

Memorandum

Re: Dowsing Rod Assessment

Based on information provided by telephone by SS-Sturmbannführer Ehlich, in the assessment sent to us on the dowsing rod question under the proposals made at the end of the assessment, the proposal on point 5 should be deleted: points 6 and 7 should remain.

Berlin on 6/12/1939

(signed) Sievers

SS-Sturmbannführer

For the accuracy:

[signature]

Mr. Professor Wimmer

With the request to attach the above memo to the position paper still located with him

Berlin on 8/3/39
