ROBERT GLADSTONE
On November 22, 1963, an assassin’s bullet struck down the President of the United States, John Fitzgerald Kennedy. Regardless of our personal political views of Mr. Kennedy, we felt the loss of this great figure; we felt a deep sympathy for his brave widow and innocent children; and we felt a disgust for this heinous crime.

It is difficult for us to evaluate today Mr. Kennedy’s impact on history. But it can be said that our first President born in the twentieth century exemplified the virtues of youth and vigor, qualities that remolded our image of a President. Mr. Kennedy was a people’s President and the people followed him with devotion. Our country, inspired by him, took on a new, youthful look. The New Frontier, his domestic program, utilized fresh minds from all parts of the country. Washington became a social as well as a political center. Parties were held in the White House. Cultural performances became the vogue. Touch football, milk, and hiking were in. Men’s hats were off.

Yet Mr. Kennedy knew of the unpleasantries of life. He had lost dear ones; he himself had been close to death. He suffered great pain for over half his life. As a result, he lived hard and ironically he died hard. His most poignant and quoted lines are from his now immortalized Inaugural Address: “And so my fellow Americans, ask not what your country can do for you; ask what you can do for your country.” John Fitzgerald Kennedy made the supreme sacrifice for his country: he gave himself.
The purpose of the 1964 Ruby is not to expound our philosophies of life, but rather to record for posterity on these pages a glimpse of the academic year 1963-64.

Our four years at Ursinus were the fastest four years in our lives. They were productive years. For the first time in our lives, we were on our own. Of course, upperclassmen and professors helped our assimilation into the Ursinus community, but principally we learned by ourselves. Ursinus provided us with a sampling of the book and the world. We made many friends, flubbed an important test, sat out the big dance, said the wrong thing at the wrong time, spent too much money at the Drug, scheduled too many eight o’clocks, fell asleep in a lit. class, over-cut Chapel, got drafted for the yearbook. In retrospect, one thing is very evident—the satisfaction we received as students at Ursinus seems to correlate directly with our attitude about and our participation in the activities of Ursinus.

In dedicating this book to the Ursinus student, we hope it captures a candid picture of him. And if this book helps make today’s student a little more aware of himself and his Ursinus, our efforts will be rewarded.
URSINUS COLLEGE--

*Warmth and beauty*

*Through the seasons*
STUDENT LIFE
the face of Ursinus College—
a small, yet complete
world of emotions and activities
the campus—a serene and stimulating environment
the outdoorsmen
the dedicated face of thought
santa claus and cider—
a campus christmas
spirited and enthusiastic—
action at ursinus
social and
intellectual companionship
the face
of laughter
and beauty . . .
a delightful combination
the social art of
significant conversation
a somber winter—quiet and pensive
then a
swingin' spring
the old grind
year
'round
spring fever—
the annual epidemic
a unity
born
of diversity
the face of industry and leisure
the real face
of ursinus—
determination and
a dream for
tomorrow
ADMINISTRATION
AND
FACULTY
VICE-PRESIDENT

Dr. James E. Wagner brings with him to Ursinus vast experiences and honors in church affiliated affairs. He presently serves as Vice-President of the World Alliance of Reformed and Presbyterian Churches and is a member of the General Board of the National Council of Churches of Christ in the U.S.A. An extensive overseas traveler, having amassed over 175,000 miles, Dr. Wagner will travel abroad this summer on his tenth trip in the last nine years.

Dr. Wagner feels Ursinus is very fortunate in its caliber of student and has a stock reply when friends ask him about the college: "We have approximately 980 young men and women enrolled and by the law of averages there must be a stinker or two among them, but I just haven't met up with that kind during the two years I've been here."

PRESIDENT

Dr. Donald Lawrence Helfferich is the eighth president of Ursinus College. He received his B.A. from Ursinus, his L.L.B. from Yale University School of Law and the honorary L.L.D. from Ursinus College and Temple University. As Vice-President under the late Dr. McClure from 1936 to 1958, Dr. Helfferich gained the valuable experience necessary for the administration of a liberal arts college.

Expressing great enthusiasm about Ursinus college and a high regard for the Ursinus student, President Helfferich feels about the latter: "The Ursinus student is enough of a specialty in size, shape and attitude that I would not exchange him or her for any student on any other college campus. Why? Because our students are already on their way to becoming good alumni."
Miss Ruth H. Rothenberger, a graduate of Ursinus, became Dean of Women in 1959. Dean Rothenberger has extended her duties to many areas of campus life by working to improve social and cultural events at the college, by being an avid supporter of all activities as evidenced by her near-perfect attendance at college functions, and by keeping her office door open to all.

Coming to Ursinus in 1959, Mr. Richard J. Whatley has served Ursinus well as football coach, physical education instructor, and Dean of Men. Popular and often quoted, Dean Whatley has proved himself to be an industrious worker and a friend of the student.

Mr. William S. Pettit has served capably as Dean of Ursinus since 1954. A graduate of the University of Pennsylvania, Dean Pettit is also U. C.'s professor of organic chemistry. As coordinator of academic policies, Dean Pettit instills harmony between students, faculty, and administration. Dean Pettit took a well-deserved sabbatical during the spring semester.

UNDERCLASSMEN
CUSTOMS
On September 28, 1963, 276 eager freshmen arrived at U.C. Their excess energy was short-lived as “Mr. Larzelere, Sir” and “Despicable, Didactic, Disapprobatory Darlene” introduced the frosh to Customs. After a couple of weeks of assimilation, the frosh emerged as freshmen and elected Larry Romane, Charles Gordinier, Donna Albright, and Mike Lewis as class officers.

The class had two important projects during the year. The first was the drawing up of a class constitution which was a new idea this year. Second semester the freshmen sponsored a dance offering something to everyone—a Stag-Drag Coffee House Turnabout Dance in the T-G Gym.
SOPHOMORES

CLASS OFFICERS—Vice-President R. Larzelere, Secretary A. Harris, President J. Gould, Treasurer E. Swann.

Under the leadership of Jack Gould, the Sophomore Class proved to have an interesting and exciting year. On November 2 a Bazaar was held in the T-G Gym which sported everything from kissing booths to the local slave auction. The freshmen challenged the sophomores to a basketball game on December 6. The college gym echoed as the “mighty sophs” once again proved their worth. The climax of the year was spent in New Hope where the third annual Sophomore Weekend revolved around a nautical theme. With canal barges as transportation, the Sophomores arrived and left their fun-filled picnic and dance. The Sophomores can look back over an eventful year, but they await next year when they will be juniors, the “friends of the Frosh.”
The Class of 1965 began the year as the unofficial advisors to the Class of ’67. After conducting the freshman elections and planning the banquet, President Mike Kelly and his class were able to pursue their own course.

At the Lorelei on February 14, six junior coeds were named as Whittians. The juniors then transformed Sunnybrook into glamorous “Old Cape Cod” for the Junior Prom on March 13. Jeanne Dawson reigned as queen and seven men were tapped for Cub and Key.

The elections for the officers of the 1965 Ruby resulted in the naming of Jean Hunter and Howard Smith as co-editors. Ed Van Doren and Woody Pollock will act as guardian of the money bags.

SENIORS
1964 CLASS HISTORY

We were typical freshmen descending en masse on the little borough of Collegeville. Confused, but ready to take on the world, we took on instead an affectionate flock of soph assimilators headed by “Mr. Feldstein, Sir” and “Convivial, Creditable Kay.” We all survived Customs somehow and with our president Dave Kohr the frosh of ’64 started to function as a class. We sponsored a dance in January called “Frosty’s Frolic”—financially a fiasco. A second semester record hop was slightly more successful—we lost less money. Susie Summers and Carol Heber were our attractive representatives to the Spring Festival Court. The end of our freshman year found some of us transferred, a few of us married, and most of us assimilated U.C. students.

Jim Shinnick, hereafter and forevermore our president, was elected our sophomore year. We now had our fiendish chance to be martinets as our “Mr. Gladstone, Sir” and “Judicious, Genial, Jocular Jacqueline” ran the Customs program. We had the usual problems of class meeting attendance, often mustering only a shaky quorum. Our “Black Magic” Dance was an improvement over our freshman fiascos. The first annual Sophomore Weekend—our innovation—included an afternoon picnic at Montgomery County Park, a dance in the evening, and a chapel service on Sunday. Marcia Coblentz and Bonnie Fisher were our Spring Festival beauties.

As juniors it was our turn to help the frosh. We conducted the elections and arranged their banquet. Our turnout dance, the “Pink Elephant,” turned the T.G. gym into a night club. At the Lorelei, six of our girls were selected as Whitians—Milles Greim, Haas, Hill, Kleinhoff, Kroschwitz, and Vogel. Our Junior
Prom at Sunnybrook was called "T'ween Heaven and Hell." Carol Heber reigned as queen and our intelligent men had their burst of glory. Tapped for Cub and Key were Messrs. Di Eugenio, Kern, Rutledge, Stock, Stayer, Worth, and Yocum. Nancy Holochuck and Carol De-Silva added charm to the Spring Festival. Finally, our overworked Ruby editors were selected—Caroline "Mort" Moretz and Bob Gladstone shared the honors. Linda Kachel and Carl Berlinger were given the task of raising several thousand for this book.

At last we became wise, sophisticated seniors. Now we divided our time between our activities about campus and our thoughts of graduate work. Carol Heber, representing Delta Pi Sigma, was crowned Homecoming Queen. Our Senior Ball “Tara” was a success. Jim Shinnick and Nancy Holochuck reigned as Lord and Lady. Our permanent class officers were announced as President—Jim Shinnick; Reunion Chairman—Nancy Holochuck; Loyalty Fund Chairman—Fred Yocum; and Secretary—Joan Kleinhoff. Joni was also elected Spring Festival Queen while Bonnie Fisher and Carol Heber repeated as representatives of our class. Our Senior Show playfully lampooned our favorite college.

As seniors we may have appeared to many a bit eager to graduate. But after a few years in the hostile, unprotected world and after receiving our share of lumps and bumps, we'll probably realize and appreciate the value of our years with the Red, Old Gold, and Black.

EVENTS

ACTIVITIES
FOUNDERS DAY

The 1963 Founder's Day program held on November 11 was highlighted by Miss Marion G. Spangler's presentation of a portrait of the late Dr. Henry T. Spangler, her father and President of Ursinus from 1893 to 1904.

In addition to the recognition of those on the Dean's list and seven graduating seniors, five honorary degrees were bestowed. The Honorable Richard S. Schweiker, Representative from the 13th Pennsylvania district, the Honorable Alfred L. Taxis, President Judge of the Montgomery County Orphans Court, and Mr. John M. Cummings, veteran columnist and political commentator, were awarded the Doctor of Law degree. The Rev. Paul Crawford Scheirer, a Pottstown pastor and church leader, was presented a Doctor of Divinity degree. Dr. Nobushige Ukai, President of the International Christian University of Japan, received a Doctor of Humane Letters degree.

PARENTS DAY

Corsaged mothers and inquisitive fathers visited the Ursinus campus en masse on October 19 for the third annual Parents Day festivities. After touring the resident halls, the parents witnessed a Wilkes College rout of the Bears on Patterson Field. Following the game, President Helfferich and faculty members greeted the parents in the College Gymnasium and answered questions pertaining to the academic and social aspects of Ursinus life.
Exciting football and beautiful girls were spotlighted in U.C.’s 1963 Homecoming festivities. A superb 25 point second half—by far the best effort of the season—gave the Bears a comfortable 32-8 victory over Haverford College. Captain Ron Ritz, Tony Sermarini, and the Bear front wall played one of their finest games, but the victory hung on the play-calling and accurate arm of Quarterback Ron Emmert. At the game’s end, Emmert, who tossed three touchdowns and scored the fourth himself, was presented the Kenneth E. Walker Memorial Trophy as the game’s outstanding player. 3,000 fans roared their approval on this windy November 9 afternoon.

At half-time, President Donald Helfferich crowned Delta Pi Sigma’s Carol Heber as Homecoming Queen.

Other events of the day included luncheons held by sororities for returning alumna. The Spirit Committee judged Clamer Hall as the dormitory with the most original lawn decoration. In the evening, a dance was held in the college gymnasium.
Ron Emmert receives the Kenneth E. Walker Memorial Trophy.

SENIOR BALL

The curtain of gloom parted slightly on the tragic November 22 as Sunnybrook became Margaret Mitchell's exotic southern plantation "Tara" for the 1963 Senior Ball. The highlight of the evening was the announcement of the Lord and Lady of the Ball. Jim Shinnick, senior class president, was crowned Lord by Dean Rothenberger, and senior class treasurer Nancy Holochuk was crowned Lady by President Helfferich. Following this, the permanent officers of the Class of 1964 were announced: President—Jim Shinnick, Secretary—Joan Kleinhoff, Loyalty Fund Chairman—Fred Yocum, Reunion Chairman—Nancy Holochuk.

LORD AND LADY: Nancy and Jim.

The receiving line-up.
The usually reticent Ursinus women had a chance to date their secret sweethearts on February 14 as the student government associations sponsored U.C.’s annual turnabout dance, the Lorelei. Over 150 couples danced to the music of Lester Lanin in the handsomely decorated Sunnybrook Ballroom. Appropriately enough, the theme of this dance was an “Old Fashioned Valentine.”

The highlight of the evening was the crowning by Mrs. Donald Helfferich of the popular MSGA “Kingfish” Frank Stratton as King of the Lorelei, a position voted him by the Ursinus women. Patty Hill then named the women who were selected as members of the Whitians, Ursinus’ honorary scholastic society for women. Honored were Edith Clouse, Judith Esterline, Jean Hunter, Barbara Klie, Diana Wright, and Mary Ann Wuenschel.
The Campus Chest Drive was marked by a student enthusiasm not seen in the past few years. As a result, over $1,700 was collected and divided among the four selected charities.

Included in this year's activities were the Student-Faculty Show, the Faculty Bicycle Race, the Demas steak dinner, fraternity and sorority auctions, the Ugly Man Contest, shoe shines and the sale of sweets and pretzels. Two new activities were held this year: a car smashing session which was a big hit and a Student-Faculty College Bowl Contest in which the students emerged victorious—at least until final grades.

Co-chairmen of the 1964 Campus Chest were Brenda Shorb and Richard Riley. They were assisted by several representatives from each class.
Jeanne Dawson reigned as Queen when the Class of 1965 presented its Junior Prom at Sunnybrook on Friday, March 13, 1964. The Queen's Court included Carol Ort, Joyce Maloney, Anne Shissler, and Patricia Goekmeyer.

Tapped for the Cub and Key Society were Tim Cope, Pete Dunn, Craig Heller, Mike Kelly, Jerry Rosenberger, Jim Scheirer, and John Wirth.
QUEEN OF THE JUNIOR PROM, Jeanne Dawson

THE QUEEN AND HER COURT—Carol Ort, Joyee Maloney, Jeanne Dawson, Anne Shissler, and Patricia Gockmeyer.

NEW CUB AND KEY MEN—Jim Scheirer, Mike Kelly, John Wirth, Jerry Rosenberger, Craig Heller, and Tim Cope.
Patterson Field was the scene of the first live Broadway musical as "We Love You, Conrad" was presented at the fourth annual Spring Festival. Student directors Gail Allebach and Bonnie Fisher worked under the supervision of Mrs. Connie Poley for the success of this production. This year's festivities were more spectacular because this was the first time a chorus, a band, and a dance group were combined into one production. Special credit went to the respective directors: Bob Livingston, Bob Campbell, and Pam McDonough. The play itself took the form of dialogue and song by the six leading characters: Sue Harman, Dave Weisel, Pat Smith, Barry Feinberg, Dave Stewart, and Bill Kulesh.

Two representatives from each class formed the Spring Festival Court.
Alpha Phi Omega

Alpha Phi Omega is a national service fraternity composed of college men who have previously been affiliated with the Scouting movement. The purpose of the fraternity is to develop leadership, promote friendship, and provide service, both on and off campus. Living up to their principles, the brothers of Lambda Upsilon chapter are often seen conducting elections, assisting in registration, decorating the campus at Christmas, and working at three neighboring camps.

The fraternity held several special projects this year. These included collecting used textbooks for Asian students, raising money for sound equipment for the college gym, sponsoring the Ugly Man Contest for Campus Chest, and conducting a poll among the student body to find out what APO might do to improve used textbook sales on campus.
Organized in 1955, the Stuics is an eating club composed of junior and senior men. Faculty guests are invited to the monthly luncheons in order to build stronger student-faculty ties.

The purpose of the Debating Club is to help train individuals to think quickly and clearly. It stresses competition with other institutions of higher learning. Tournaments were held this year with Rosemont, Rutgers, Trenton State, and Columbia. The Club also participated in the Temple Novice and Navy Invitational Tournaments.

DEBATING

STUICS

The '64 Ruby staff began its toil long before senior year. Preparation included conferences with the '63 Ruby editors, research in the depths of U.C.'s library, and attendance during the summer at a school for yearbook editors in Buffalo, N. Y.

The results of this preparation and the arduous year-long work are shown here. Perhaps not too evident are the long days and nights spent organizing, sorting, writing, typing, soliciting, selling, and sweating.

To those who helped write, organize, and distribute these books go the grateful thanks of the co-editors.
Carl Berlinger and Linda Kachel, Business Managers.

Mimi Marcy and Dick Sanders, Class Editors.

Ken Woodward and Karen Entrekin, Activities Editors.

Rich Riley, Pam McDonough, and Bob Daniels, Photography Staff.
Under the resourceful leadership of Editor-in-Chief Sharon Robbins, several innovations were put into effect when the Weekly went to press during the 1963-64 academic year. The Weekly actually appeared every week the college was in session. The paper's editorial policy seemed to shift from a conservative view to a more liberal one. A new column, “Peek Around the Campus” always succeeded in adding a bit of spice to page two.

**THE LANTERN**

The Lantern serves as an outlet for those interested in creative writing and art. Written and edited under the beneficent eye of a member of the Faculty Committee on Student Publications, The Lantern is published once each semester.
W.S.G.A.

Major activities of the Women's Student Government Association included the Welcome Back Dance, the Big-Little Sister Program, the Freshman Advisor picnics, the Christmas banquet, the Design-for-Living Programs, and Color Day.

The W.S.G.A. encouraged the whole-hearted cooperation of all women students in the task of self-government.

M.S.G.A.

With the spring of 1963 came the election of Frank Stratton, John Wirth, and Bob Reed as officers of the Men's Student Government Association. Under their very capable leadership some of the students' pet aversions were eliminated. From placing much needed pencil sharpeners and telephones in the men's dormitories to providing big name entertainment to the tunes of the Four Freshmen, from engaging an interesting speaker, Chuck Weber, former Philadelphia Eagle star, for the men's Christmas banquet to sponsoring a Homecoming dance, the Men's Student Government Association was moving. It became an organization which did something for Ursinus students instead of being a static, figurative body.
CHEMICAL SOCIETY

The purpose of the Beardwood Chemical Society is to give chemistry majors an opportunity to hear speakers from graduate schools, industry, and government. With these speakers, the society attempts to formulate a professional attitude within the student.

The activities of this year included selling handbooks and lab aprons, the showing of several films on important chemical topics, and the presentation of guest speakers, among them David Roethel, Head of Professional and Government Relations for the American Chemical Society.

The Brownback Anders Premedical Society has the longest continuous history of any campus organization. Men and women in the many fields of medicine speak at the bimonthly meetings.

Internal Medicine, Oral Surgery, Skin Cancer, Cancer Chemotherapy, and Space Medicine were some of the topics presented this year. The highlight of the year, however, was a program in which a film on Caesarean birth was shown to a standing room only crowd of squeamish, future parents.

The officers of the society were Donald Stock, President; Lincoln Spurgeon, Vice-President; and Paul Sparks, Secretary-Treasurer. Typing letters, making posters, and performing other menial tasks was Bob Wighton. Smiling Dr. Paul R. Wagner is the society’s advisor.

PRE-MEDICAL SOCIETY
The YM-YWCA of Ursinus College has as its purpose the task of making available to all students a Christian program which includes worship, study of problems in the light of Christian faith, and social action growing out of that faith. It is an organization which attempts to arouse interest in, discussion of, and search for every aspect of ethical or religious truth not adequately covered for any student or group of students in the classroom. The "Y" supports a great variety of programs of service, recreation, study, worship, discussion, and differing needs of a great complex of students.

Highlights of the year, in addition to the excellent series of Wednesday night programs sponsored by the Public Affairs Commission, were the Bishop Players, the week-end program with Lincoln University, the art exhibit, the fall retreat on the "Unread Bible," the spring retreat on "Bread, Breeding, and the Body Politic," the appearance of "Y" membership cards, and the addition of the Human Relations Commission to the "Y" structure. Volunteer programs, vespers and Bible Study programs, "Welcome Freshmen" activities, Friday afternoon Kaffee Klatsches—all help to emphasize the range and depth of the "Y" program on the Ursinus College campus.

Every student at Ursinus is an associate member of the YM-YWCA. Since it is an organization of and for the students, the success of the "Y" program depends on the individual participation of each interested student.

The Bishop Players

Cabinet members greet Mr. and Mrs. Richard Winchester, guest speakers.
Chi Alpha is a Christian service organization. Its members search for the real and deeper meanings of their Christian faith. They seek to establish and strengthen their fellowship by activities and service.

The activities of the past year included group discussions on relevant topics and speakers from area churches, seminaries, and institutions.

CANTERBURY CLUB

The Canterbury Club of Ursinus is part of a national organization of Episcopal college students. The purpose of this organization is to help keep the Episcopal student in touch with his church and to supply and re-inforce his spiritual needs. Its activities include guest speakers, an annual banquet, and Holy Communion services. The Rev. Mr. Edward Platts is the club’s advisor.
The Newman Club is a national organization of Roman Catholic students who attend Protestant colleges. The purpose of this organization is to serve the spiritual needs of these students.

The meetings give members an opportunity to discuss topics of interest and to hear guest speakers. Highlighting this year's activities was a discussion about the Vatican Ecumenical Council led by the Rev. Anthony Massimini.

A candlelight communion service is held each year during the Christmas season. The service is arranged and carried out by the members of Chi Alpha. The college chaplain leads the service, while a student choir provides added inspiration. This communion service is one of the beautiful memories of Christmas at Ursinus.

The goal of the Young Democrats is to criticize the majority group on campus, the Young Republicans. Small, but mighty, the group has a staunch supporter in Dr. F. Donald Zucker.

The Young Democrats are looking forward to a 1964 campaign with Lyndon Johnson the sure victor over a disorganized and candidateless Republican party. Interest in and activity of the Young Democrats should increase greatly in the fall.

Comprised of students who are interested in the politics of local, state, and national government, the Inter-Collegiate Conference on Government gives its members first hand experience in politicking at the annual state convention in Harrisburg. This year the convention dealt with the Presidential election. The Ursinus chapter, a member of the Southeast Region of the Conference, and advisor Dr. F. Donald Zucker journeyed to Harrisburg to partake in the very stimulating weekend.

I.C.G.

YOUNG DEMOCRATS
Through its programs and trips, the International Relations Club has attempted to promote better understanding of other cultures and problems in world politics. The annual reception for students visiting Ursinus from abroad was held at the home of Dr. F. Donald Zucker, the Club’s advisor.

The highlight of the year was a trip to New York City where Ursinus represented Thailand at the National Model General Assembly. Other important affairs have included trips to Philadelphia to hear speakers on disarmament, American foreign policy, and two Russians who were touring the country. On March 4, a group journeyed to Lincoln University to hear Dr. Barghoorn discuss Soviet propaganda.

I.R.C.

YOUNG REPUBLICANS

The Young Republicans are by far the largest and most dedicated political organization on campus. In addition to performing constructive services for the party, the group discusses the pros and cons of various political candidates. The group feels that the Republicans, unhampered by tradition, will be an open party in 1964 and will be able to nominate the man who will be the next president.
CURTAIN CLUB

The Curtain Club of Ursinus is open to all interested students. Its purpose is to give an appreciation of and training in the art of dramatic production. The two affiliate organizations are the Stars and Players, the governing body of the Curtain Club, and Alpha Psi Omega, the national honorary dramatics fraternity.

Special credit should go to Mr. Hinkle for his superb assistance as faculty advisor and to President Helfferich as sponsor and active booster.

The dramatic productions of 1963-64 were varied. Last fall's presentation was a Kleinginna-Zizelman production of Dear Wormwood, performed for the first time at U.C. in a theater-in-the-round. The Ursinus College Women's Circle was treated to two productions, Sham and Moonshine, directed by MacPhee and Rossiter. The successful spring play was The Remarkable Mr. Pennypacker which was under the direction of the club president, Meridy Murphy.

A scene from Dear Wormwood.
MUSIC ORGANIZATIONS

The Meistersingers are students who love to sing. In addition to local concerts, these select performers spend a week on a Spring Tour. This year the Meistersingers traveled and performed in New York State.

Officers of the group are Bob Livingston, Bob Ihloff, Sharon Rothenberger, Charles Stevens, and Judy Esterline.

Pi Nu Epsilon is a national honorary music fraternity for non-music majors. Its purpose is to honor students who are outstanding in their respective organizations.

Pi Nu also sponsors a fraternity-sorority songfest. Shown at the left are Diane Williams and Kent Albright who are being congratulated by "Doc" Philip. Sam Stayer, president of Pi Nu, and Bob Livingston, president of the music organizations, look on.
The U.C. Band adds spirit and enthusiasm to the football games. After football season the Band converts to a concert organization and presents concerts in the second semester. Senior Bob Campbell, president of the Band, retires after four years of faithful service.

The Color Guard, together with the Band and Majorettes, adds enthusiasm, charm, and color to the football games. The squad, under the direction of Meridy Murphy, is always a snappy compliment to the autumn afternoons.

For twenty-six years the Messiah has been U.C.'s proudest musical production. Under the superb direction of Dr. William F. Philip, the Messiah gives over 200 students a chance to participate in musical activity.
The Agency of Ursinus College had a very successful year, the first of its existence. Formed in response to student demand for “big name” entertainment, the Agency presented concerts featuring Joe and Penny Aronson, Gordon Bok, and Lonnie Johnson. Through continued student support, the Agency hopes to bring more top entertainment to Ursinus.

ENGLISH CLUB

Meeting at Dr. Yost’s home, the English Club holds monthly meetings to discuss a wide variety of topics and to participate in play and poetry readings.
GERMAN CLUB

The activities of the German Club are designed to acquaint students with various aspects of German life, art, and music. Major programs of the year included a film on Germany, a concert by the Madrigal Choir of the University of Munster, Christmas caroling, a songfest at the home of advisor Dr. George Hartzell, attendance at German church services, and a movie in Philadelphia.

COLLEGE BOWL

After a written examination open to all students was administered in the fall of the year, several persons in each class were selected as members of Ursinus' College Bowl Team. Although the team did not appear on the NBC-TV program this year, frequent practice sessions were held in preparation for the team's appearance sometime in the fall of 1964. The team is coached by Mr. Douglas Davis.
BUSINESS CLUB

The Business Club draws its members from those students majoring in business administration and economics. With the cooperation of the Placement Office, several career forums were arranged where any interested seniors could confer with representatives from governmental and industrial firms.

P.S.E.A.

The Pennsylvania State Education Association is composed of all students who plan to teach after college. It is a professional association in which teachers-to-be discuss problems, learn new techniques and hear notable leaders of the profession.

MATH CLUB

Under the supervision of the Mathematics Department, the Math Club examines related subjects of interest not included in the U.C. curriculum. In addition to student meetings and problem sessions, local businessmen, industrialists and professors speak to the club on the practical aspects of mathematics.

PI GAMMA MU

Pi Gamma Mu is a national social science honor society. Membership is limited to seniors who have maintained a B average in at least twenty hours of social science course work.

J. Wert, C. Stevens, S. Stayer, E. Bottiglier, L. Carpenter, P. Hill, R. Sanders, B. Wall.

WHITIANS

The Whitians is an honorary scholastic society for women at Ursinus. Its purpose is to honor those junior women who have achieved outstanding records in scholarship, leadership, and service to Ursinus. One of the principle activities of the Whitians is the sponsoring of a tea for Ursinus coeds who have achieved academic distinction in the previous semester.

CUB AND KEY

The Cub and Key Society is the junior men's honor society of Ursinus College. Its purpose is to select from the junior class those men who have demonstrated satisfactory scholarship, high character, and a record of outstanding service to the school. The new members, limited to no more than seven, are tapped each year at the Junior Prom.

"WHO'S WHO"

Ten Ursinus seniors were selected to be listed in the 1963-64 edition of Who's Who Among Students in American Universities and Colleges. Students named to receive this national honor are selected from approximately 750 colleges and universities in the United States. Selection is based on scholarship, participation and leadership in extra-curricular activities, and service to the college. Candidates are nominated by a committee of the student government and college administration.

The Inter-Sorority Council is composed of the president and vice-president of each of Ursinus' five sororities. Its principal functions are the governing of the inter­sorority activities and the improvement of relations among the sororities. The major activities of the I.S.C. include the Spring and Fall Rushing Programs and the co-sponsorship of the I.F.-I.S. Weekend in May.

The purpose of the Inter-Fraternity Council is to pro­vide machinery whereby the fraternities may coordinate to present a unified voice, effort, or activity regarding anything related to the U.C. fraternity interest. In this connection the I.F.C. sponsors the Ursinus Homecoming festivities in the fall and the I.F.-I.S. Weekend in the spring.
ATHLETICS
W.A.A.

"W.A.A. by Fisher" might well be the trademark of this year's Women's Athletic Association. Sparked by the leadership of Bonnie Fisher, the W.A.A. played hostess to the international hockey tournament in the fall and heard a talk by an Ursinus alumnna, Miss Adele Boyd who is an All-American hockey player. The W.A.A. also feted Ursinus' undefeated hockey team at a party at the close of the season.

SPIRIT COMMITTEE

In the winter months the W.A.A. sponsored a splash party and an intramural program for the Ursinus coeds.

Springtime activities included demonstrations of modern educational gymnastics by the Misses Diana Crowley and Dot Richardson. In May a banquet was held to honor the outstanding athletes and the year was closed with a group picnic.
Disappointment would best describe the 1963 football season, as Whatley’s men sported a mediocre 2-4-1 record; however, the defeat of our two traditional rivals, Haverford and Swarthmore, afforded some consolation. A lack of depth and the pre-season losses of two key seniors—Hakanson and co-captain DiEugenio—hurt the squad.

A dark spot looms in U.C.’s gridiron outlook because this year’s honor winners are seniors. Bill Scholl was named first string offensive end of the MAC Southern Division. Tony Sermarini was honored as a second team halfback. Two other seniors, Bob Maschock and Ron Emmert, received honorable mention as guard and quarterback, respectively. Bill Degenhart, senior halfback, led the Southern Division of the MAC in pass receiving for the second year in a row. With the graduation of five additional lettermen—Kohr, Siebenstein, Weisel, Rutledge, and co-captain Ritz—it is hoped that a slight misquoting of Louis XV will not apply to U.C. football—“after us the deluge.”

SOCCER

U.C.'s soccer squad was booted around in the early season, but a jelling defense salvaged a respectable 4-5-2 record. Injuries to three key players of the forward line grounded an offensive attack and caused Coach Baker to rely on spirited but generally unseasoned players for a scoring attack. The highlights of the season were the respectable 2-0 loss to a powerful Drexel squad and a hard fought tie with a showy Lehigh team.

Graduating seniors Berlinger, Weller, and Worth will be missed, but with ample returning lettermen and a more experienced offense, Ursinus should sport a winning log in 1964.
Goaltending practice—from Shank to Worth.

"Wertzie" provides local moral support.

HOCKEY

The Varsity Field Hockey Team went undefeated for the second consecutive year. The women, under the excellent coaching of Miss Eleanor Snell, compiled a 6-0 record for the 1963 season. The opponents could score only four goals against Sally Murphy in the goal cage, while Ursinus tallied 19 times. The scoring was always widely distributed and fine defensive play was the strong point in every Ursinus win.

Competition for the All-American hockey team berths was held in Webster, New York. Judy Smiley, a junior, was selected for the second team, while Sue Day, a sophomore, received honorable mention.

The Junior Varsity team came through a seven game schedule with a 7-0-1 record. A strong team from East Stroudsburg tied with Ursinus in a 1-1 game. The J.V. scored 23 points and allowed only three goals against a powerful defense.
It's a tense moment for Miss Snell as she watches sophomore Sue Day drive for a goal.

BASKETBALL

U.C.'s talented five scored their way to a fine 10-6 record to earn a second place tie in the Southern Division of the M.A.C. Averaging over 75 points a game, the Bears had their first winning season in four years and their greatest number of victories since 1951.

Special honors go to sophomore Barry Troster who averaged 20 points a game and was named to the first squad of the Southern Division of the M.A.C. Troster also led the team with an excellent .562 field goal percentage. Senior Co-captain Chuck Schaal, who averaged nearly 18 points a game, received Honorable Mention. Co-captain Walt Korenkiewicz played aggressively and also averaged in the double figures.

While ineligibility, lack of rebounding height, and an inconsistent defense hurt the squad, this was the finest team effort in recent years.

BASKETBALL—WOMEN

The basketball team had a very disappointing season, turning in a .500 record, winning 3 and losing 3.

The season got off to a heartbreaking start when arch-rival West Chester State College crushed the U.C. Six 53-31. The team bounced back and smashed Rosemont 53-33. East Stroudsburg came from behind to beat Ursinus and then refused to play their scheduled game on the U.C. court.

The Beaver game seemed to be the turning point of the season. The “Snell-belles” played their best game up to this point and handily whipped the girls from Glenside. Feelings ran high for the Immaculata game and it proved to be the best game of the season; everyone was in top form and victory was the result. The last game of the season was a home game against West Chester which ended in a heartbreaking loss in overtime.

Co-captains Gail Allebach and June Ritting are the only graduating seniors. Couple this fact with an undefeated J.V. team and basketball at Ursinus should see a brighter season in 1965.

U.C.’s grapplers finished the season with a satisfying 6-4 log. Sophomore Ken Dean sported the best record by finishing the regular season undefeated with two ties. Special recognition should go to Captain Dale Kratz, the only senior on the squad. An aggressive scrapper, Kratz wrestled out of his weight class for four years; yet he amassed a commendable record and earned the respect of his teammates.

Fred Struthers muscles his way to an early pin.
The Development of a Dramatic Upset:

Joe Rhile Pins a P.M.C. Giant
The won-loss record of the swimming team does not quite give a true picture of the season. Hampered by illness and injury, the team turned in two wins and five losses. However, of the five losses, three were by less than six points. The team was swamped by a strong U. of P. team and by the ever-powerful West Chester team.

The fin-gals won a very exciting meet against East Stroudsburg which was undecided until the last race. The swimmers ended their season by winning every race from Swarthmore.

Graduation takes consistent winner, Sue Honeysett and co-captains Bonnie Fisher and Joni Kleinhoff.

The badminton team's record was three wins and four losses. Under the guidance of new coach, Mrs. Nancy Mayers, the team did very well considering that the sport of badminton is becoming more popular in colleges, thus increasing competition to a great degree.

The women started the season on a bright note by beating Chestnut Hill, followed by victories over Drexel and Bryn Mawr. All four of the losses were by one match and could have gone either way.

Four year letter winner Jane Eyre and captain Ginny Gross will leave two varsity berths open.
The softball team ended its abbreviated season undefeated by scoring over West Chester twice and Penn once. No game was close and girls recorded some eye-opening percentages. They averaged 23 runs and 24 hits a game while only allowing their opponents 3.66 runs a game.

Dianne Regester posted a record of three wins and no losses, allowing 7 hits and 1 walk, and getting 4 strike-outs per game. She also added a .785 batting average to the cause.

The batting averages were phenomenal with senior Judy Krampf hitting .857 followed closely by senior captain June Ritting with a .801 average. Sue Day and Judy Smiley turned in averages of .750 and .666 respectively.
Dr. G. "Sieb" Pancoast is the "winningest" athletic coach in the history of Ursinus College, and although this season was only a mediocre one, Sieb managed to add nine wins to his credit, bringing his total won-lost record to 160 wins and 114 losses over a period of eighteen years.

Nine losses were sustained over the season, many of which were lost by a margin of only one or two runs. The season did have some bright spots including the consistent .300 hitting of Barry Troster and the steady pitching of Butch Hofmann, who went undefeated for the season. Defensively, the U.C. Nine were outstanding on the field and the mound, but lack of consistency at bat kept the team from achieving a more favorable record.

This was a year to remember in track. Ursinus' well-rounded team, coached by Ray Gurzynski and paced by A.A.U. stars Pete Dunn and Bill Cooper, rallied for its first undefeated season in the history of the school and crowned the season by sweeping the M.A.S.C.A.C. championships at Swarthmore College.

Ursinus led the M.A.C. scoring from the first event and was never seriously challenged as the team tallied 51 points, more than doubling the second place team. Gold medals were won by Bill Cooper in the mile and half mile, Pete Dunn in the 440, Tom Walter in the hurdles, Bob Gladstone in the broad jump, and Bill Robart in the discus. Also, Sermanini, Walter, Cooper, and Dunn teamed up for a record-breaking gold medal mile relay. High spirit and determined effort were largely responsible for this achievement.
Co-captain Hunsicker takes an early lead.

Ron Ritz silhouettes the sky.

Middle Atlantic Champs—Cooper and Dunn In the relay

More M.A.C. Gold—Sermarini passes To Walter

M.A.C. champion Gladstone.
"We’re looking forward to an even better year next year!" moaned tennis advisor Dr. Howard. There is little chance that he will be wrong, for the team this year was a complete disappointment. Lack of enthusiasm strangled the efforts that were made and the only bright spot of the season was the discovery of a first-rate freshman, Pete Wills.

</table>
A tremendous amount of rain early in the season greatly hindered the efficiency of the tennis team and caused the cancellation of three matches. The season log was a disappointing 2-3 and may be partially attributed to the lack of practice due to the inclement weather.

A much improved Penn team whipped Ursinus 5-0. Ursinus then squeezed out Rosemont 3-2. Bryn Mawr handled the girls easily and chalked up a 4-1 victory. Arch-rival West Chester, winning two matches easily and outlasting the girls in three marathon matches won 5-0. The season ended on a happier note as the U.C. team took everything but Broad Street in their 5-0 drubbing of Temple.

Captain Ginny Gross and seniors Sue Musselman and Jane Eyre leave three big vacancies.
LACROSSE

This was a banner year for the lacrosse team. First, three of its players were selected to play with the United States LaCrosse Touring Team in the British Isles. Second, the team lost its first game since the inception of lacrosse at U.C. in 1957.

In the first of a two-game schedule against West Chester, the U.C. women were humbled 9-8; then in front of a large crowd on home grounds, Ursinus tasted the sweetness of revenge, smashing West Chester 14-4.

The East Stroudsburg game was the turning point of the season and from then on the team played the excellent lacrosse of which it was capable. The season ended with a 15-0 romp over Beaver College.

The graduating seniors leave a big gap. They are Gail Allebach and Sue Honeysett, co-captains; Helen Hutcheson, Patty Hill and Judy Krampf.
GOLF CLUB

The Golf Club at Ursinus is a self-supported organization whose existence is solely dependent upon the enthusiasm and desire of its members. This year the club, unable as yet to gain official recognition in the Middle Atlantic Conference, has found it difficult to acquire matches and thus gain said recognition and experience found only through this type of competition.

The Golf Club wishes to acknowledge Dean Whatley’s attempt to stimulate interest in the group, and also his successful effort to gain admittance of the club into the Middle Atlantic Championships. The members are deeply grateful to him. The club is now ready. All that is needed is recognition of the Golf Club’s ability and interest in its goals.
ADVERTISEMENTS
The art of being a non-conformist

or why many perceptive yearbook staffs prefer a very distinguished publishing house

Retaining one's individuality is not easy in these days of mass production and standardization. This is especially true of yearbook publishing, in which mass production methods have the tendency to force one to buy just what the other fellow buys.

Making of soap or soup or salad dressing by mass methods is one thing. But it is quite another to attempt to produce a creative yearbook by trying to squeeze it into some pre-conceived mold. It just can't be done that way.

The Wm. J. Keller firm brings together highly trained craftsmen, the very finest papers and ink of superlative quality. Add to these a unique service plan built around the individual school, and, finally, production by the Velvatone process, which Keller perfected especially for the printing of yearbooks, and you have a truly distinguished performance. And a yearbook with singular character and individuality . . . we call it "THE LOOK OF THE BOOK."

The yearbook you are presently leafing through is the product of the Keller custom program. If you would care to see other examples of "THE LOOK OF THE BOOK" as produced by Wm. J. Keller, get in touch with us now.
