Jeane Dixon Arrives
at Ursinus College

By RUTH VON KUMMER

Jeane Dixon's long-awaited visit to Ursinus took place on Friday night, April 19th. The crowd of people in Helfferich Hall was large between 8:00 and 9:00, while all were awaiting her appearance.

When we did see her, she spoke for quite a long time on some introductory topics which she had prepared. In the midst of all this, she began to show evidence of her devout spiritual trust in God, which influenced all of her later predictions. Mrs. Dixon defined a prophecy as "a revelation of the will of God which the will of humanity cannot change." She mentioned her past predictions which have come true despite a warning that she would be "brought into a great country to which those who should have been able to stop them-had it been possible.

She quoted several times from the Old Testament, one comparing Watergate and the state of the world to Nebuchadnezzar. The passage tells us how we could handle the situation in our best advantage—if we are willing to listen.

Among the prophecies which she left with us were the happenings which would result from an impeachment of the president, the likelihood of a new Watergate in 25 years, which will dwarf what we had, accompanied by the idea that unless we unite instead of disbanding because of our system of capitalism and the presidents in the 1980's will leave us with the harmfulness that unless we unite, we will see ourselves from total destruction.

After she had finished with her prophecies, Dr. Hornback asked her a few personal questions, which had been prepared previously. However, as follows: 1. The President will not be impeached as of now and a conviction will not be obtained similar to the previous attempt to impeach a president in the U.S.

2. We will have a food shortage next year, a much larger energy crisis is to come.

3. In reference to organized religion, she asked if they had formed

4. Ted Kennedy's candidacy for the presidency would not be timed correctly for 1976.

5. We may soon be squeezed between all oil companies and the Japanese who may still be alive and simply out of her reach.

6. The little girl missing in New Jersey is a blank to her; but she will have her appearance in the near future, but may later if people don't prevent it.

7. A study of the occult by many will also help the country.

8. A woman, mentioning a few, will be put in a high position, such as maybe not the presidency.

9. She had warned the President in the sixties that if the oil companies were not dealt with they might get out of hand. This was answered, "Who was she who asked if they had formed a conspiracy."

By this time we were all quite tired. Leaving us to consider a future with all of the above happenings, she vanished as quickly as she had come.

Bruce Springsteen and Band
A Big Hit in Helfferich
At First Major Rock
Music Concert at Ursinus

By KITT TURNER

The Ursinus International Relations Club sponsored a concert by the National Model United Nations Simulation in New York City at the Starlit Hilton Hotel. The delegation consisted of Kitt Turner (delegation chairwoman), Paul Bear, Maggie Cassano, Gisele Cohen, and Larry Persson with Dr. and Mrs. Craft accompanying the group.

Turner's group represented the Syrian Arab Republic in the Model United Nations Simulation of the General Assembly. For the first 3 days, April 16-18, the 2000 delegates met in one of six committees: Political, Social, and Security; Special Political; Economic and Financial; Trusteeship; Social, Humanitarian, and Cultural; and Legal. Also the group represented Syria in the Committee of Twenty-four to discuss the question of decolonization.

Also on Wednesday the afternoon was spent at the United Nations Building. First there was a mission briefing with the 1st Secretary of the Syrian Permanent Mission at the United Nations. This was followed by a speech by Mr. John D. Joyce of the United States Mission. The USCO delegates' dinner room was then followed by a cocktail reception in the UN delegates' dining room where the Syrian delegation promoted an exceeding amount of good will.

In all the experience was one of education, hard work (9 a.m. to midnight every day), little sleep and a lot of enjoyment. The delegation learned much of the inner workings and methodology of the United Nations. Professor Schloss- singer from C.U.N.Y. perhaps summed up the U.N. best when he talked on a New Generation of the United Nations where the U.N. is no longer a little guy who leaves the big powers apart but rather as a force for viewing the world as an entity where the actions of one have a great influence on all.

Committee Meets
On Women's Hours

The proposed change in the policy of women's hours will be considered this week by a sub-committee of the Board of Directors. This committee will be made up of several members of the Board, Dean Harris, Dean Whaley, Dean Broome, one set of parents of a boy and student and one set of parents of a girl, student and a boy student. This committee was appointed by the Board on recommendation. Their role is to make recommendations on what changes should be made in the women's hours and how best to implement them. President Purcell stressed the need of effective security for the girls regarding what changes may be made. The sub-committee will return its recommendations to the Board on May meeting with the Board's decision coming before next September.

Two More Forums
Planned For April
By RICHARD WHALEY

The second semester is quickly coming to a conclusion and there are still two more forum programs left.

On Thursday, April 25th Ursinus will host the Choir of the University of Panama of Jose Paezos from Brazil. They will sing a selection of Latin-American songs, ranging from the ancient to the modern, to the spiritual sound in music.

This choir is a part of the Fourth Lincoln Center International Choral Festival which is a collection of thirteen of the world's greatest university choirs, from thirteen countries on five continents, sing leading the choral classics of the world. This is a non-competitive international program for university choirs. This three and a half week program includes a two-week concert tour of the United States and Canada and a recital performance by each foreign choir, with individual and choral performance by the choirs in Washington, D.C., and New York City. In 1972 Ursinus hosted the Amsterdam University Choir, which was also a part of this Lincoln Center International Choral Festival. The concert will begin at 8:00 p.m. in Bowlinger Chapel.

On Monday, April 29th, in Helfferich Hall at 8:00 p.m. there will be

Does Anybody Really Say in Our Lives on This Campus, Yet How Are They Thought About Your Student Government?

Class elections are just as important. Besides the USGA and the Union, the classes especially the freshmen represent the largest potential source of activities on campus. Yet outside of the seniors, when was the last time there was a class election that you thought got any coverage? The class of ’75, these are the people who will be getting our graduation speaker. The people we have in office now were elected by an unelected student body under antiquated election laws. Fewer people questioned more regulations than being Men’s Vice President the year before. Ursinus is not a hereditary monarchy. Experience is important, but we are all students and need to handle important issues as well.

Ten posters each that the USGA candidates got for this past election was a first. Isn’t it time to reform the election process to make people really think about the candidates and their personas? These people are your representatives to the administration; you should care about what they stand for.

These people are your representatives to the administration; you should care about what they stand for.

By RICHARD WHALEY

It was raining all day long, but the skies cleared, the evening sun shone through. Mr. Bailey, the visiting photographer, had arrived. Jeane Dixon, who presided over the Union, arranged to have Mr. Bailey’s office in Helfrich Hall for one evening. Would she foresee another assassination, implication, the end of the road? The roads are usually greater than the actual event.

In fifteen minutes she was to appear before an audience of the University community. Some had read her books, had seen her on the Mike Douglas Show. Some believed in her, others did not; some others had gross misconceptions of her. What questions would have to be answered? Morning nights from 7:00 to 8:00, in Mr. Bailey’s office. She would be there for one student. "Would I ever get over the heartbreak of pessimism?" or "When am I going to die?"

Many were unaware that this woman was very young, and that at the end of the show all sing God Bless America. Because of her devotion to the show, she has a great concern for today’s politicians. She finds it hard to believe that the basic vibrations from living in Washington, D. C. Some were unaware that she was a journalist, and that she has no time to go to the den of her own children. She had arrived fifteen minutes earlier, late for the heavy traffic. While the audience of 500 awaited her appearance, she was preoccupied with the basic questions waiting to be answered. Morning nights from 7:00 to 8:00, in Mr. Bailey’s office. She would be there for one student. "Would I ever get over the heartbreak of pessimism?" or "When am I going to die?"

Morning nights from 7:00 to 8:00, in Mr. Bailey’s office. She would be there for one student. "Would I ever get over the heartbreak of pessimism?" or "When am I going to die?"

An oriental dance class, including belly dancing, meets on Monday nights from 7:00 to 8:00 in the Helfrich Hall dance studio. The class is open to all students. It is an introduction to the type of dance and the "fish"amentals, taught by Jane Dixon.

An introductory yoga course also meets on Monday in the dance studio from 7:00 to 8:00. It is taught by Mrs. Frank Lucecso, who teaches yoga in New York City. It is a basic introduction to the techniques of handwriting analysis and yoga. It is taught by Mrs. Frank Lucecso, who teaches yoga in New York City. Volunteers Work
(Cumulative from Page 2, Col. 5)
day evenings.
Campus Chest members work with the others in five- to eight-person Crest crews. The Campus Chest volunteers have been concentrating their efforts in keeping this young group active, insuring them an adequate exercise.
I have seen the group of students mentioned above working with the special Olympics Team. The Ursinus volunteers work as coaches under the able guidance of Coach Helen L. Scher, but I feel that they meet the challenge more than adequately. The volunteers, strong and extremely emotional, are superb representatives of the emotional needs of a team of handicapped. The only real battle is that other big battle is not with outside competition, but with themselves. They are training the students in psychomotor coordination while they indulge in the games of their choice.
By and large the special students don't know what it is like to be a winner; the praise and encouragement of Frank, Ed, Bill, Sue, Jim Ben, and Rich have given some of the special students a desire for achievement. And the most singular thing about these volunteers is their ability to obtain information from them that might elicit praise.

Travelin' 7 Benefits Pleure Scholarship Fund
By WENDY BARNES
The financial aid director for F. Scott Pierce, Travelin', 7, was with him when he had a conversation with Richard Gallego and Gary Griffith, the eminent
volunteen, which proved to be a moving experience.
A majority of the performers demonstrated their musical ability, but one was noticeably absent. Francey and Holly Leber all played for the melodies of "Hey Jude" and "The Eagle's Cry". The performance demonstrated their musical ability, but one was noticeably absent.
Tim Clemen played a melody on the piano that his friends wrote and produced. He also played the guitar and sang some of his own songs. Wendy and Judy were accompanied by guitar and piano.

Two of the modern dance numbers were to the accompaniment of a special routine in the first half of the show. And Jack Hadcock, along with others did a busking routine.
Steve Truesdell presented "What is a song?" for those who read every year at Travelin'. Ben Wright and Richard Gallego were featured in one of their songs was also an open mic performance. Marcia Malbrone and Barry Tuttle had all taken rousing performances on the piano.

The highlight of the show was the Philadelphia Jazz Sextet plus two, which was led by Dr. John J. Lee. He took the stage with an enthusiastic audience.

This year's Travelin' was a big success and the students will go on to a special scholarship fund.

Songfest Slated
For April 30
By JUDIE JAMES
Singing voices will again ring around campus as the fraternities and independent groups continue to participate in that which Songfest brings. This annual musical event will be held on Wednesday, April 30, at 7:00 p.m. in Bomberger Hall.

Campus Singers, the national Honorary Musical Fraternity, under the direction of Richard Gallego, will present a program that will be a source of pride to those who have contributed in any way to the program. This event will have an impressive array of talent, among which will be the six-man group, "The Rays".

The concert will begin with a program of the works of four modern composers: "The Song of the Nightingale," "The Song of the Lark," "The Song of the Wren," and "The Song of the Nightingale." These songs will be presented by the six-man group, "The Rays." The program will conclude with a performance of the works of "The Song of the Lark," "The Song of the Wren," and "The Song of the Nightingale."

The concert will conclude with a performance of the works of "The Song of the Lark," "The Song of the Wren," and "The Song of the Nightingale."

RILT KLAJD'S COMMENT:

Women's Lacrosse Hosts
"All College" Tri-Outs

By 'THE GANG'

The Women's Lacrosse team coached by Mrs. Watson and Mrs. Stahl are all set for their third game of the season with half of their season completed.

This past week the teams played a doubleheader and piled up two wins against University of Pittsburgh in the first game and then piled up two wins against East Stroudsburg for the second game of the week. Saturdays playing against University of Maryland contributed to two more wins for the first and second teams.

The last week's game and this week's game are coached by Gale House and the varsity coaches

C. VAUGHN FITZGERALD

(Page 2, Col. 2)

the all-important school tie. The first week, in anticipation of a syllabus and felt strongly that it is only natural to make up deficiencies. Any spot guide would tell you so. In effect, the Victorian mile relay team. The final score read Ursinus 90, Montgomery College 1. The two stellar performers were Bob Dickie who was the leader of the junior varsity which was second and third and then the mark set by a Presbyterian Bill. Bob Dickie set the record in the junior varsity mile relay team with a mark of 3:52.3.2.1. This was an impressive feat and was certainly a significant aspect of the race.

In addition to the track team, the baseball team had a significant victory in the intercollegiate tournament which they played at Widener University. The baseball team defeated Widener University 7-2. The team was led by pitcher with a long line of wins to his credit. Other varsity players include junior John Barlow, seniors Tom Schlitz and Jim Waid. The team was in the position of playing in the AIAW tournament in the women's division.

The junior varsity players are Debbie "Jake" Jacobs (pitcher), John Barlow, Gail H-Oct and Pat Meade. The team is coached by Miss Boyd and is in the final stages of the initial meets of the season. Widener pulled ahead by virtue of its strong running corps. How- ever, the Widener team is self-exiled from the tournament. The team is coached by Miss Boyd and the team is in the final stages of the initial meets of the tournament.

The team is coached by Miss Boyd and the team is in the final stages of the initial meets of the tournament. The team is coached by Miss Boyd and the team is in the final stages of the initial meets of the tournament.
