation was given by  
Rev. W. A. Kline, Dean of the  
College. Mr. Frank Herson, chair-  
man of the anniversary committee,  
introduced the salutatory orator,  
Mr. Alvin R. Isenberg, '12, who  
used as his subject "The Trend of  
Modern Civilization." By a care-  
fully prepared argument Mr. Isen-  
berg showed that the trend was  
towards "World Peace." The sub-  
ject was well handled and delivered  
in a forceful and effective manner.

A reading by Miss Rapp, '12, en-  
titled "The New Organ" was ren-  
dered in an artistic way and was  
well received. The selection  
abounded in humor with an under-  
lying vein of serious thought. But  
for the length of her number, the  
audience would have insisted on an  
encore.

Mr. John J. Alleva, '14, accom-  
panied by Mr. Ammon G. Kersch-  
ner, '12, rendered a cornet solo,  
"Le Secret" by Hazel. Consider-  
ing the difficult selection Mr. Al-  
leva did himself justice, and was  
called on for an encore. Miss  
Deck, '12, gave the declamation  
"Perdita" by Jones in a very  
touching manner. Mr. Boyd H.  
Lamont, '13, read an essay on  
"The Immigrant Problem." The  
subject was up-to-date and the sal-  
ient points of the question were well  
developed and emphasized. The  
next number was a vocal solo by  
Mr. Ammon G. Kerschner, '12.  
Mr. Kerschner sang "Invictus" by  
Huhn in a very powerful manner  
and responded to the applause with  
a very simple and touching encore.

Mr. Walter R. Douthett, '12,  
gave the Zwinglian oration. His  
subject was "Paternalism" and he  
developed his theme very cleverly,  
contrasting the present day social  
and industrial conditions with those  
of the early days of the republic  
and pointed out the trend of mod-  
ern industry. He spoke in a logi-  
cal method, sacrificing flowery  
language for plain statements of

## URSINUS 8, LEBANON VALLEY 1

### Ursinus Opened Season, Saturday, With an Easy Victory

Before a good sized crowd and  
at a time when the elements were  
favorable to baseball, Ursinus  
opened the season of 1912, Satur-  
day afternoon, winning easily from  
Lebanon Valley by a score of 8 to  
1. For the first five innings, Bush,  
a Freshman, was in the box, and  
during that period not a man  
reached third, while Boyer pitched  
the rest of the game in an effective  
manner. The two Kichlines played  
an excellent game for Ursinus,  
Roy having a three bagger and two  
doubles to his credit and Ellwood  
finishing with a two base hit and  
two singles. Other members of  
the Ursinus team who de-  
serve mention for their work, are  
Mitterling behind the bat and  
Shellenberger at third base.

On the whole, however, Ursinus  
did not play fast ball, and as the  
game lagged on in its last few in-  
nings, it could be seen that, had  
their opponents been a more for-  
midable aggregation, the result  
might not have been attained so  
easily.

Lebanon Valley also put up a  
slow game, although its pitcher,  
Little, succeeded in making a  
credible showing and its first  
baseman, Snively, in doing good  
work on the initial bag. The  
former caught four Ursinus men  
napping at first.

Ursinus scored in the second, third,  
fourth and fifth innings. In the  
second, by hitting a single and by  
getting to third on Bush's sacrifice,  
Mitterling scored on Capt. Kich-  
line's three base hit. Kichline  
came in when West was thrown  
out at first. In the third, Thomp-  
son hit a deep drive to center for  
three bases and scored on E. Kich-  
line's single. In the fourth, R.  
Kichline and West scored. In the  
fifth three runs were netted, Shel-  
lenberger and Mitterling scoring  
on a two bagger by R. Kichline.  
The latter made the last run of the  
game.

The visitors made their only run  
in the sixth inning, when Miller  
scored on an error. In batting  
they were weak and were unable  
to find either Ursinus pitcher.

Ursinus' infield combination  
worked well. All but one of their  
chances were accepted and 11 of

promise to show up well in the  
fast company in which they will  
find themselves during the remain-  
der of the season. The box score:

### PRINCETON GAME

The game with Princeton which  
was cancelled on March 23 owing  
to unfavorable weather conditions,  
will be played this afternoon at  
Princeton.

Both teams have started the  
season well and the result of to-  
day's game is looked forward to  
with great interest. Princeton's  
line-up will be Pendleton, short-  
stop; Carter, center field; White,  
second base; Sterritt, catcher; Reed,  
right field; Worthington, third  
base; Rhoades, first base; and  
Parker, left field. Greenbaum will  
probably pitch although there is a  
possibility of either Woods, Ber-  
gen or Learbeing called on.

Luther Lauer, '10, vice-principal  
of the York County Academy,

lege.

## EDITORIAL

In a few months the college year will be ended and vacation will begin. During the summer, the college has plans to thoroughly remodel the main dormitories and bring about other necessary repairs. There are several things, however, which should be attended to at once and which will involve no great expense. A general reception room situated probably in the office quarters of the old academy should be furnished by the authorities. Such a place could be utilized to entertain visiting athletic teams and parents and friends of students during the Commencement season. The coming of spring especially emphasizes the need of such a place. At the present time the male students have no place to entertain visitors except their rooms and the campus. A covering of crushed stone on the walks would improve their condition to a great extent, and would also save the edge of the campus. The absence of a light in front of Bomberger Hall gives a gloomy appearance to the building as well as being inconvenient for persons not familiar with the walks.

We had hopes that with a change in the management of the Dining Halls, there would be a change for the better in the preparation and quality of the food. For several weeks after the opening of the second term, the meals on the whole were better but since then less care in preparation and little taste in the selection of the daily menu seems to be taken and the board is

causing much dissatisfaction among the students. We know that the student's palate is hard to please and due allowance must be made but there is no excuse for carelessness or negligence.

It is quite opportune at this time to speak of the future of Ursinus. Just as long as we dream of a gymnasium just so long will it remain a dream. Some time ago, in a bulletin issued by the College, we noticed in the financial statement one item especially. One hundred dollars appeared as a "Gymnasium Fund." For a number of years this has appeared in the financial reports of the institution. This is our message to all alumni and friends of Ursinus College. Make this one hundred dollars the nucleus of a general movement to construct and equip a gymnasium within as short a period of time as possible. It is not impossible but entirely feasible to begin the actual work during the coming summer, providing organized action on the part of alumni, students and friends of the institution is taken at once. It is not necessary to state the need for such a building. All that is necessary is that plans be made and pushed to completion.

## Y. W. C. A.

"Beauties of the Resurrection" was the topic discussed in Y. W. C. A. Tuesday evening. Miss Moser, the leader, after reviewing the incidents of the Resurrection, confined her talk to the beauty and significance of Christ's revelation of himself to Mary Magdalene. Since woman first sinned and brought death into the world, it is meet that the conqueror of sin and death should appear first to a woman; and as woman first fell through demon hatred, it seems fitting, that He who came to destroy the works of Satan should appear first to the woman whom He had freed from demon thrall-dom.

At the regular business meeting, the following officers were elected for the ensuing year: President, Miss Hain, '13; vice-President, Miss Kemmerer, '14; Secretary, Miss Sabold, '14; Treasurer, Miss Bartman, '13; Organist, Miss Snyder, '15.

In her farewell address, Miss Heebner, the outgoing President, commended the association on the excellent attendance at the weekly meetings, and on the spirit of Christian fellowship manifested by the members during the past year. In closing, Miss Heebner expressed a hope that the association might send several delegates to the summer Conference, which is to be held at Eagles' Mere, Pennsylvania.

## ELECTRICITY FOR LIGHT INEXPENSIVE

Good light lends cheer and comfort to every home and once enjoyed you will hesitate to return to the use of kerosene lamps.

As an example of what it costs we give you the average costs of lighting during the shortest days of the year. You require artificial light in the kitchen, on such days on an average of four hours, and with a 25 watt Mazda lamp you would consume 100 watts; in the dining-room the average is three hours, and with the 40 watt Mazda lamp you would consume 120 watts; in the library or sitting-room the average is 300 watts; in the bath-room you would consume 25 watts; with three sleeping rooms, and using the 25 watt Mazda lamp, and an average lighting of three hours, you would consume 75 watts; a total of 625 watts.

Our rate is 4 cents per 100 watts, with a minimum rate of \$1.50 per month, for which we allow 1500 watts. You may not require light as many hours as we have figured, and you may not use it in as many rooms as above described, but if you use it as illustrated it will cost but a fraction over 8 cents per night, and on the days when the sun rises late and sets early.

Let us help you to turn winter nights into summer evenings.

The meeting last Wednesday evening was in the form of a report given by the outgoing president, Herson, '12. He reviewed the activities of the year concisely and commented upon the various phases of the work of the association has been doing during the year.

Special features of the work were the reports of Billman, '12, and Rumbaugh, '14, delegates to the Northfield Summer Conference. The Bible study course was conducted under the inspiring leadership of Rev. D. F. Wagner and used "The Social Significance of the Teachings of Jesus" as a general text.

The mission class is under the direction of Dr. Good and is studying "The Moslem World." The lecture course conducted by Glatfelter, '12, as chairman of the committee, was one of the best ever given at Ursinus. The topics for weekly consideration were of the best and often created lively discussions while the services of the week of prayer were of the most inspiring kind. The association was fortunate in having such men as Mr. Paisley, President of the Board of Directors, Dr. Cochran, Mr. Houston, Mr. Swartz and Mr. Deer address the meetings at various times.

At a special business meeting,
