Chapel Service in Remembrance of Charles Rice

11:00am EDT Apr 30 Dean Williams and Dr. Parrillo's backyard located at 155 East Ninth Avenue

On behalf of the Chapel Staff, we invite you to join us for a special Chapel Service in remembrance of Reverend Rice.

Sunday, April 30th at 11:00 a.m.

This service will be held in **Dean Williams and Dr. Parrillo's backyard located at 155 East Ninth Avenue. The property is located directly behind Reimert**, next door to the president's home.

Reverend Rice started the tradition of holding the last Chapel Service of the spring semester in this backyard when he resided in this home, and this outdoor tradition has continued for 20 years. A graduating senior from the Chapel program delivers the sermon, and this year Reverend Rice had asked Kelly Johnson '17 to do the honors. An outdoor brunch will be served immediately following the service. All are welcome to attend!
