SS-Sturmbannführer Dr. Sievers
Managing Director of the Ahnenerbe
Berlin-Dahlem
Pückler Str. 16

Dear Comrade Sievers!

May I remind you once again to send me the order through the Ahnenerbe for the Atlas work. I need this document for my upcoming meeting with the President of the German Research Association to take place in the next weeks. Many thanks in advance.

With comradely Greetings and

Heil Hitler!
