In Memoriam: President Bobby Fong

The 2015 Ursinus Ruby is dedicated to Dr. Fong.

Dr. Bobby Fong became President of Ursinus College on July 1, 2011. The son of Chinese immigrants, he grew up in Chinatown in Oakland, Calif. A scholarship enabled him to attend Harvard University, where he graduated magna cum laude with a bachelor’s degree in English and was elected to Phi Beta Kappa. Dr. Fang earned a doctorate in English Literature from the University of California-Los Angeles in 1978, where his dissertation formed the basis for his lifelong scholarship in the works of Oscar Wilde.

At Ursinus, he led the campus in creating Transformative Education, a seven-year strategic plan for the College, and the establishment of two interdisciplinary centers: the Center for Science and the Common Good and the U-Imagine! Center for Integrative and Entrepreneurial Studies.

Student Life
Family Day 2014 was filled with all the yearly favorites: a plethora of sporting events and fun activities like face painting. Despite the rain, the UC Football team was able to pull out a win and end the day on a high note!
Homecoming 2014 was a flurry of activity as a succession of traditions pumped up the campus for another unforgettable weekend. The Grizzly Gala kicked the weekend off on Friday and the annual football game and crowning of a new Homecoming king and queen wrapped the weekend up on Saturday.
Pause for Paws 2014
Ursinus is famous! Last March, production crews for the new show *How to Get Away with Murder* came to campus to film scenes in Olin Auditorium. Over 50 UC students were extras in the scenes. This past September, a special viewing party was held for the premiere of the show in Olin Auditorium!
