Remember Mother on Mother's Day, Sunday, May 13. We have a wide selection of candy and cards to help you to remember her.

Of course, we believe that you should not wait for the one designated day each year to do your remembering. Every day is really Mother's Day and we suggest that this Mother's Day you merely dedicate yourself to making her life a little more pleasing right straight through the year.

Thought for today: According to one female writer all men are trash. And, no doubt, that's what helps keep all of the women down in the dumps.

Over Thousand Crowd Ursinus Gym to See Film on Amish Sect

More than a thousand people saw the motion pictures on the Amish of Lancaster county as presented last Thursday night in the Thompson-Gay gymnasium at Ursinus College by Carrye and Charles Noss of Lancaster, Pa.

The pictures, probably the only motion pictures ever taken of the Amish people, portrayed typical farm activities on Lancaster county farms.

Pretzel making in a York, Pennsylvania, factory, country butchering, apple butter making, and a typical farm dinner were but a few of the colorful pictures shown. With each scene Mr. Noss made appropriate remarks. He described in detail how the "schnitz" is prepared for the apple butter, how a barn is raised in one day, and how the people raise and prepare tobacco for market.

About \$1,500 was realized for the Alumni Scholarship Fund of the college.

Christian Mothers to Meet

The hostess for the April meeting of the Christian Mothers Club was Mrs. E. Wesley Smith, Evansburg Road, Dorothy Michener, devotional chairman, presented a fine program entitled "Blessing." The business meeting and social hour followed. Others present were Viola Berkey, Margaret Bickel, Sophie Chittick, Kathleen Hoisington, Dorothy McCahan, Florence Moyer, Eleanor Obold, and Alice Schirar.

Edgar L. Longaker, "The Lanes," Collegeville R.D., receives a \$1,000 U.S. Savings Bond upon completion of 50 years with the Electric Storage Battery Co. of Philadelphia. Longaker, on the right, receives the award from the company president, S. Wyman Rolph. This year marks the 40th and 50th anniversaries, respectively, of two of Longaker's important developments for the company—the first automobile starting battery and the first submarine battery.

HOW TO BE AN ACE
on Party-Line Telephones

You'll rate tops with your party-line neighbors if you'll follow these two brief suggestions for party-line courtesy:

1. When you start to make a call and find the line in use, hang up gently and give the other person a few minutes to finish his call.
2. When, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line.

Little courtesies, yes . . . but they pay big returns in better service for everyone on the line.

SCHOOL DISTRICT OF THE TOWNSHIP OF UPPER PROVIDENCE
NOTICE TO PROPERTY OWNERS OF THE TOWNSHIP OF UPPER PROVIDENCE
The School District of the Township of Upper Providence hereby gives notice, in accordance with the provisions of the Act of Assembly approved June 25, 1947, P.L. 1145, Section 2, as amended, of its intention to adopt a resolution of the Board at its regular meeting on May 12, 1951, to assess a tax of one (1%) per cent of the consideration on the sale and transfer of real estate in said Township. Said tax to be charged against the grantor, and to be paid by the purchase of stamps to be affixed to the deed or other instrument transferring property, and cancelled by the grantor.
The reason for the imposition of the tax is to raise the funds to meet the increased expenses of the School District which otherwise would have to be raised by increasing the millage on real estate assessments in the District. The amount of revenue estimated to be derived from the tax is \$2,000.00.
Said tax to become effective thirty (30) days from the adoption of said Resolution.
