THE RUBY 1963
URSINUS COLLEGE
COLLEGEVILLE, PA.
January 31 of this year Ursinus College lost its President Emeritus and one of its greatest scholars and gentlemen, Dr. Norman Egbert McClure. Dr. McClure was graduated from Ursinus with the class of 1915 and went on to earn a Master of Arts degree at Pennsylvania State University, a Doctor of Philosophy degree at the University of Pennsylvania, and honorary degrees at Pennsylvania Military College, Drexel Institute, Temple University, and Franklin and Marshall College.

In addition to his duties as president from 1936 until 1958, Dr. McClure taught courses in Shakespeare, English poetry, and the English language. He continued to teach these courses even after illness forced him to resign the presidency. His sense of humor and his love of the language and the literature were evident as he tried to imbue his students with the same deep love.

He was admired by all members of the academic community for his scholarship and ability. Anyone who knew Dr. McClure or had him as a professor recognized that here was an educator of the old school whose dignity, loyalty, and devotion were a reminder that we have lost a lovely way of looking at life in this modern, hurried world.
URSINUS IS A CENTER OF SCHOLARSHIP
AND CONVIVIALITY
THE ACADEMIC WORLD
IN MICROCOSM . . .
A DIVERSIFIED COMMUNITY
GUIDING DEVELOPMENT

TOWARD A REALIZATION OF POTENTIAL.
Dr. Donald Lawrence Helfferich, Ursinus College's eighth President, received his A.B. from Ursinus College, his L.L.B. from Yale University School of Law, and the honorary L.L.D. from Ursinus College and from Temple University. Dr. Helfferich served as Vice-President of the College from 1936 until 1958, when he became President.

A respected leader in the business community and a prominent churchman, Dr. Helfferich brings to Ursinus a breadth of practical experience and a depth of personal commitment to Christian ideals in higher education. His personal participation in and avid support of various campus activities such as dramatics and athletics testify to his sincere interest in all the aspects of college life.
VICE-PRESIDENT

Dr. James E. Wagner, Ursinus College’s new Vice-President, serves as Vice-President of the World Alliance of Reformed and Presbyterian Churches. Dr. Wagner was President of the Evangelical and Reformed Church from 1953 to 1957. From 1954 to 1961 he was a member of the Central Committee of the World Council of Churches. In 1962 Dr. Wagner represented the United Church at the Assembly of the World Council in New Delhi. Since 1950 he has been a member of the General Board of the National Council of the Churches of Christ in the USA.

A graduate of Findlay College, Ohio, and Lancaster Theological Seminary, Dr. Wagner did graduate work at Lebanon Valley College, Columbia University and Union Theological Seminary. He was ordained a minister in the Churches of God in North America in 1921 and served pastorates in Harrisburg and Lancaster before assuming the Presidency of the Evangelical and Reformed Church. Dr. Wagner also has honorary degrees from the Reformed Theological Academy of Budapest, Hungary, Chicago Theological Seminary, Ursinus College, Franklin and Marshall College, Heidelberg College and Findlay College. In 1958 the government of West Germany awarded Dr. Wagner the Knight Commander’s Cross of the Order of Merit.

As Vice-President of Ursinus College, Dr. Wagner heads the college publicity department. He has inaugurated a program that, in the words of President Helfferich, will “seek to interpret the role of the church related college to the church and the community.”

DR. JAMES E. WAGNER, D.D., LL.D., Th.D. L.H.D.
Mr. Pettit, Dean of Ursinus since 1954, is a graduate of the University of Pennsylvania. He serves the college as a professor of organic chemistry and as chief student advisor. As coordinator of academic policies, Mr. Pettit instills harmony among students, faculty and the administration.

WILLIAM S. PETTIT, M.S.

Miss Rothenberger, an Ursinus alumna, returned to the college in the capacity of Dean of Women in 1959. In her four years of association with the Class of 1963, Dean Rothenberger has combined an attitude of authority with kindness and understanding. Her interest in the students and in Ursinus College has gained her the respect of the students, as she tries to instill in the students knowledge of the art of living and of contributing positively to society.

RUTH H. ROTHENBERGER, M.A.

A graduate of the University of Maine, Mr. Whatley joined the Ursinus faculty in 1959. He serves the college in the threefold capacity of Dean of Men, football coach and physical education instructor. His concern for the students and interest in Ursinus College make him a valuable part of the administration.

RICHARD J. WHATLEY, M.S.
ADMISSIONS

Each year through the untiring efforts of Mr. Dolman and Mr. Jones, many prospective Ursinus students are interviewed. The admissions officers' performance of this task has enabled Ursinus to open its doors to the most capable students. The work of Mr. Dolman and Mr. Jones contributes much to the ideals and standards of the college.

PLACEMENT

The Placement office offers students information, counsel and service. Mr. Minnich, as director, coordinates hundreds of applications and job opportunities each year. His helpful service and guidance make him an invaluable part of the administration.

Richard T. Schellhase, Mrs. Maurice O. Bone, and Mrs. Charles D. Matern.

ALUMNI OFFICE

The Alumni Office is the sole official link between Ursinus College and her graduates. One of the main tasks of the Office is to organize the annual Loyalty Fund Campaign, which last year planned for the Capital Funds Drive. Another responsibility of the Alumni Office is the publication of the Alumni Journal which appears three times a year. The efforts of Mr. Schellhase, Secretary of the Alumni Association, and his staff have resulted in active Ursinus alumni.

STAFF

DISPENSARY—Miss Helen Moll, RN, Dr. E. H. Platte, Mrs. Verna Shushnar.

LIBRARY—Mrs. Emanuel S. Mendelson, Mrs. Roger P. Staiger, Dr. Petro Mirchuk, Dr. Calvin Yost.

TREASURER'S OFFICE—Mr. Frederick Wentz, Mr. James R. Rue, Mrs. George Petsock, Mr. Harry W. Gehman.
SECRETARIES: Mrs. W. Koffel, Mrs. P. Dreibelbis, Mrs. E. Chrisemer, Mrs. C. Donahue, Mrs. A. Lopez.

GYMNASIUM STAFF: A. Poling, B. Di Ilio, J. Harvey.
OFFICERS: Treasurer S. Miller, Vice-President M. Moser, Secretary A. Harris, President J. Gould.

In late September the Class of 1966 descended upon the Ursinus campus happily disunited. Under the careful surveillance of Indefatigable, Nebulous, Inimitable Nancy and Mr. Dingman, Sir, the frosh quickly learned the graces expected of Ursinus ladies and gentlemen and united to become the Freshman Class. Elected as its leaders were Jack Gould, Mark Moser, Anne Harris, and Sally Miller. In January the class sponsored its first Ursinus dance, “H₂O,” which was both a social and monetary success. In the spring officers of the class and Customs were elected and the “fishy frosh” were ready to take their places as “emulated sophs.”

SOPHOMORE
CLASS

OFFICERS: Treasurer H. Manser, Vice-President N. Evans, Secretary K. Dolman, President M. Kelly.
Eager to begin a new year, the Sophomore Class returned in the fall under the leadership of Mike Kelly. New ideas for the frosh, including a dance given by the sophs and a “play day,” were incorporated into a revised Customs program carried out by Nancy Fraser and Carleton Dingman. The sophomore turn-around was held in mid-winter, in the romantic atmosphere of the TG Gym—complete with an ice covered stream in the middle of the floor to carry out the “Winter Wonderland” theme. The big event of the year was the second annual Sophomore Weekend which was greatly enjoyed by a handful of people. A hayride, picnic at Montgomery County Park, and a dance at Spring Mountain House completed the activities of the sophomore year.
JUNIOR CLASS

JUNIOR CLASS

CONDUCTING THE FRESHMAN CLASS ELECTIONS AND ARRANGING FOR THEIR BANQUET WAS THE FIRST PROJECT OF THE YEAR FOR THE CLASS OF 1962—AND A PLEASANT CHANGE FROM "COUNSELORS" TO COMRADES.

OFFICERS OF THE RUBY WERE ELECTED EARLY TO GIVE THEM AMPLE TIME TO PLAN THE YEARBOOK. THE CO-EDITORS ARE CAROLINE MORETZ AND BOB GLADSTONE. THE BUSINESS MANAGERS WILL BE LINDA KACHEL AND CARL BERLINGER.

JUNIOR WEEKEND FOR 1963 BEGAN WITH THE PROM AT SUNNYBROOK. A SAMPLE HOME STRATEGICALLY PLACED AT THE ENTRANCE ENHANCED THE "TWEEN HEAVEN AND HELL" THEME. QUEEN CAROL HEBER REIGNED WITH HER COURT COMPOSED OF CAROL DE SILVA, BONNIE FISHER, NANCY HOLOCHUK, AND JOAN KLEINHOFF. CUB AND KEY MEN DAVE DI EUGENIO, GREG KERN, GEORGE RUTLEDGE, SAM STAYER, DON STOCK, LARRY WORTH, AND FRED YOCUM WERE TAPPED.

SATURDAY AFTERNOON THE CLASS SPONSORED A CONCERT BY THE RETURNING INNKEEPERS.

YM—YWCA

The YM-YWCA has a twofold purpose at Ursinus. First, it seeks to deepen the spiritual life of the campus community, and secondly, to provide opportunities for students to express themselves in a meaningful and relevant manner. Formally, the Y exists to make available to all students a Christian program, including worship, the study of our contemporary culture in light of the Christian faith, and social action growing out of that faith. In addition, the Y is responsible for a great many of the social activities, including outings, forums, and retreats, which play a large part in campus life. The Y is also vitally concerned with the moral consciousness of the students. The YM-YWCA, then, is not simply a religious group, but plays a more active and diverse part in secular affairs of the campus than many students realize.

YM-YWCA PRESIDENTS: Stephen Wurster, Lois Hartzell.

MEN'S STUDENT GOVERNMENT

The Men's Student Government Association, comprised of elected representatives from each class, promotes the organization of the male student body. The Council selects proctors, awards concessions and strives for the improvement of campus life. In a judiciary capacity the MSGA reviews disciplinary cases. This year the Council has been instrumental in the construction of an outdoor basketball court behind the stadium. The President is Charlie Haeussner; Vice-President, Dave Kohr; and Secretary-Treasurer, Fred Powers.

To help the freshmen men become orientated to campus life, "Mr. Dingman, Sir," and his Soph Rulers conducted a successful Customs Program for two weeks in the fall. Features of the program included: a campus clean-up day, serenading the women in the new dorms, learning football cheers and the Campus Song and dink-tipping and bowing, of course!

The WSGA Council, as the executive arm of the Women's Student Government Association, makes, revises and enforces regulations concerning women students. In addition, the Council sponsors important campus activities including the Women's Christmas Banquet, The Big-Little Sister Program and the annual Spring Festival. In cooperation with the MSGA, the Council each year presents the Lorelei Dance. The Customs and Junior Advisory programs are also conducted through the Council.

The Women's Customs Program, organized by "Indefatigable, Nebulous, Inimitable Nancy" Frazer and her committee, lasted for two weeks and was highlighted by visits from the Soph Rulers, Dink Day, Game Day and Animal Day. The freshmen women wore the traditional dinks, name tags, signs and red and gold socks. They learned school cheers, their class song and the Campus Song. At the end of this period of initiation into Ursinus life, the women of 1966 lost the title of "Frosh" and were awarded the title of "Freshmen" at the Annual Frosh-Soph Picnic.
Each women's dormitory and the Day Study elect representatives to the Senate, which is the legislative branch of the Women's Student Government Association. Meeting monthly, the Senate considers problems which arise within the dormitories and on campus, and it recommends needed revisions in the student government programs and policies. Sally Andrews, WSGA President, presided over the meetings and Dean Rothenberger provided liaison with the faculty and administration.

The chief purpose of the Junior Advisory Committee is to orient the freshmen women. The Junior Advisors met the new students before classes began in the fall and helped answer questions which arose about rules, customs and traditions at Ursinus. The Junior-Frosh Breakfast let members of the sister classes get acquainted. At the traditional Color Day Program sponsored by the Junior Advisors, the freshmen women learned the significance of the Red, Old Gold and Black, and were officially welcomed as members of the Ursinus community.

The Hall Board is composed of the Presidents of each of the 10 dormitories for women. Through their Presidents news from the WSGA Council is transmitted to Ursinus women in the dormitories. The Hall Board also serves on the Judiciary Council of the WSGA.

The Inter-Sorority Council is a group composed of the presidents and vice-presidents of the five sororities on campus. The duties of the council include organizing the rushing parties and helping to plan for IF-IS Weekend. Matters relating to all of the sororities are discussed in an effort to foster cooperation and understanding between the groups.

HOMECOMING

COLOR GUARD: H. Miido, B. Theisz, A. Messig, B. Shearer, J. Schwarz, K. Rodenhausen, M. Murphy, G. Folwell.

The Ursinus Bears completed a disappointing season in 1962, winning only two of their seven games, and finishing eighth in the Southern Division of the Middle Atlantic Conference. However, the two games which they managed to win were the big ones! Ursinus College beat Johns Hopkins 20-12 on Parents' Day, then on Homecoming Day dumped heavily favored Swarthmore 14-8.

Although the team as a whole did not prosper in 1962, the Bears were not lacking in individual talent. Junior Dave DiEugenio made the first string MAC Southern College Division Team as a guard. Hard-charging fullback Ron Ritz, in addition to being the fifth leading rusher in the MAC with an average of 3.4 yards per carry, was named to the second string MAC team. Ron Emmert led the MAC in passing with 526 yards and was second in total offense with 553 yards. Bill Degenhardt, a junior halfback, was first in pass receiving with 30 catches, good for 365 yards and one touchdown.

The record does not tell the whole story. Injuries were a major handicap throughout the season. Coach Whatley and his team are looking to the 1963 season with determination and hope for an improved record. A 500 season is just around the corner!
Christensen makes it tough for a Hopkins ball carrier.

Quinn puts his toe into one.

\]

“If only I had a bench!”

“Ouch!”
“Over here we are, Coach!”

Emmert gets good protection!

Tony cuts hard to the inside!

Almost doesn’t count.
Ursinus College's soccer team, suffering from a lack of depth and offensive "punch," nevertheless, led by senior co-captains Phil and George Brackin, posted a respectable record of four wins against six losses and one tie.

Bright spots on the field for the Bears were Cliff Kuhn, a senior goalie, and Pete Dunn, a sophomore forward. Both Cliff and Pete earned berths on the second string MAC Southern Division Team.

Coach Donald Baker is looking forward to a strong season next year, but will miss his graduating seniors: Phil Brackin, George Brackin, Chris Fuges, Denny Krauss, Roger Browne, Dave Allen, Enos Russell, Cliff Kuhn and Bill Pratt.
Joe Brackin slides after his man.

Too cold for shorts.

"How do I look fellas?"

Fuges feeds a pass to the inside.

"You're supposed to kick the ball, not me!"
How do you wrap up the 1963 hockey season? Get a team with aggressiveness, team work, and determination. The varsity team came through with a well deserved undefeated log for Coach Eleanor Snell. Combined defensive and attacking talents out-witted the most hopeful opponents.

Ursinus was proud to place eight players on the All-College teams. Sue Day, Lee Spahr, Judy Smiley, and Sue Andres achieved first team laurels. Second berth winners were Judy Tignor, Sue Honeysett, and Sally Murphy. June Ritting copped honors on the third team. Many went on to represent Philadelphia at the national tournament in Ohio. Seniors Sue Andres, Sally Andrews, Judy Tignor, and manager Pauline Cassel will be missed in the fall.
Sue Day gets “on the stick” as she smashes another UC goal.

Spectators look over the team in pre-game warm ups.

Goalie Sally Murphy readies for a practice attack.

The chase is on for Lee Spahr to halt a possible threat to an undefeated record.

FALL - OLD FRIENDSHIPS
NEW FRESHMEN ...
NEW CHALLENGES.
WINTER
The 1963 edition of the Ursinus College basketball team was led by Captain Walt Dryfoos. Although it was not Walt’s best season in four years with the Bears, he did well enough to make the Second Team All Middle Atlantic Conference Southern Division Team, average 19.4 points per game, maintain a 47.5 per cent field goal average, score 39 points in a single game against Philadelphia Pharmacy, score 330 points for the season and boost his all-time Ursinus scoring record to 1328 points—certainly a commendable record.

The team record was disappointing (won 4—lost 13). Except for Dryfoos the team suffered from a lack of experience and aggressiveness. The Bears averaged 59.8 points per game compared to the oppositions’ 71.0 game average; they were outscored in total points 1015 to 1205. Primarily because of Dryfoos the team led its opposition in rebounds per game 48.7 to 46.3. Another bright spot on Coach Fry’s roster was freshman Barry Troster who scored 175 points in 16 games for a 10.9 point per game average.

**RECORD**

Hofmann dribbles to his left.

Dryfoos up for a "jumper."

Korenkiewicz on a fancy maneuver.

"Watch out, ref!"

Walt on way to three point play.

Dryfoos high in the air for two.

Another two points.

JUNIOR VARSITY TEAM—Coach R. Handwerk, T. Binckley, W. Kulesh, S. Toombs, J. Sales, M. Stevens, Captain R. Sovizal, Manager J. Wert.
Under the leadership of their new coach, Bob McCreary, the wrestling team posted a respectable record of 4 wins, 4 losses and 1 tie. The most reliable performer this year, and for the past four years, was senior, Captain Dick Dean. Dick regained the Middle Atlantic Conference 147 pound title, which had eluded him since his freshman year. The most amazing aspect of this feat was that he pinned sophomore Walt Reichert of P.M.C. in the final round in 5 minutes and 8 seconds. Dick wrestled Walt during the regular season and had only decisioned him 2-1. Obviously, Dick performs better under the pressure of competition—a sign of a good athlete.

The team, thanks to Dean (15 points) and 167 pound freshman Frank Videon (5 points), scored 20 points in the Middle Atlantics, which placed it in a tie for seventh place. Frank, despite his ailing back, staged a courageous performance and placed fourth in the 167 pound class. He should be a bright spot in Ursinus' wrestling future. Another Freshman stand out was 130 pounder Ken Dean who posted a 7 win and 2 loss record this season. Although Ken met with misfortune in the MAC Championships, he is certain to improve with experience.

WRESTLING

Dreyling tries for a take-down.

Dean at the Middle Atlantics.

Ken Dean works on his man.

Reds and the team look on.

Karen Kohn is ready to make another basket.

Speedy Judy Smiley moves down court.

It's "a great Day" on the court as Sue solos for a beautiful two pointer.

Ursinus comes through with a fancy tap off.

It's about that big jump, Karen.
The 1963 swimming team was one of the strongest in the history of the college, with a four win, one loss, and two tie record. The biggest achievement of the year was the deadlocked meet with the University of Pennsylvania water crew. The only setback was a loss to the swimmers of West Chester.

Captain Sue Honeysett, Sherry Clinchard, and freshman Carol Aldinger formed the backbone of the varsity squad. The team ended eighth in the Inter-Collegiate competition at Penn with Sue, Sherry, and the freestyle medley team placing.

The Ursinus diving trio, B. Kleinginna, B. Fisher, and J. Kleinhoff at the meet with Penn.
The badminton team fell into a drastic slump during the '63 season and barely eked out a 2-4 record. Coach Phoebe Harris has her fingers crossed for a more successful racket season next year. The only varsity senior to be lost is Sue Andres.

VARSITY TEAM: K. Steele, M. Hall, Captain S. Andres, G. Gross, S. Murphy, G. Collins.

Ginny at practice.
The Ursinus Weekly is the sole means of communication between three campus elements—students, faculty and administration. Written and edited by students, it is published a minimum of twenty-two times a year.

Editorials discuss significant issues which affect the college as a whole. News coverage ranges from important stories, such as the building program, to Greek Gleanings. Perceptive and critical feature topics range from campus incidents to faculty interviews. Accounts of men's and women's sports are augmented by Pressbox commentaries. In short, the Weekly is a journal of life at Ursinus.
ALPHA PHI OMEGA

Alpha Phi Omega is a national service fraternity composed of college men who have been previously affiliated with the Scouting movement. Mr. David Hudnut is the advisor. The purpose of the fraternity is to develop leadership, promote friendship and provide service to humanity. In addition to assisting campus organizations, Alpha Phi Omega conducts elections, tours and registration.

THE LANTERN

E. Russell, E. Pollock, M. Boris, Editor P. Vennema.

The Lantern is the student literary publication which is put out twice a year and distributed at no charge to the student body. This year’s staff included the editor Pete Vennema, cover editor Mike Boris, assistant editors Pam Milner, Steve Dearsley, and Woody Pollock, and voluntary contributors.
PSEA

The Pennsylvania State Education Association is composed of all students who plan to teach after college. Panel discussions and guest speakers are presented on topics of current interest. Orientation is also provided which is not acquired in education courses.

ENGLISH CLUB

Once a month students interested in literature meet informally as the English Club at the home of Dr. Yost. Discussion topics range from Jane Austen to John Updike, while occasional play readings and poetry recordings add variety and interest to the meetings.
This year the Beardwood Chemical Society's calendar was filled with visiting lecturers, a field trip to the Smith, Kline, and French Laboratories, and a banquet. The organization sponsored the chemistry reading room and provided chemical handbooks and laboratory aprons for students. Sponsored by Dr. Roger P. Staiger, the Ursinus group is affiliated with the American Chemical Society.

The largest professional organization on campus, the Brownback-Anders Pre-Medical Society helps interest students in medicine and the allied fields. Guest speakers, medical and biological specialists, address the society at bimonthly meetings at which time students are given opportunities to inquire about all aspects of a medical career. This year members of the society attended the Annual Pre-Medical Symposium at Temple University. At student tutoring group was also established in cooperation with the Beardwood Chemical Society.

**BEARDWOOD CHEMICAL SOCIETY**

**BROWNBACK-ANDERS PREMEDICAL SOCIETY**
DEBATE CLUB

The Debating Club had an active year, competing in debates in Philadelphia, New York, and Annapolis. In the team's most successful single debate in five years, Ursinus defeated Middlebury College by a 45 to 37 score.

GERMAN CLUB

Designed to acquaint students with German culture, the programs of the German Club, advised by Dr. Hartzell, reveal various aspects of German life, art and music. Highlights of the year included a talk on Berlin by Grace Folwell and Dean Rothenberger, the traditional Christmas caroling and a German songfest. The club also attended German church services in Norristown.

CHESS TEAM

The Chess Club, under the direction of Dr. Manning, met every week. Ursinus was represented at the US Intercollegiate Championship by the four man team pictured and proved to be among the country's top ten collegiate chess powers. The team later defeated the Schuylkill Valley Chess Club and participated in matches with local teams.

G. Pihl gren, Team Captain L. Snyder, Advisor Dr. Manning, President W. Bateman, R. Johnson.
YOUNG REPUBLICANS

An active political group on campus, affiliated with the Montgomery County Organization, the Young Republicans worked at the polls in the fall for what was a successful election. At their monthly meetings, speakers, including Congressman Richard Schweiker, County Chairman James Slaudinger, and Collegeville Mayor and Ursinus professor G. Sieber Pancoast, gave their views on current political problems.

YOUNG DEMOCRATS

The Young Democrats campaigned for Dr. Zucker and other Democratic candidates this fall. They also sponsored guest speakers throughout the year. The Young Democrats climaxed the year with an annual spring banquet held with other campus political organizations.

ICG

To acquaint students with the functions of the governmental system is the purpose of the Intercollegiate Conference on Government. The State Executive Director is Pennsylvania's Secretary of Internal Affairs, Genevieve Blatt. The Ursinus chapter is a member of the Southeast Region of the Conference and this year hosted the regional convention. Ursinus members also took part in the regional workshop at Villanova where Dr. Kershner and advisor Dr. Zucker led a discussion in the state constitutional revision. In April, the Ursinus group sent a full delegation to the state convention.
BIBLE STUDY

The purpose of this fellowship is to seek a personal faith and to deepen and strengthen the spiritual life of its members by the study of the Bible and prayer. In addition to weekly Bible studies, the group has special speakers and films.

CHI ALPHA

Members of Chi Alpha are students interested in Christian service. The society holds discussions on relevant topics and hears speakers from area seminaries, churches and institutions.

IRC

The International Relations Club keeps Ursinus students abreast of world affairs through its programs of lectures and discussions about specific world situations. The group provides a forum for interested students and tries to develop an understanding of peoples that comes with an awareness of their individual problems.
CANTERBURY CLUB

The national organization for Episcopalian students is the Canterbury Club which keeps students in touch with the church through meetings and guest speakers, an annual banquet, and services of Holy Communion. The Club's advisor is Rev. Edward Platts.

PSYCHOLOGY CLUB

The constitution of the Psychology Club was approved by the Student Activities Committee last spring. This past fall the first officers were elected. The purpose of the club is to encourage an interest in psychology and to allow student and faculty members of the department to get together outside of class. The first guest speaker was Dr. James Barbash, an Ursinus graduate who is now head of psychological services at Eastern State Penitentiary.
The Stuics is an eating club for 15 junior and senior men which was organized in 1955. Monthly luncheons are held with faculty guests to help foster closer relationships between the students and faculty.

The Spirit Committee is dedicated to the fostering of school spirit and the support of athletic teams. The committee includes the cheerleaders, holds pep rallies, sells pep tags, decorates the football stands, and sponsors the trophy for Homecoming dorm decorations.
MATHEMATICS CLUB

Under the auspices of the Mathematics Department, the Math Club meets to explore subjects of interest not covered in the general curriculum. In addition to student-conducted meetings, local businessmen and industrialists speak to the club on the operative values of mathematics.

K. Luck, G. Roberts, D. Wilson, President D. Dean, D. Schultz, B. Zimmer.

BUSINESS CLUB

A new organization on campus, the Business Club is composed of economics and business administration majors. The club introduces its members to the professional side of business through lectures by local business leaders and field trips to leading industries in the area. The keynote of the club is the role of the individual in industry. By maintaining a catalogued library with the Placement Office, the club can help students secure summer and permanent employment.
MESSIAH CHORUS
The annual presentation of Handel's *The Messiah* is one of the most memorable events on the Ursinus campus. More than two hundred students are directly involved in its production, and alumni and friends return each year, drawn by the richness and force of Dr. William F. Philip's interpretation of the great oratorio.

December 6, 1962, marked the twenty-fifth annual performance of *Messiah* at Ursinus. A few more than usual worries were encountered this year when the alto soloist developed a throat ailment two days before the performance. Dr. Philip went to New York for auditions, and Miss Violet Serwin joined Miss Jeannine Krader, Mr. Frederick Meyer, and Mr. Gene Boucher as a soloist. The chorus presented Dr. Philip with a silver baton to commemorate his twenty-fifth performance. A recording of the *Messiah*, with the signatures of the chorus members, was presented to Mrs. John F. Kennedy in Washington by Dr. Philip, Stephen Wurster, president of the music clubs, and Robert Livingston, student conductor.

CHRISTMAS –

and Caroling
LORELEI

The Lorelei, Ursinus' annual turnabout dance, was this year, as always, the best attended of the Sunnybrook dances. The attraction of corsages and dinners off campus was more than the men could resist.

The dance, which is sponsored by the student government associations, was preceded by several sorority dinners. The highlight of the dance itself was the crowning by Mrs. Donald Helfferich of the senior co-kings, George and Phil Brackin, who were elected to this position by the women on campus. The Whitians also presented their six newly admitted junior members: Barbara Greim, Mary Ann Haas, Patti Hill, Joan Kleinhoff, Jackie Kroschwitz and Arlene Vogel.
The Campus Chest is a student conducted and supported organization which once a year raises money for charities. The recipients of this year's proceeds were: World University Service; St. Gabriel's Hall, a protectory for boys; Royer-Greaves Home for retarded blind children; the Norristown Adult Training Center.

A goal of $2000 was established to be reached during the two week period. The money raising activities included the Student-Faculty Show, Faculty Bike Race, Faculty-Girls Basketball, Penny Mile, and sorority shoe shines, pretzels and sweets sales, auctions, and food concessions. Due to an obvious lack of support by certain organizations, the annual Uglymen contests and auctions were not held.

SPRING FEVER . . .

RELAXATION . . .
REVELATION
Last year's conference champions, the Ursinus baseball team, coached by Dr. Pancoast, this year placed third in the southern division with a 9-4 conference record and a 9-7 season. Good additions to the team were pitchers Troster and Geesaman and catcher whiz Jim Egolf. The biggest problem this season was batting, with the team average only at .212. The loss of Degenhardt and Schaal's injury were also felt.

Captain Barrie Williamson led the team and league with 14 runs, 20 hits, in RBI's, and a .377 batting average. For the second year Barrie was the conference's most valuable player. Bill Graver, last year on the first MAC team, made second team this year with John Weaver. Honorable mention went to Dick Geesaman and Butch Hofmann.

The team is looking forward to regaining its title in the spring, but it will have big spots to fill with the losses of Williamson, Graver, Weaver, and Roberts from the roster.
Coach Pancoast maps out his strategy.

Bill Graver connects with another.

Everyone is out for a busy practice.

Dr. Helfferich temporarily joins the opposition.
The bench waits for its turn.

Barrie Williamson at work toward his .377 average.

Freshman star Jim Egolf behind the mask.
The 1963 track and field team commenced on an optimistic note and ended as MAC champs in the greatest season in Ursinus’ thirty-six years of intercollegiate competition. Not only did the Bears compile a 9 to 1 meet mark, but they captured the college’s first MASCAC championship. Captain Denny Wilson was selected the Most Valuable Player and senior high jumpers Cliff Kuhn and Dave Bonner were awarded varsity monograms.

The Bears made their debut a successful one by becoming the first Grizzle squad to defeat Haverford in dual meet competition. Swarthmore was clobbered as Ursinus became the first to upend the Garnets in dual competition. Only Franklin and Marshall could beat the Bears.

Wilson accumulated 101 points and garnered a bronze medal in the 1962 MACs during his three years in the shot put, discus, and javelin. Bonner and Kuhn hold records in Lebanon Valley and Washington meets respectively for high jumping. Not to be forgotten are mid-year graduates Bob Carney and Bill Pratt who paced the 1962 squad to a 7 to 3 season.

Sophomore Pete Dunn lowered his own record in the 440 to :48.8 and took the MAC title whole sophomore Bill Cooper was undefeated in the 880 and won that at the MACs. The mile relay quartet of Tony Sermarini, Tom Walter, Cooper and Dunn won the MAC crown, finished second in the A. W. “Pop” Haddleton Memorial Mile Relay at the Penn Relays, and dropped the college record to 3:23.6.

The Bears extended to ten straight their victory string at Patterson Field, dating back to April in 1961, and won 21 of their last 25 encounters.
Senior high jump record holders Cliff Kuhn and Dave Bonner.

The softball team set the spring pace for undefeated records by posting a perfect 4-0 tally. Overcoming the batswomen of West Chester in a twin trimming, the protégées of coach Eleanor Snell insured the unblemished softball record. Seniors pitcher and captain Carol Taney and shortstop Carol Kuhns will be missed in the 1964 line-up.

All eyes are on the batter.
Tension mounts but Ursinus' diamond girls come through.

Chalk up another strike-out for "T."

June Ritting puts one in orbit.
Fighting the weatherman was as difficult as opposing rival teams for the netwomen of Coach Phoebe Harris. Despite several rematches, the varsity team rounded out the season with only a loss to the racketeers of West Chester. Posing the varsity strong punch were Dianne Regester and Darlene Miller. Captain Ginny Gross has her eye on an undefeated 1964 season.
The lacrosse squad copped another undefeated log under the direction of Coach Marge Watson. Among the victims was arch rival West Chester who crumpled under the UC crosses twice. Ursinus totaled 91 goals for the season against a mere 32 by all opposing stick women.

Sue Day appears to be taking time out to satisfy autograph seekers Dean Rothenbeger and Barb Burt.

"Goalie, please, I'd rather do it myself!"

A quick pirouette between halves for senior lacrosse Cindy Hays.
Intramural athletics are on the upswing at Ursinus. This year Leber-South annexed their first All-Around trophy for winning basketball and volleyball championships, while Curtis I won the football crown and Sig Rho took the softball title.

Under the direction of Denny Wilson and Hank Freeland, the basketball season saw twelve teams play eleven games for six playoff spots. Demas, sparked by seniors Santucci and Bernstein, captured the title until the play-offs against runner-up Leber-South with Bonner, Wilson, Hakanson, Degenhardt, Soles, and Rapp which gained the championship. Two All-Star games spiced the season as the Dorm All-Stars outscored the Frat All-Stars, but the Intramural All-Stars were clobbered by the Varsity in a charity contest.

Curtis I, paced by Bill Cooper, sped to the football title undefeated. Sig Rho's Ted Zartman pitched his team to victory, and Leber-South won their second volleyball title in three years, in which they won 18 out of 19 contests.

In the intramural wrestling, senior Jeff Brown went from the 157 to 167 pound class and retained his title, while Bill Holmes took the 137 pound title and Al Hakanson the unlimited championship for the second straight year. Tony Sermarini annexed the 157 pound crown and Dave Spaeth triumphed in the 177 class.

Delta Pi Sigma won the IFC track meet, and freshman Bill Robart captured individual honors by scoring an unusual double in the shot put and high jump.
The Golf Club was organized this year with Dean Whatley as advisor. The club is for Ursinus men interested in competitive golf. Ursinus College does not recognize the club as a team, so matches which were held were regarded by the competitors as unofficial and not counting for MAC records.

The Golf Club members played Delaware Valley twice, Penn, Haverford, PMC, and Hill. The biggest upset was their 16½ to 1½ defeat of Drexel.

The enthusiasm of club members is great, especially in consideration of the fact that transportation and greens fees are paid by the members themselves. In view of the golfers’ interest, they were allowed to represent Ursinus in the MAC competition. The four man team of Joel Spangler, Dave Bourne, Norm Gibbs and Mons King finished seventh among the 16 colleges and fourteenth out of 25 universities and colleges entered.

This is indeed a commendable record for the first golf team at Ursinus, and an indication of next year’s interest and record, as only two seniors, Toby Gelfand and Tom Wilt, will be lost to the club.
The purpose of the Women's Athletic Association is to promote women's amateur athletics on campus. The Association sponsors different activities including the sale of candy and socks to raise revenue. This year the Athletic Association conducted the intramural volleyball tournament, trampoline classes and held a splash party at the Norristown YWCA. The WAA also had a Christmas party at Christ's Home in Warminster with the Varsity Club.

In keeping with the aim of the Varsity Club to do service to the college and its members, a program of new activities was launched this year. The football programs were one project, and the club sponsored the Homecoming Dance. Before Christmas the Varsity Club joined the WAA in giving an orphans' party. Two Clinic Days, for basketball and wrestling, and baseball, were held for the boys from St. Gabriel's Hall. Other activities included two bowling parties with the WAA and a golf tournament. A guest speaker addressed the club at the annual banquet where seniors and outstanding athletes were honored.
The Inter-Fraternity Council is composed of two representatives from the six fraternities. The Council plans for Homecoming and IF-IS Weekend. This year the Greek Weekend included a Friday night dance at Sunnybrook, picnics and a party Saturday and a picnic Sunday. At the track meet on Saturday Delta Pi captured the honors.

ZETA CHI

Pi Nu Epsilon is the national honorary music fraternity for non-music majors. Its purpose is to honor students who participate in campus musical organizations and to stimulate interest in music. This year Ursinus' Gamma Chapter sponsored ticket sales to Philadelphia Orchestra Student Concerts, handled orders of the Messiah recordings, and sponsored an organ concert and the Fraternity-Sorority Songfest.

CHAPEL CHOIR

The Chapel Choir, under the direction of Dr. William J. Philip, introduces chapel services with a choral call to worship and closes each with a prayer response. The choir, of voluntary membership, also participates in the annual Christmas Communion Service.

PI GAMMA MU

Pi Gamma Mu, is a national social science honor society, a member of the Pennsylvania Sigma Chapter. The membership includes a limited number of seniors who have maintained a B average in at least twenty hours of social science.
The 1963 season was one of the most successful the Meistersingers has had. From eighty rehearsing members a tour group of forty-five students was chosen in March. Under the direction of Dr. William F. Philip and student conductors Lodie Kershner and Bob Livingstone, the Meistersingers presented its first concert at Slatington on March 10 and followed that with performances at churches in Manheim, Philadelphia, Sellersville, and Lower Providence. On April 19 the annual spring tour, this year to Ohio, started. Movie taking, card playing, conversation, singing, and the dozens of doughnuts "Mrs. Doc stayed up all night to bake," highlighted the tour. Back from Ohio, the group traveled to Lansdowne for a concert then gave a special performance at Ursinus, accompanied by organ, trumpets, trombone, and tympani in special orchestration arranged by Dr. Philip. At the Music Banquet at Spring Mountain House the group relived old memories and sang "Happy Birthday" to "Doc" Philip for the last time of the season.

SPRING TOUR

WEEK IN OHIO
The Curtain Club is an organization for all students interested in dramatics. Each year the club presents two major productions and several one-act plays. Mr. and Mrs. North was produced under the direction of Anne Thorburn in the fall. The spring play was The Staring March directed by Betsy Thompson. Antigone, Impromptu, and Parting at Imsdorf were the three one-act plays given this year. The club owes much of its success to its advisor Mr. Gustavson and to Dr. Helfferich's guide and inspiration.
Mr. and Mrs. North was the fall Curtain Club production. Stars Grace Killough and Lew Linet are pictured in these scenes with their supporting cast.

Stars and Players is the governing body of the Curtain Club. Each year members of the club who have shown outstanding ability and an eagerness to work are elected to the Stars and Players. The officers of the Curtain Club are all selected from this group.
The spring dramatic production was *The Staring Match*. Seen in these pictures are Roy De Beer, as Mr. White, and Larry Meyers, Mr. Black, who declared themselves angels and hold a staring match to determine which is an envoy of the Devil.

**ALPHA PSI OMEGA**

Delta Tau is the Ursinus chapter of Alpha Psi Omega, the national honorary dramatics fraternity. Membership in this organization is the highest honor accorded students who have worked in dramatics. Members of Alpha Psi direct and produce the major productions of the Curtain Club, select the plays for presentation, and guide club activities throughout the year.

President Hellferich crowns prom queen Carol Heber.

The Junior Class presented its Prom "'Tween Heaven and Hell" on April 5 at Sunnybrook with the accompaniment of Al Raymond’s Orchestra. Five junior women reigned as queen and court of the prom and seven men were admitted to the Cub and Key, the honorary scholastic fraternity for men.

Cub and Key president Steve Wurster joins newly tapped members Don Stock, Greg Kern, Sam Stayer, Larry Worth, Dave Di Eugenio, George Rutledge and Fred Yocum.

JUNIOR PROM

Queen Carol Heber and her court attendants Carol De Silva, Nancy Holochuk, Joan Kleinhoff, and Bonnie Fisher.
Freshman representatives Mary Ann Holmgren and Suzanne Raffauf.

Jean Dillin and Anne Weisel represent the Sophomore Class.

SPRING FESTIVAL

MISSISSIPPI MUD
Spring Festival Queen Grace Folwell.

Junior queens Carol De Silva and Nancy Holochuk.

Jane Mikuliak and Sue Higley from the Senior Class.

Spring Festival Queen Grace Folwell.
"The Creative Encounter of World Religions" was the topic of Dr. Douglas V. Steere of Haverford.

Dr. Eugene Carson Blake joins George Rutledge and Dr. Armstrong after his talk on church union.
Miss Lesley Frost shows Bill Pratt her recently published book for children *Really Not Really*.

Bill Lundgren and Mr. Schellhase talk to Mr. Arthur Zito, manager of science marketing for General Electric, who discussed the competition between the US and Russia in the "Race for Space."

Dr. Carl Michalson and Mr. Hudnut enter a discussion after Dr. Michalson's talk on "Existentialism and the Christian Faith."
SENIOR CLASS
HAPPY SENIOR CLASS OFFICERS

Vice-President Rocky Roberts, Secretary Sue Higley, Treasurer Roy De Beer, President Murray Feldstein.

Although he was a day student and sophomore when his untimely death occurred, John Boyer is remembered by his classmates. Delta Pi Sigma, in John's memory, awards a prize to the male day student with the highest average at the end of three semesters.

THE CLASS OF 1963

The Class of 1963 arrived at Ursinus in 1959 in full force, buoyed by high school spirits and big plans. We were welcomed by the Sophs who helped deflate the "high school Harrys." The Juniors saw to it that we became a full-fledged class complete with officers. Steve Wurster emerged from the secretiveness and intrigue as president. In the flurry of club-joining and Messiah rehearsals, and following our banquet and Cal's gracious appearance, we freshened our variety show-starting the "Fat Lips" on their road to fame. We livened up the social life at the TG Gym with two dances and perked up the Spring Festival court with Grace Folwell and Jane Mikuliak.

As Soph Rulers, "Mr. Feldstein, Sir," and "Impalable, Convivial, Creditable, Kay" encountered the usual faculty disfavor with Customs, but managed to carry on the program and make an unscheduled appearance at the freshmen banquet. Jeff Brown was elected to lead the class which suffered the normal decline in number and a greater decline in class meeting attendance. The class gave another gym dance and repeated its amateur endeavors. In the spring Grace and Jane again served in the Festival.

As juniors even fewer returned to man our positions as frosh friends and Murray was elected to lead the class. In Ruby elections Kay O'Donnell and Steve Wurster were chosen editors and Jeff Brown and Denny Krauss were faced with the task of raising $6000. Four junior girls, Margie Peffle, Barbara Rupp, Betsy Yost, and Marion Behler, joined the Whitians at the Lorelei. At our prom "Champs Elysees" Jane Mikuliak reigned as queen with Sue Higley, Sue Miller, Sandy Fix and Judy Rudolph in her court. Murray, Steve, and Jeff were joined by Charlie Haeussner, John Piston, and Jim Ryan in the Cub and Key. The Spring Festival saw Sues-Miller and Higley — as our attendants.

Sue Miller was elected Homecoming queen for Demas and UC last fall. Other senior queens were Sandy Fix, Grace Folwell, Jane Mikuliak and Barb Cranmer. "Surprise, it's '63" found Sue Higley and Denny Krauss elected lord and lady. Murray and Sue retain until eternity their positions as president and secretary of the class. Denny and Kay O'Donnell will optimistically try to get money and alumni together after graduation. The Brackin brothers were chosen "kings for a night" at the Lorelei, and in the Festival Grace reigned as queen with Sue Higley and Jane Mikuliak in attendance. We again showed dramatic talent in the Senior Show, to beat all shows, with milk-drinker Murray presiding.

As June neared seniors mysteriously emerged and appeared at class meetings, and job hunting, wedding plans, cap and gown measurements, IF, dinner dances, and senioritis vied with studies for attention. Graduation finally came on a wet Monday which nearly saw us flooded out. Toby Gelfand and Murray received top scholastic honors and proceed to grad school with 60% of our class we are told. And thus four years of fun and friendship, growing up and preparation for life, were closed.

CONTEMPLATION . . .
AND DRAMATIZATION . . .
 SENIOR BALL

Thanks to Vic Goldberg's "Hiya Les, this is Vic" line, the Senior Class presented to Ursinus its first, and for financial reasons probably its last, appearance of Lester Lanin's Orchestra.

The results of earlier class elections were made known, when Sue Higley and Denny Krauss were crowned Lady and Lord of the Senior Ball. Sue and Denny were also elected permanent secretary and Loyalty Fund Chairman, respectively, while Kay O'Donnell is Reunion Chairman, and Murray Feldstein retains the post of president.

Murray got Father Time's indulgence for a small manipulation of the minutes, and in the atmosphere of Times Square, with noisemakers and "Auld Lang Syne" Denny and Sue released balloons which drifted down from the ceiling among the celebrating couples.

Master of ceremonies Murray Feldstein helps usher in the new year.

Lester Lanin's Orchestra appeared for the first time at Ursinus.
Class officers and faculty members greet the guests.

PERMANENT CLASS OFFICERS: Loyalty Fund Chairman Denny Krauss, Reunion Chairman Kay O'Donnell, Secretary Sue Higley, President Murray Feldstein.

"SURPRISE . . .

IT'S '63"
Fourteen senior students were selected for membership in *Who's Who Among Students in American Colleges and Universities*. The qualifications for appearance in the annual publication are based on scholarship, leadership in academic and extracurricular activities and service to the college.
The Whitians is the honorary scholastic society for women. Qualifications for the membership of junior women include a B average for four semesters and extracurricular activities. The society gives an annual tea for all women with semester averages of B or better and a prize to the freshman woman with the highest average.

CUB AND KEY

Membership in the Cub and Key Society, the highest honor awarded to an Ursinus man, is limited to no more than seven men chosen from the junior class and is based on high character, loyal service and satisfactory scholarship.

Co-editors Steve Wurster and Kay O'Donnell.

Carol Taney and Bill Graver, sports reporters.

The money men Denny Krauss and Jeff Brown.

THE 1963 RUBY

Typing and proofreading editors Arlene Messig and John Piston with staff members Barb Shearer, Lynn Watson, Barb Banks, Linda Deardorff, Val Weiss, Ona Lundgren, and Jane Smith.
Ruby literati Betsy Yost and Toby Gelfand.

Classes and faculty editors Dave Christensen, Yvonne Finnemeyer, Barb Shearer, and Cliff Kuhn.

Artists, sans shoes, Mike Boris and Judy Yaskin.

The "organization men" Lodie Kershner and Charlie Haeussner.

Campus photographer Dave Crough.

Freeland and Bomberger Halls

FREELAND HALL, erected in 1848, is the oldest building on the campus of Ursinus College. It's white-pillared facade, visible to the left of Bomberger Hall, has been a familiar sight to many generations of Ursinus students.

BOMBERGER MEMORIAL HALL, erected in 1891, containing the chapel, classrooms, and other facilities, was named in honor of the Rev. Dr. John H. A. Bomberger, first president and one of the founders of Ursinus College.

An Example of
Synthane You-shaped Versatility
Here, from one reliable source, you can satisfy all your requirements for laminated plastic materials or fabricated parts. High temperature laminates, flame-retardant laminates, copper-clad laminates as well as all the widely-accepted electrical grades. Complete facilities for quality-controlling desired properties and for environmental testing. For parts fabricated to your specifications we are equipped with a complete tool room for specialized dies and fixtures.

You-shaped Versatility makes Synthane a Better Buy in Laminates.
The art of being a non-conformist

or why many perceptive yearbook staffs prefer a very distinguished publishing house

Retaining one’s individuality is not easy in these days of mass production and standardization. This is especially true of yearbook publishing, in which mass production methods have the tendency to force one to buy just what the other fellow buys.

Making of soap or soup or salad dressing by mass methods is one thing. But it is quite another to attempt to produce a creative yearbook by trying to squeeze it into some pre-conceived mold. It just can’t be done that way.

The Wm. J. Keller firm brings together highly trained craftsmen, the very finest papers and ink of superlative quality. Add to these a unique service plan built around the individual school, and, finally, production by the Velvatone process, which Keller perfected especially for the printing of yearbooks, and you have a truly distinguished performance. And a yearbook with singular character and individuality...we call it “THE LOOK OF THE BOOK.”

The yearbook you are presently leafing through is the product of the Keller custom program. If you would care to see other examples of “THE LOOK OF THE BOOK” as produced by Wm. J. Keller, get in touch with us now.
